THE 2ND CENTURY

FOREWORD

THE STORY of Kansas State University in 1964 is neither a collection of events nor a log of progress. It is the story of each of the 9,100 students and the myriad ways in which their desires and accomplishments will shape the events of today and tomorrow.

Just as the conscientious student matures during the process and progress of education, so does the university. As knowledge and maturity combine to provide wisdom for the student, the university expands its efforts to sharpen and temper that wisdom. For today's student seeks more than a niche in society — he wants to chisel a few of his own, to make way for the future generations.

And so it is with the modern university. As it matures, though it covets the lessons of the past, it seeks to secure its place in the future through expanded research, advanced educational programs, new techniques, new facilities and new ideas and attitudes.

It is in this spirit that we introduce the 1964 Royal Purple. Herein lies a picture of the present and a glimpse of the future— the chronicle of Kansas State University at the crossroads — with one foot in a permanent past and the other in a promising future.

Now serving his second term, Governor John Anderson takes an active interest in the University. From his Topeka office, he coordinates K-State functions with regard to state finance and public relations.

McCain Backs Five-Point Sports Program

A five-point program designed to make K-State's football and other inter-collegate teams more competitive was proposed by President James McCain in the fall of his 14th year in office. The President also supported a doctoral program in nuclear engineering designed to spur research and development for Kansas industry.

The Board of Regents approved the sale of $1.1 million bond issue for construction of 120 married student apartments on campus. They also authorized construction of a women's residence hall and new cafeteria.

Governor John Anderson appointed two new members to the Board of Regents in his efforts to strengthen higher education.

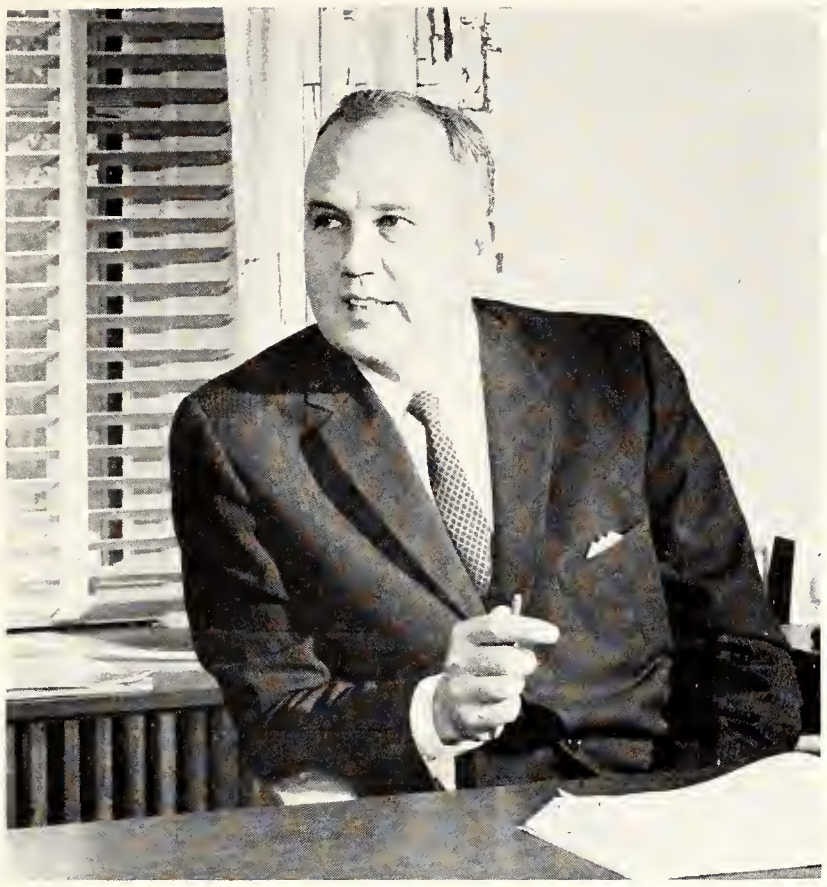
Staff Increase Meets Expansion Problems

Because of constant growth in the University and the many required duties of President James A. McCain, the number of top administrative officials was increased. The office of vice president of academic affairs was created with more authority, replacing the office of dean of academic affairs.

As vice president, A. L. Pugsley shared the general administrative responsibilities of the president. Co-ordinating the administration of all resident instruction programs, William Bevan was vice president of academic affairs. Daniel Beatty, business manager, was responsible for the overall fiscal operation of the University. Heading foreign affairs, Vice-President Emeritus A. D. Weber was the director of international activities.

As vice president, A. L. Pugsley must be alert to and informed on problems of the University campus.



As business manager, Daniel Beatty has charge of the preparation of the University's annual budget.

Vice President of Academic Affairs William Bevan is former Dean of the College of Arts and Sciences.

Vice-President Emeritus A. D. Weber directs the operation of the office of international activities.

Administrators Head University Activities

With a membership of the deans of each college and school, the newly formed Academic Council co-ordinated academic programs, defined new standards of academic excellence and made recommendations to the President. Working with non-academic matters, the Administrative Council considered salary scales and faculty distribution.

Max Milbourn, assistant to the President, served as chairman of the General Scholarship committee and the Public Relations Council. In President McCain's absence, Milbourn assumed the executive duties.

Other administrative officials supervised University and student services. Managing the 330,000-volume Farrell Library, J. W. Kraus added 30,000 books to the library. Housing Director A. Thornton Edwards served on a committee to plan a cafeteria and 600-person dormitory to be part of a housing complex northeast of the campus. Semester fees of Student Health, headed by H. P. Jubelt, were raised from $10 to $13.

As assistant to President McCain, Max Milbourn heads many committees concerning University policy.

Administrative Heads—Top Row: C. M. Correll, Historian; D. G. Danskin, Counseling Center Director; T. O. Dodge, Budget Office Director; A. T. Edwards, Director of Housing; F. D. Farrell, President Emeritus; R. F. Gingrich, Physical Plant Administrator; H. D. Hess, Alumni. *Bottom Row:* K. M. Heywood, Endowment and Development Director; H. P. Whan, Summer School Director.

Fall Students Break Enrollment Records

With students enrolled from every state except Nevada, fall enrollment set a record of 9175, three per cent above last year. The College of Arts and Sciences boasted the largest enrollment with 3457 students, the College of Engineering and Architecture, totaled from figures taken before their division, followed with 1720 students. Graduate School enrolled 1020 students.

The count included students from all 105 counties in Kansas and 476 international students from 60 countries. India claimed the most foreign students with 179, and China followed with 86. The Philippines were in third place with 16 students.

With the help of a new IBM machine, approximately 500,000 enrollment cards were processed for fall and spring registration.

As dean of admissions and records, Ellsworth M. Gerritz supervises the handling of course cards.

Throngs of students crowd Ahearn Field House to enroll in fall classes while seeking help from advisers and instructors. Enrollment increased by 2500 over the last five years, nearly 35 per cent.

Staff Offices Move To Math Hall Rooms

Completing his second year as dean of students, Chester Peters witnessed the rededication of Holtz Hall for Student Personnel Services. The building houses offices for the Deans of Students, Aids and Awards, Foreign Student Advisement, Religious Activities and International Activities.

Peters' efforts were apparent as he investigated the parking problem for Goodnow Hall residents and presented possible solutions before the Student Senate.

Assuming the position of dean of international students was Dr. Ralph Prusok who replaced Charles Wildy, assistant dean of students. Prusok received his graduate training at Iowa State University where he served as assistant counselor to men.

In an effort to develop K-States' foreign student program to better serve both international and American students, Prusok attended an international student adviser's conference in Colorado. He also served as faculty adviser to the Student Senate.

In his efforts to aid student affairs, Dean Peters considered solutions to the dorm parking problem.

Prusok, as faculty adviser to the Student Senate, signed the petition extending the city park curfew.

Directing activities of K-State women, Dean Margaret Lahey serves as adviser to campus organizations.

In addition to her AWS duties, Margaret Lakey also advised the activities of the Inter-dorm Council.

Dean Lahey Advises At Rules Meeting

As adviser to Associated Women Students, Margaret Lahey, associate dean of students and dean of women, guided the AWS Rules Convention delegates in evaluating University regulations for women. Before adoption, the changes had to be approved by three Faculty Senate committees.

Witnessing the opening of a Jardine unit for upperclass women, Dean Lahey worked to establish the successful operation of campus apartments. As associate dean of students and adviser to Inter-dorm Council, Miss Lahey helped make plans for the 1965 opening of a new dorm for underclass women.

Serving as sponsor for Off-campus Women and the Social Co-ordinating Council, Caroline Peine, assistant dean of women, noted the mature assumption of responsibility on the part of student organizations.

Social Co-ordinating Council revised social regulations under the guidance of Miss Caroline Peine.

Senators Co-ordinate Academic Standards

To correlate academic probation and dismissal standards with graduation requirements, the Faculty Senate increased minimum grade standards by .2 to .3 of a grade point based on credit hours attempted. The program also required the establishment of academic standards committees for the University and each of the seven colleges. The increase effected new students in June, 1964.

With a revision of the constitution, the Senate membership was changed to include only faculty members below the rank of department head. Each college and school elected representatives for three-year terms.

The Senate represented the faculty in approving candidates for degrees and made recommendations to the Board of Regents concerning changes and development in curriculums and courses. The Senate approved new doctor of philosophy programs in the areas of economics, history and nuclear engineering and dealt with traffic control.

COLLEGES

Photo by Don Richards

ECHOING K-STATE'S cumulative growth in 1964 were the official transformations of six schools to colleges and the creation of a new College of Architecture and Design. These advances, along with a corresponding reorganization of administrative positions, mirrored the expansion of academic programs and the fluid nature of that expansion in the eyes of the administrators. Hand in hand with the evolution came the expansion of cooperative studies among research groups —newest symbols of a campus transition.

In the variety of field concentrations offered, the colleges cater to the student whether his interest is in nuclear engineering, bakery management, English or wildlife conservation. For K-State offers curricula as complex and varied as the interests of the student himself.

Emphasizing those areas where the student demands emphasis, K-State's administrators today seek to provide a more workable division of labor for the achievement of the goals to which Kansas State University turns on the dawn of its second century.

Stepping from college to professions, more than 1,600 students received Centennial degrees.

Directing the College of Agriculture, Dean Glenn H. Beck co-ordinates the three agricultural areas.

Agriculture Includes Teaching, Research

Serving the people of Kansas with three divisions—resident instruction, extension and research—the College of Agriculture listed 713 students and 112 instructors. Dean of Agriculture Glenn E. Beck, in his fourth year at the helm, co-ordinated activities of the three branches. He was responsible for the budget and staffing of the college.

Construction of two new buildings was completed during the year. Leland Call Hall, named for Dean Emeritus L. E. Call, was dedicated early in March. The structure houses the dairy and poultry sciences. A wind erosion laboratory, designed for experimental needs, was in use by February.

Under a contract with the Agency for International Development, K-State staff members traveled to Nigeria to develop a new college. Agronomy head R. V. Olson was selected as dean of agriculture at Ahmadue Bello University at Zaria, Nigeria.

Serving as Director of resident instruction, Duane C. Acker is also associate dean of agriculture.

Research in the related fields of agriculture is a vital function of the College of Agriculture.

Bottom Row: John A. Nordin, Agricultural Economics, Charles L. Norton, Dairy Science; Raymond V. Olson, Agronomy; Stuart M. Pady, Plant Pathology; John A. Shellenberger, Flour and Feed Milling Industries.

Dedicated in March ceremonies, Leland Call Hall houses the poultry and dairy science departments. The unit contains an office wing, research laboratories and the poultry and dairy processing plants.

Experiment Stations Assist Ag Research

Recognizing the importance of developing new and improved agricultural products, the division of research carried out over 400 separate projects. Research was conducted at experiment stations across the state.

Provision for a Mass Spectormeter was made by a $100,000 grant from the National Aeronautics and Space Administration. The meter, only one of its kind, was installed in Willard Hall to detect and measure minute quantities of organic compounds.

Development of a hybrid wheat seed on a commercial basis was a priority project at the experiment station at Hays. Forestry research sought uses for one million trees distributed yearly by forestry extension.

As director of co-operative agricultural extension service, Harold E. Jones supervises extension work.

Assisting with direction of students, Frank Carpenter is assistant director of resident instruction.

Post-doctoral work for Robert Bohannan, assistant to the dean, includes study of college admissions.

Nordin, Economics and Sociology; Stuart M. Pady, Botany; S. Thomas Parker, Computing Center; Philip M. Rice, History, Political Science and Philosophy; Ralph G. Sanger, Mathematics; George R. Smith, Air Science.

A & S Emphasizes Three-Fold Policy

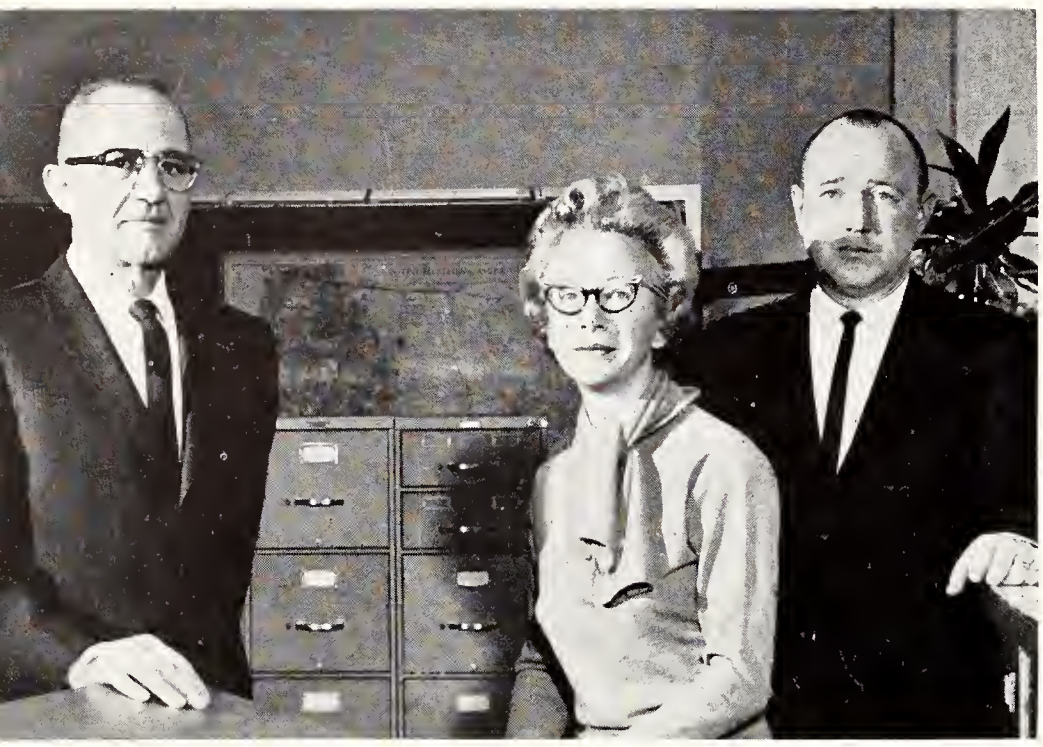
Insuring effective classroom instruction, providing proper advising for students, and encouraging research were the goals for the College of Arts and Sciences.

In an attempt to improve the advising program, some instructors were relieved of full-time teaching responsibilities and assigned as part-time advisers. For the first two years students retained the same general adviser and then transferred to individual advisers in their major fields. There were 3,466 students enrolled in Arts and Sciences.

John Chalmers assumed his duties as dean of the college of arts and sciences, replacing William Bevan who became vice-president for academic affairs. Chalmers, a Rhodes Scholar and graduate of Cornell University, came from an administrative position at the University of Wyoming. Chalmers' major field of interest is economic theory.

Associate Dean William Stamey represents the College of Arts and Sciences on University committees.

Completing his first year at K-State, Dean Chalmers is a Rhodes Scholar and graduate of Cornell.



Assistant Deans Orval Ebberts and Marjorie Adams and Academic Adviser John Murry assist students.

A & S College Buys Research Equipment

Purchase of new equipment highlighted the research program in the College of Arts and Sciences. X-ray units were purchased for the geology department. Chemistry experimenters received new machinery for several research projects. In addition, modern language facilities were expanded with the installation of a second modern language laboratory in Eisenhower Hall.

Four students in the Arts and Sciences Honors Program studied last fall in the United States on Woodrow Wilson Fellowships, four were abroad on Fulbright Scholarships and six were in Germany on Exchange Scholarships. Ten students won National Science Foundation Scholarships.

Education Division Rates School Status

After July action by the Board of Regents, the Department of Education became the second K-State school. Preparing teachers for elementary and secondary levels, the school also provided a graduate program.

National Science Foundation grants of more than $15,000 were awarded to the school for in-service training for full-time elementary school teachers. Teaching concepts geared to elementary science and math were stressed in classes conducted under the program. Education staff members were consultants in school studies such as efficient use of building facilities, use of community resources and improvement of curriculum.

Using a $179,430 grant received from the Ford Foundation in 1960, the school provided an opportunity for liberal arts graduates to earn a Master of Science degree and a teaching certificate in 15 months.

Completing enrollment, secondary education students make a final check of schedules at the advisers' table. For 284 seniors, the year included five weeks of student teaching at area high schools.

Working with experienced teachers, all elementary education majors complete a semester of student teaching. With kindergarten children, group games play an integral role in educational training.

Appointed by the Governor, Dean C. Clyde Jones serves on the Kansas Council for Economic Analysis.

Commerce College Sponsors Seminars

Changed from a school to a college in July, 1963, the College of Commerce with the aid of a grant from the Garvey Foundation of Wichita sponsored commerce seminars. Dr. Dale Yoder of Stanford University and Dr. Hans Broder Krohn of the Common Market were on the list of guest speakers.

With enrollment in business administration and accounting reaching 650, the faculty positions were increased to 22, compared to 19 last year and 10 in 1955. Dean C. Clyde Jones, administrative head of the college, was also appointed a member of the Kansas Council for Economic Analysis.

Edited by Serwood Huneryager, the Management Letter, containing news of interest to Kansas businessmen, began monthly publication under the sponsorship of the college. The college was also host at an educational conference during Commerce Alumni Day which was held during the fall semester.

Before his speech at the India Day convocation, Ambassador B. K. Nehru tours the campus with President McCain. Nehru described the Indian economic plight and the plan for developing the economy.

In addition to courses such as Cost Accounting, accounting majors participate in a senior internship program. The program allows students to gain experience with recognized public accounting firms.

Reports in the Business Policy class feature the "Road to the Future" in business. Problems of top management organization, administrative techniques and policy formation are discussed by students.

New Dean Sets Goal To Increase Budget

Increasing the research budget of the College of Engineering to three million dollars was one of the plans for the future formulated by the new dean of the college, Dr. Paul Russell. Assuming his duties in the fall, Dean Russell had previously been head of the Department of Electrical Engineering and director of laboratory activities at the Arizona School of Engineering. He replaced Acting Dean John Shupe, who returned to his former position of associate dean.

The 1,492 students in the fully accredited college boasted 37 PhD candidates in five departments. Twenty undergraduates worked with professional engineers while participating in the NASA internship programs.

Administrator for the nine departments, Paul Russell completes his first year as dean of engineering.

John Shupe resumes his duties as Associate Dean after two years as Acting Dean of Engineering.

Climate Lab Boosts Research at K-State

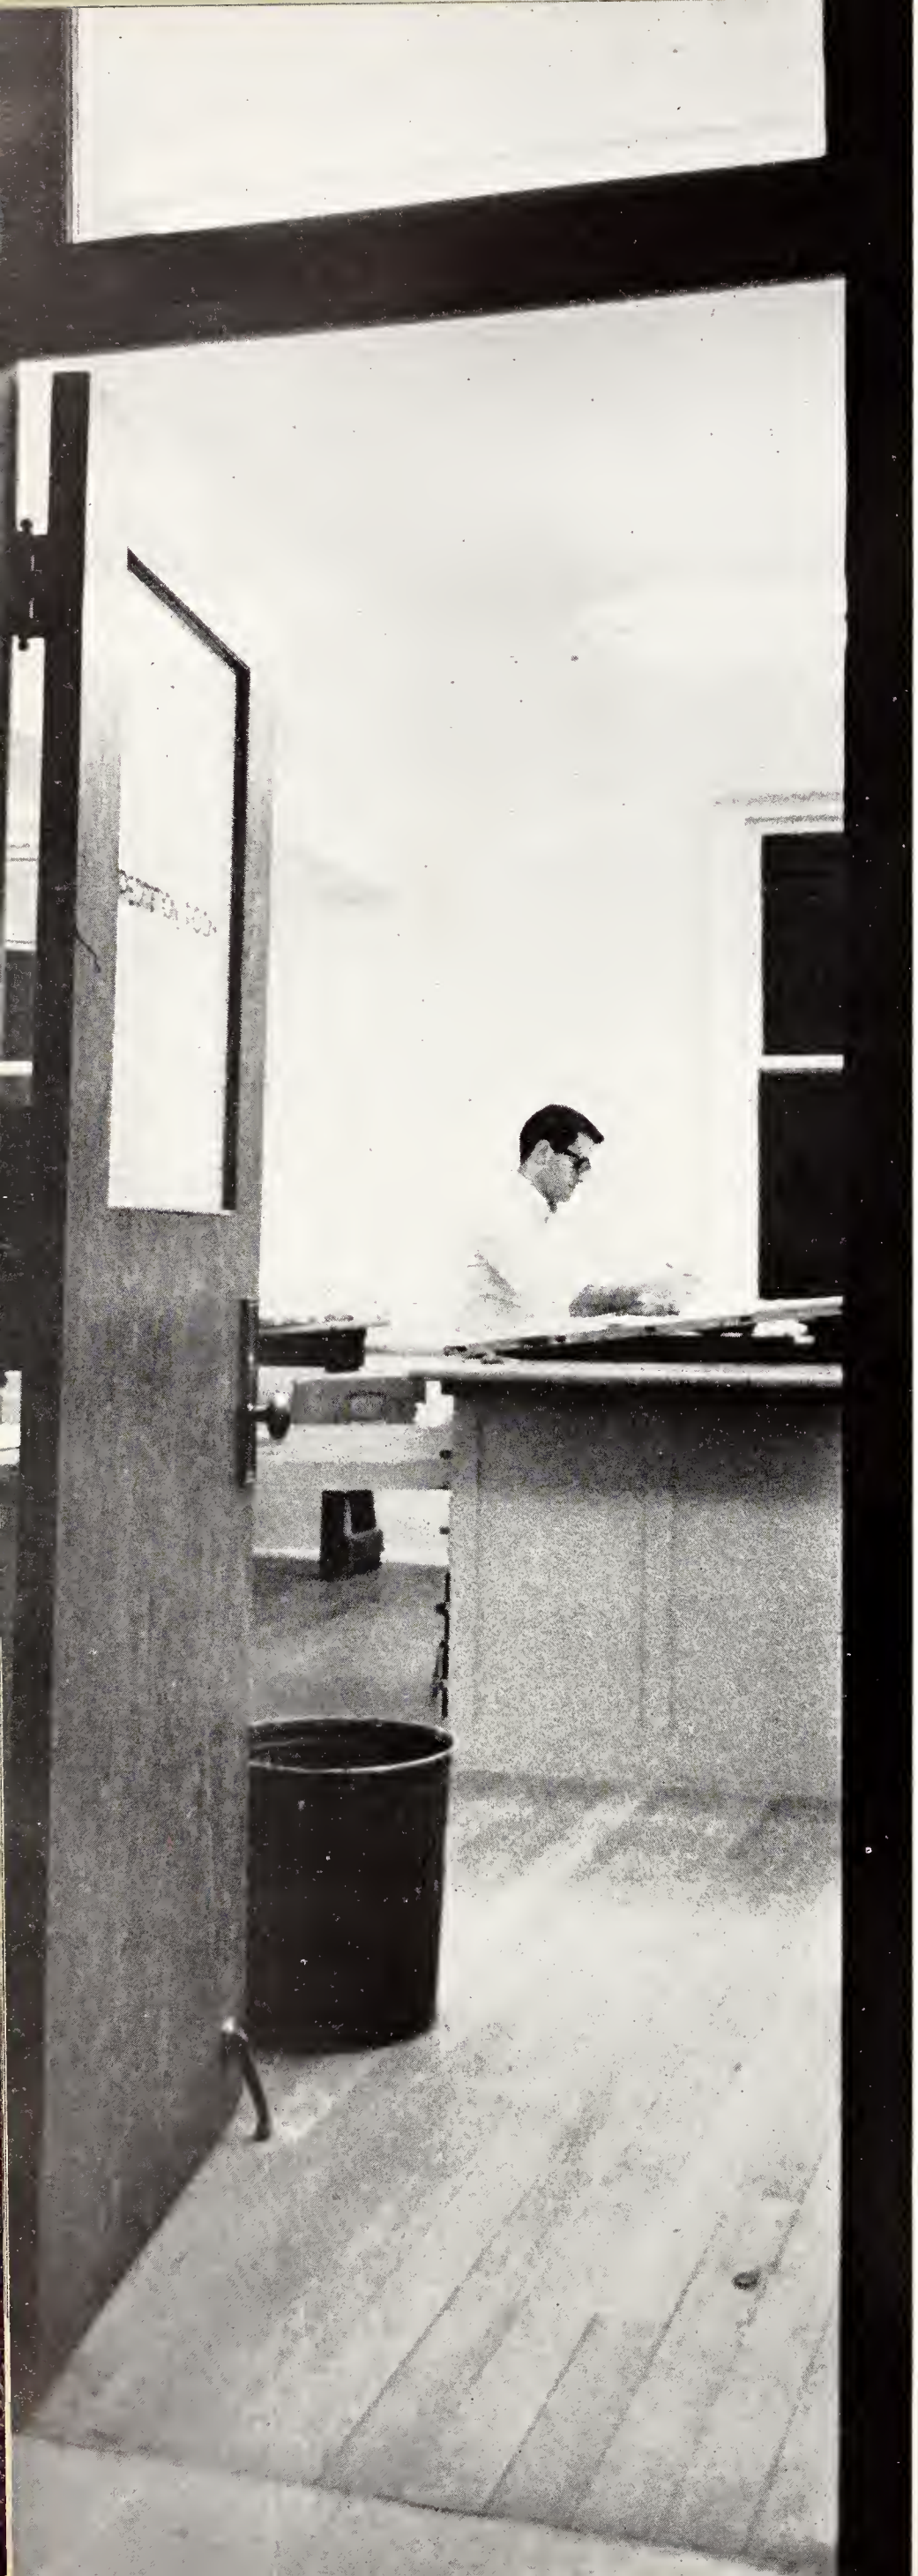
Fall dedication ceremonies for the new $500,000 Institute for Environmental Research marked the completion and initial operation of the new research facilities in the College of Engineering. Head of the Department of Mechanical Engineering, Dr. Ralph Nevins, directed the lab. The facilities were also used by scientists from the fields of psychology, statistics, architecture and medicine in experiments with physical comfort.

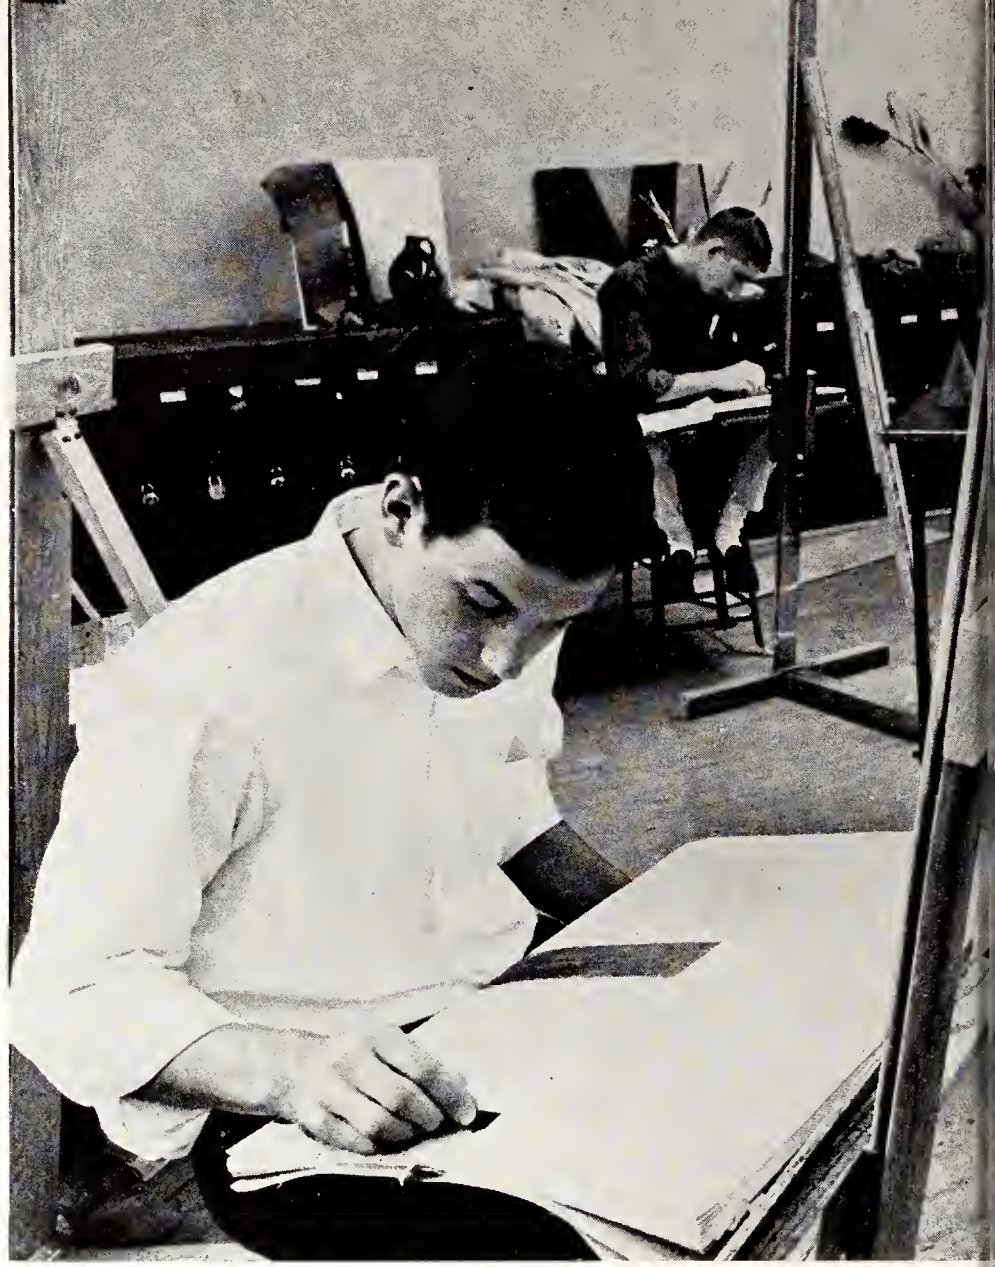
The Department of Nuclear Engineering, with 160 students, has a larger enrollment than any other nuclear department at an American university. The department conducted 20 research projects, including a continuation of studies on radiation fallout.

Soil mechanics and structural analysis were among the major projects of the Department of Civil Engineering. L. S. Hobson directed the engineering experiment station.

Dressed in uniforms to insure identical surroundings, students participate in environmental studies in the new test chamber. As the "atmosphere" varied in the room, the subjects recorded their degrees of comfort.

Testing classroom theories, students in electrical measurements conduct a Q-meter experiment. Micro waves, antenna rays and network responses are also studied in the electrical engineering laboratory.





Learning to design in different mediums, students take sketching, graphics and watercoloring classes.

Architecture Branch Forms New College

After action by Board of Regents in October, the architectural department under the College of Engineering became the College of Architecture and Design. Landscape architecture, formerly part of the College of Agriculture, became a part of the new college. Having an enrollment of 400, the college had been established as a department by the Board of Regents in 1904.

Plans were designed for expanded architectural facilities on which construction will begin in 1964. A major portion of the three floors to be built atop Engineering Lecture Hall, adding 15,000 square feet of floorspace, was allotted to the newly formed college.

Late nights in Seaton, which remains open until midnight, are common as a semester draws to the close.

In international competition, six K-State men were honored for their designs of concrete masonry playground equipment. Other students were recognized for design of a prefabricated aluminum exhibition building and imaginative use of brick in building plans.

In charge of K-State's architectural program since 1955, Dean Emil Fischer now heads the new college.

Work on final design problems for fifth year theses is supervised by a visiting architectural authority.

Returning from a term sabbatical, Dean Doretta S. Hoffman resumes duties as Home Ec administrator.

College of Home Ec Initiates Conferences

Under the supervision of Associate Dean Ruth Hoeflin, the College of Home Economics initiated a freshman group advisement and conference program. Entering freshmen met in regularly scheduled group sessions with members of the dean's office to discuss curriculums and class schedules.

Participating in the tenth International Congress of Home Economics in Paris, Dean Doretta S. Hoffman and other home economists later toured Helsinki, Stockholm, Moscow, Copenhagen and Leningrad. In each city, the group studied the family life, mores and social standards of the people.

Returning to America, Dean Hoffman engaged in post-doctoral studies in family research and anthropology at Columbia University. She returned to KSU in January.

Home Ec Programs Emphasize Research

Home economics research involved both faculty and students. Institutional Management's quantity foods research, in the areas of management and food production, included efficient use of manpower and the preparation and service of beef. Qualities of meats, poultry, fruits and vegetables and convenience foods as well as problems of human nutrition were studied by the Department of Foods and Nutrition.

Faculty research in Clothing and Textiles included consumer orientated projects such as evaluation of cotton sheets and basic research involving mechanisms of fabric stress, strain, absorption and performance.

Consumer credit and household equipment efficiency were studied by Family Economics while Family and Child Development research focused on the honors program.

Histological studies of meat in varying conditions of preparation are made in the foods research lab.

Along with other administrative duties, Dean Harold Howe presides over Research Co-ordinating Council.

Grad School Confers 350 Student Degrees

Conferment of more than 350 masters and doctoral degrees boosted the number of degrees awarded by the Graduate School since 1868 to 5,109. K-State's first Specialist in Education degree was awarded in 1963.

More than $45,000 was allocated in research grants by Research Co-ordinating Council to applicants from any school or department. Headed by Harold Howe, dean of the graduate school, the council subsidized research on the biochemistry of short term memory, the conversion of the American Indian, the utilization of audio-visual material and many other scientific projects.

Serving its last year before reorganization to more fully represent all areas of graduate work, the ten-member Graduate Council, headed by Dean Howe, functioned as the graduate faculty's executive committee.

Under the new Council plan, to become effective in September, 1964, eight members will be added. In addition to one member from each college and school, representatives from the humanities and the biological, physical and social sciences will be elected.

After 16 years as veterinary medicine dean, Elden E. Leasure retires from administration in July.

Dr. Leasure Retires From Administration

Retiring from his administration duties, Dean Elden E. Leasure planned to remain for five years teaching in the College of Veterinary Medicine and doing research in the area of animal diseases. In 1960 Dr. Leasure was installed as President of the AVMA. He was a member of a team surveying Nigeria's northern region in 1962. In 1963 he was chosen Kansas Veterinarian of the Year.

Construction provided new facilities and equipment for training. At a cost of about $25,000, the attic of Burt Hall was remodeled for the use of graduate students and others engaged in research. A new surgical laboratory was also installed on the second floor of Dykstra Hospital. The activities of the surgical lab were to be coordinated with those of the diagnostic lab where there were 10,446 diagnostic tests for animal diseases made during 1963. Of the capacity enrollment of 272 students in the College of Veterinary Medicine, nine students were women.

Research Seeks Cure For Animal Diseases

Thirty animal disease research projects, ranging from a study of rabies to a study of blood parasites, were conducted by members of the College of Veterinary Medicine. One project was directed toward the development of a splint device for treating bone fractures in large animals. In the past, the patient's weight had made it difficult to accomplish sufficient immoblization of the animal in order to allow the broken bones to heal.

A $7,500 research grant was presented to the College for the study of pink eye. Researchers studied the possibility that pink eye might be associated with a virus which could be treated with vaccine.

Another research team made comparative studies of the ulcers in swine and man. Results obtained from the examination of 600 stomachs showed indications that ulceration was preceded by a change in the stomach lining. Public health protection also drew the interest of the college personnel.

Revised Constitution Changes Ag Election

Revisions in the constitution for the Agriculture Council established new procedures for election. The 34 council members, representing the 14 agriculture clubs, approved the measure calling for the selection of officers through a nominating council. Another change required that amendments have a three-fourths vote of the council.

A & S Administrator Meets With Council

Meeting with Dean John Chalmers, new administrator of Arts and Sciences, the Arts and Science Council discussed the intellectual atmosphere of the University.

The council also began plans for an Arts and Science scholarship to be awarded to an underclassman. For the first time they participated in the Activities Carnival.

Commerce Publishes Business Newsletters

Election of officers and formation of a constitution were among the fall activities of the new Commerce Council. Headed by Bill Trenkle, the 15-member organization published two student-faculty newsletters each semester. The council also appointed a representative to the Student Senate and discussed a freshman orientation program.

Engineers Establish Exchange With KU

Initiation of an engineering open house exchange program between K-State and KU was achieved through the effort of the Engineering Council. The group co-ordinated the professional engineering societies and united the College of Engineering with the other six colleges on campus. The council also directed the spring Engineers' Open House.

Council Organizes Home Ec Projects

Working as a co-ordinating unit for the eight home economics clubs, the Home Economics Council selected the finalists for the FMOC contest. In previous years, a faculty-student panel made the selection.

The group sponsored Hospitality Day and a "Take Home Emonomics Home" program, planned to interest high school students.

Graduate Association Schedules Activities

Promoting fellowship among graduate students, the Graduate Student Association organized square dances during fall, spring and summer sessions. The eight member council, headed by Conrad Dean, worked with foreign graduate students, helping to solve problems and answer questions. A bridge club and a bowling league were other activities.

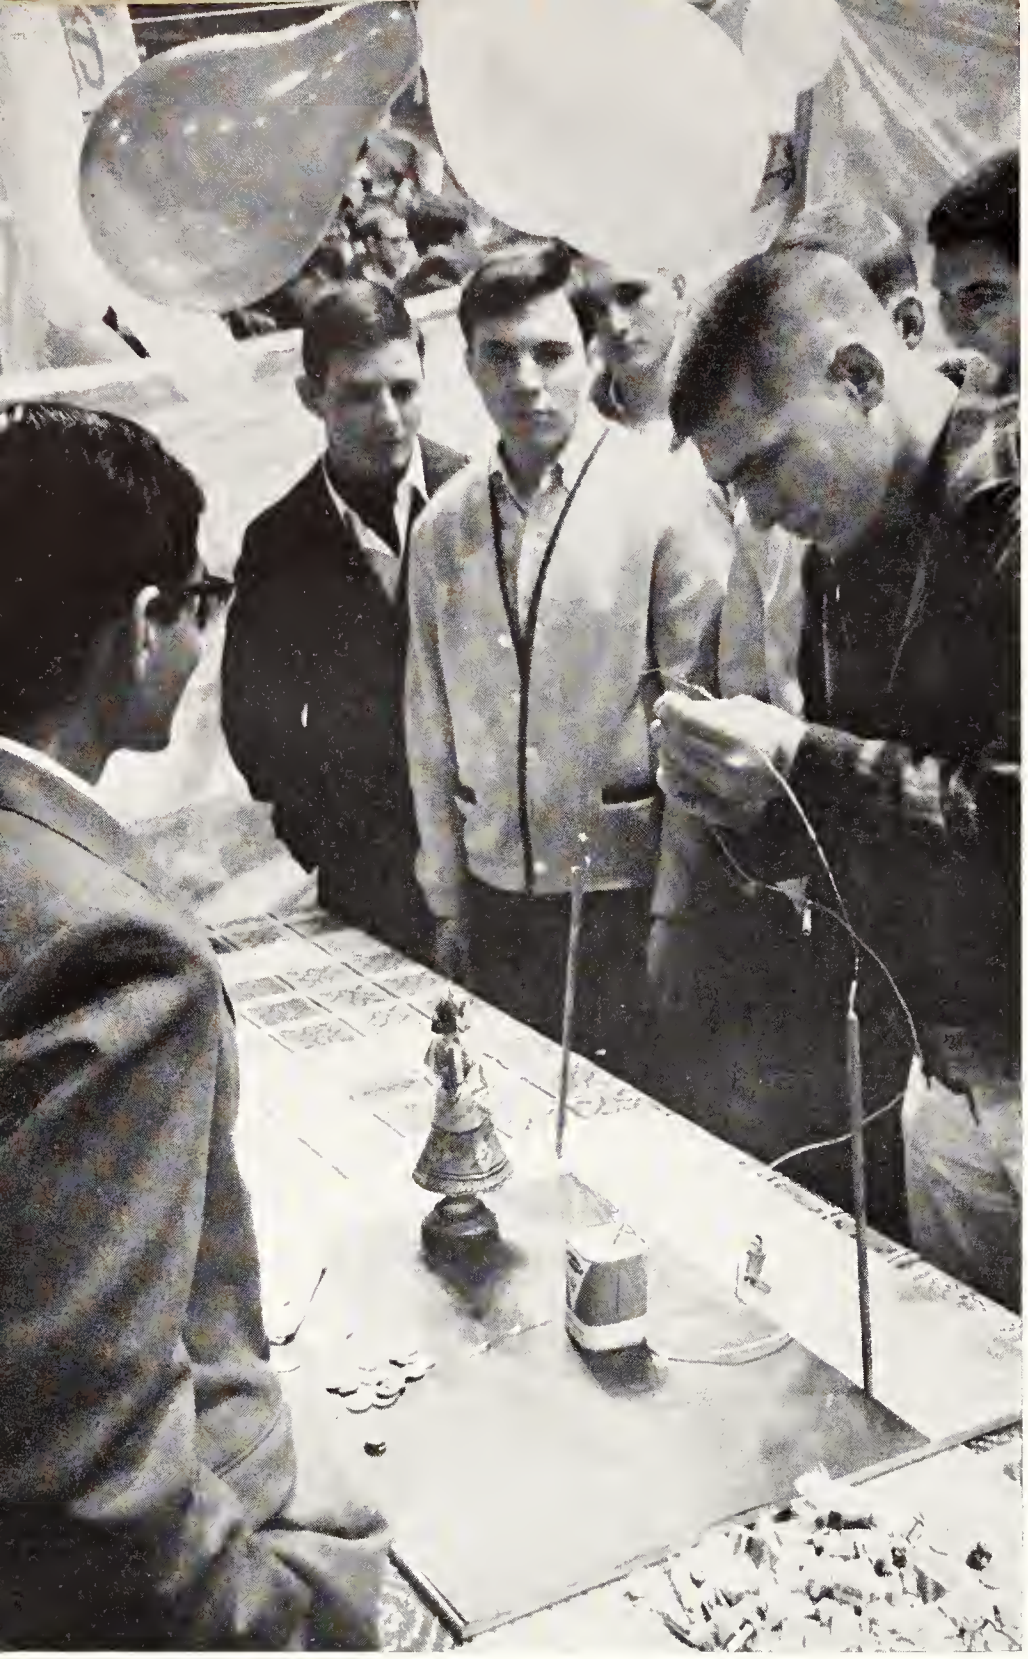
Vet Council Governs Association Members

Functioning as the governing body of the Student Chapter of the American Veterinary Medicine Association were the nine members of the Veterinary Medicine Council. A representative from each class plus five elected representatives belonged to the group.

The council, guided by President Martin Robl, worked at Veterinary Open House. Members also planned a spring picnic for the Oklahoma State Veterinary School.

Functioning as center of student social activities, the Student Union provides recreational and dining facilities for dates and class breaks. It also offers banquet and meeting rooms for organizations.



Senate Recommends Hike in Activity Fee

To help increase the financial support of athletics, the Student Senate recommended that student activity fees be increased five dollars. Headed by John Mick, fall chairman, the Senate also initiated a communications program in which the senators visited living groups to inform residents about Senate affairs. Until the Student Governing Association election in March, Vice-chairman Ron Hyson presided over the Senate.

Cooperating with city officials, the group worked to change the weekend curfew at Bluemont and Warner parks. Members working with the library committee, also helped to change the library hours. The Senate also assisted in sponsoring the fall Peace Corps Week and Junior Leadership Day.

Delegates represented the Senate at the Conference on Human Rights at Washington, D. C., the Conference on Higher Education in Kansas at Lawrence and the Midwest Model United Nations at St. Louis.

Approving events such as the Wildcat Carnival, Student Senate promotes campus activity participation.

Debating issues in the 1964 Student Governing Association elections, Jerry Kohler and Ronald Hysom appear at a student forum. This was the first time that SGA presidential candidates staged a debate.

1963 Integrity Wins Top SGA Position

Defeating the University party candidate by a narrow margin of 131 votes, Integrity candidate Gary Mundhenke became 1963-64 president of the Student Governing Association. For the first time, IBM machines were used to tabulate the student election returns.

Integrity representatives were also elected to the Board of Student Publications and the party's candidates won 13 of the 25 Student Senate positions. Co-ordinating the Senate with the administration, Mundhenke worked to gain approval of the increase in the student athletic fees and helped to establish a dean of students committee composed of student leaders and Dean Chester Peters.

Only one Integrity candidate received a victory as Ron Hysom led the University party in its sweep of the 1964 SGA elections. University won 24 Senate positions and the three Board of Student Publications seats.

Student Governing Association President Gary Mundhenke heads the representatives of the student body.

Presiding over fall Tribunal hearings, Chancellor Frank Jordan guided decisions of the judicial body.

Student Court Hears Honor Code Cases

Orientation of the student to his responsibilities concerning the K-State honor code was the primary duty of Tribunal. The five student justices and the five faculty justices, representing each of the five undergraduate colleges which had formed councils at the beginning of the year, met twice each month to hear cases involving the violation of the K-State honor and conduct codes. The decisions made by Tribunal were referred to Chester Peters, dean of students.

The five student justices were selected by the individual college councils and then given final approval by Gary Mundhenke, student body president. The justices were appointed to serve on Tribunal for a three year term or until they graduated. Frank Jordan served as Tribunal chancellor for the fall semester and James Theising presided over Tribunal during the spring semester hearings.

Crossing over the bridge, residents of the women's dormitories head to their classes. All coeds are members of AWS and are represented at association meetings by delegates from living groups.

AWS Sponsors Rules, Policy Convention

Policies and trends for the women of K-State were discussed and reformulated at a spring rules committee sponsored by the Associated Women Students. President Sandra Matthaei led the group as they assisted with the ticket sales for the Manhattan Artist Series and co-sponsored the selection of Miss K-State-Manhattan. Money making projects for the women's organization included two Penny-A-Minute Nights.

Board Appropriates Funds for Activities

Controlling the student activity funds, the Apportionment Board appropriated almost $300,000 to more than 40 campus organizations for use in student activities. With a membership composed of three students and three faculty members, the board was directed by Chairman Gary Mundhenke.

Publications Board Forms Press Policy

Composed of three faculty members and three students elected by the student body, the Board of Student Publications managed the publication of the Collegian, Royal Purple and Student Directory. The group functions as an administrative group making decisions concerning the publications.

Board of Student Publications—Byron E. Ellis, Karen L. Chitwood, Marilyn A. McMillen, Fritz Moore, Jerrold D. Kohler, Ralph R. Lashbrook.

Students Ski, Travel On Union Outings

New York World's Fair was the destination of a spring trip sponsored by the Union. Other group trip projects of the Union were the annual semester skiing in Colorado and a 1964 European tour of major points in Europe including Paris, London, Munich, Innsbruck and other famous cities.

Completing the first full year in its new million dollar addition, the K-State Union continued to expand its program and services for members of the University community as well as campus visitors.

Experiencing several record-breaking months, the Union lived up to its host to the campus role by accommodating over 2400 banquets, conferences and conventions.

More than 300 students worked on the ten committees that planned the Union activities. Formulating Union rules and regulations was the responsibility of the Governing Board.

Completing his first year of supervising the activities of the Union is Director Richard Blackburn.

Perched precariously atop a ladder, Union committee members deck the halls with Yuletide tumbleweeds.

Coed Bowler Enters Games Tournament

Lou Ellen Clark was among five regional winners and earned the right to represent K-State in the National Intercollegiate Games Tournament in Minneapolis, Minn. The tournament is sponsored each year by the Union which also sponsors Big Eight and Kansas-Nebraska Conference bowling.

Recently expanded the Union recreation facilities included 16 bowling lanes, 5 ping pong tables and 18 tables for billiards, snooker and pool. The Union also provided cards, chess, checkers, baseballs and bats, horseshoes and badminton and golf supplies.

Beginning bridge lessons as well as the annual bridge tournament and league bowling were sponsored by the K-State Union.

Competition is the key word in tournaments. The Union sponsors bridge, chess and bowling contests.

Discussing foreign affairs, Tran Van Chuong, former South Vietnamese ambassador and father of Madame Nhu, discusses Vietnam's problems. Informal sessions were held in the Union after convocations.

Students study, read and listen to music in the Union browsing library.

Union displays such as the Peace Corps booth attract student attention. The location is also reserved for voting booths.

ORGANIZATIONS

Photo by David von Riesen

THROUGHOUT K-STATE'S 1964 hierarchy of organizations runs a bi-colored thread, weaving both specialization and diversification into the total pattern of student activity on the modern campus.

This ambivalent nature of the campus organizations springs from the expanding scope of the University and its growing involvement with varied professions and careers.

Accordingly, the organizations which grew out of specialized fields began to diversify in order to correlate their activities with those of others. Religious groups sponsored political studies, fraternities began to stress cultural programs and honorary groups boosted athletics, thus finding a variety of common interests in their diversifications.

Gaining in popularity at K-State, as on other campuses in 1964, were the international groups, offering both a mixing of cultures and a common ground for students with similar backgrounds, beliefs and interests.

Tuttle Creek, with 16,000 surface acres, provides students with present and future recreation areas.

Blue Key Invites Pearson to Homecoming

Special guest at Homecoming was Kansas' Senator James Pearson, invited by members of Blue Key, senior men's honorary. Floats replaced house decorations as Blue Key and Alpha Phi Omega worked together in planning the K-State's first Homecoming parade.

A member returning from study in Germany raised membership to 14, varying from the traditional 13. Headed by Mike Davis, men painted merchants' windows with "Beat KU" caricatures to raise funds for Blue Key's $200 scholarship for a sophomore man.

Beginning her reign as Homecoming Queen amid an enthusiastic crowd of friends is Louanne Theilmann.

Presentation of the traditional white cape is made by Blue Key members after the announcement of the 1963 Homecoming Queen. Blue Key, in scheduling all Homecoming activity, arranged finalists' escorts.

Speaking at the Mortar Board Scholarship dinner last fall is Claude Shenkel. The geology professor stressed that the true worth of a person is determined in terms of the objects she pursues.

Mortar Board Urges Scholarship, Service

Sending letters encouraging service, scholarship and leadership to freshmen women was a fall project of Mortar Board, senior women's honorary. To further stress aims of the group, members again planned an all-women's scholarship dinner. At the event, Mary Messenger, president, awarded Mortar Board's $150 scholarships to two outstanding freshmen women.

For the first time, members sold mums at Parents' Day as well as Homecoming. Working with Blue Key in K-State's Centennial display at the Kansas State and Midwest Fairs was another activity of the 18 women.

Chimes Women Host Parents' Day Events

Activities for the annual Parents' Day, including the plans for the half-time program and the selection of honorary parents, were made by the members of Chimes, junior women's scholastic honorary. The 19 women served as hostesses at the annual fall tea for women transfer students. Headed by Karen Carey, president, the group also adopted a needy family at Christmas time.

Entertaining transfer women at the annual fall tea was a social activity for the women in Chimes.

Alpha Lambda Delta Honors Senior Coed

Honoring Janet Butel, the 1964 senior with the highest grade average, was Alpha Lambda Delta, scholastic honorary for freshmen women. Also honored at a spring banquet were seniors maintaining a 3.5 average.

Under the leadership of Beryl Ann Shaw, president, and Minerva Pinnell, faculty sponsor, the 41 members of the honor society met with women living in dormitories to give scholarship counseling. At these regularly scheduled dorm corridor meetings, members discussed study aids and academic problems.

Scholastic Honorary Provides Study Aids

Distributing "How to Study" pamphlets to freshmen English classes was a service project of Phi Eta Sigma, freshmen men's scholastic honorary. Monthly meetings with special speakers from K-State's faculty and staff helped emphasize on scholarship.

Freshmen men with a 3.25 grade average were entertained at the honorary's annual spring smoker and new initiates of the group were recognized at a banquet sponsored jointly with Alpha Lambda Delta. The 59-member group was led by Dave Parker.

Gold pins in the shape of scholarship keys became the badge of a Putnam scholar. Freshmen in the Henry J. Putnam Memorial Scholarship Association received pins in a ceremony at the annual banquet, which featured President James A. McCain as keynote speaker. Pins for all members were provided by the Endowment Association.

Sigma Tau Chooses Open House Royalty

Engineers' Open House Activities began with the selection of finalists for St. Pat and St. Patricia by members of Sigma Tau, engineering honorary. Under President John Thorngren, the society recognized sophomores with the highest grade averages in nuclear, electrical and agricultural engineering at an annual initiation banquet.

Service Club Trains District Boy Scouts

Organizing a junior leader training course for district Boy Scout troops was a new project for the members of Alpha Phi Omega, national service fraternity. Classes were conducted by members under the direction of Charles Hively, president.

Displaying Touchdown VII, Wildcat mascot, at home football and basketball games was another activity of the organization. The members conducted a student book exchange both fall and spring semesters.

Phi Alpha Mu Cites Sophomore Women

Sophomore women with a 3.0 grade point average were honored at a spring tea sponsored by members of Phi Alpha Mu, scholastic honorary for women in arts and sciences. Vernita Peeks was recognized by Pat Rash, president, for having the highest grade average in the College of Arts and Sciences during her sophomore year.

The honorary's membership was increased to 34 after spring initiation ceremonies for 14 junior and seven senior women.

Speech Honor Clubs Accomplish Merger

Completion of the national merger of Delta Sigma Rho and Tau Kappa Alpha, forensic honoraries, was accomplished this year. On the K-State campus, the group sponsored an extemporaneous speech contest and presented an award to the outstanding speaker in the Mock Political Convention.

Delta Sigma Rho—Top Row: David H. McMullen, Anita G. Taylor, Gladys K. Bryson, Terry A. Welden. *Bottom Row:* Ted J. Barnes, Robert D. Crangle, Garry D. Kepley, Nelson J. VanGundy.

Journalists Sponsor Banquet, Conference

Honored at the annual Matrix Table Banquet of Theta Sigma Phi, women's journalism honorary, were an outstanding woman journalist in Kansas and a woman civic leader from Manhattan. Activities of Sigma Delta Chi, men's journalism honorary, included sponsoring a publicity conference for campus organizations and editing the April Fool Collegian. Planned by both groups was the department Christmas party.

Educators Encourage Teacher Recognition

Participating in activities of Phi Delta Kappa, men's professional education honorary organization, were educators both on the K-State campus and in the community. The group, led by Dr. Raymond J. Agan, sponsored a Future Teacher recognition program for students and a luncheon.

Business Executives Aid Alpha Kappa Psi

Participation in technical meetings with business executives was a part of tours of business facilities made by members of Alpha Kappa Psi, commerce and economics honorary fraternity. The group annually presents a scholarship key to the outstanding senior in either commerce or economics.

Geologists Schedule Field Trip to Ozarks

A four-day field trip to the Ozarks, Gulf Coastal Plain and Magnet Cove area was made this spring by eight members of Sigma Gamma Epsilon. Led by Robert Ardell, the geology honorary sponsored speakers for the Williston Geology Club and helped to strengthen the departmental library.

Milling Organization Honors Scholarship

With Kansas State the only university in the United States offering a curriculum in milling, the only chapter of Alpha Mu functioned on this campus. At its annual banquet, the milling honorary recognized the freshman with the highest grade point average in the milling department.

Geography Society Hears Field Experts

Monthly meetings of Gamma Theta Upsilon often included lectures and discussions led by experts in the field of geography. Organizing a spring picnic for the 34-member geography honorary was President Tom Brettschneider. The group also traveled to the Ozarks on an inspection trip. Membership requirements were a 2.5 grade average in geography courses and an upperclass rank.

Omicron Nu Women Receive Cost Study

Correlation of the price of making linens with the retail cost was a research project presented by a graduate student at a monthly meeting of Omicron Nu. Led by Linda Gillmore, president, the scholastic honorary for upperclass women in home economics entertained at a scholarship dessert for sophomores in home economices who have maintained a 3.5 or above grade average.

Alpha Zeta Member Receives Scholarship

Recipient of a national scholarship worth $500 from Alpha Zeta, agricultural scholastic honorary group, was Lawrence Schroeder. The 58 members of the local chapter, led by Lyle Smith, president, strove to promote scholarship in the agricultural field. Fifteen upperclassmen who achieved 2.8 grade averages were initiated in the fall.

With John Rhoades, Jack Catlin and Hyde Jacobs as advisers, the men of Alpha Zeta gave blood donations to area hospitals as a community service project. The organization also ushered for the Little American Royal and the Ag Science Day shows.

Music Honor Society Wins District Award

Outstanding work on the district convention in 1962 won a recognition award for the K-State chapter of Mu Phi Epsilon, honorary for women in music. Activities of the group included a music therapy project, and participation in the Feast of Carols. Members also entertained at a party for freshmen coeds who were majoring in music.

Debaters Participate In Speech Contests

Members of the Forensic Union were among the top teams entered in the Harvard and Northwestern debate tournaments last spring. The 25 member organization sponsored a fall intra-squad tournament to give the new debaters experience in collegiate debate. The group, established at K-State in 1956, planned debating trips and meets.

Phi Upsilon Omicron Plans Honor Plaque

Plans to give recognition to an outstanding home economics freshman through a permanent plaque in Justin Hall were made by Phi Upsilon Omicron, national professional and scholastic home economics honorary. Led by President Anita Wilson, the members participated in Hospitality Day, served as guides for groups touring Justin Hall and collected magazines for the Student Health Center reception rooms and patients.

Med Tech Honorary Entertains Members

Members leaving for their year of training in a hospital were entertained at a farewell party sponsored by Alpha Delta Theta, professional sorority for medical technology. The organization annually presents the Carl Dorf Memorial Scholarship. Other activities of the group included having an information booth at the activities carnival, a founder's day banquet and an old-fashioned taffy pull at their Christmas party.

Radio-TV Honorary Wins National Prize

Receiving the national fraternity's Radio Production Award last spring in nation-wide competition was the K-State chapter of Alpha Epsilon Rho, radio-television honorary. The organization toured an advertising agency and broadcasting stations during a fall field trip to Wichita. With the help of Rich Hayse, president, a three-hour Christmas Program on KSDB-FM was produced.

Steel Ring Arranges Open House Details

Co-ordinating Engineers' Open House was a year-round job for the 17 members of Steel Ring, engineering honorary. The men met twice monthly during the year with other engineering and architecture groups to plan publicity, select judges and set the theme.

Awarded by Stuart Leonhart, president, the honorary's $50 scholarship went to Ron Bestwick, agricultural engineering junior.

Founder Addresses Speech Pathologists

Dr. A. W. Knox, who founded the K-State chapter of Sigma Alpha Eta in 1958, returned as guest speaker at a speech pathology banquet last spring. Linda Mull was chosen as the outstanding 1963 speech pathology student by the honorary. Her selection was made on the basis of grades, quality of supervised therapy and interest in the profession. The group was also host for the Kansas Speech and Hearing Association Conference during the fall semester.

Delta Phi Delta—Top Row: Judith J. Bower, Mary E. Hanni, Karen S. Billingham, Mary C. Miller. *Bottom Row:* Seth T. Evans, Michael H. Collins, Dennis E. Navrat, Kenneth A. Miller.

Artists Pick Student As Award Recipient

Shui-Shuen Tse was awarded the annual Delta Phi Delta scholarship which is presented to an outstanding art student with financial need. The national art honorary sponsored various art exchange exhibits both in Kansas and around the country.

Capitalizing on their artistic talent, members displayed and sold their works in the annual Thieves' Market in the Union. Nearly $400 was collected during the sale.

Civil Engineers Host Highway Conference

Acting as hosts for the 3-day Kansas Highway Conference, Chi Epsilon conducted tours and provided meals for the visiting civil engineers. Founded by students at the University of Illinois in 1922, the honorary for civil engineering students was organized on the K-State campus four years ago. The engineers sponsored their fall and spring initiation banquets and constructed a display booth for Engineers' Open House.

Phi Lambda Upsilon Honors Scholarship

Recognition of outstanding papers submitted to the Kansas Academy of Science meeting by K-State students was given by Phi Lambda Upsilon. Composed primarily of graduate students, the chemistry honorary also planned a lecture program for the spring. Certificates of honor for scholastic excellence in chemistry for undergraduate students and research awards for graduates were presented at the spring initiation banquet.

Architects Initiate 13 Into National Society

Highlighting fall social activity for Tau Sigma Delta was a dinner at which 13 members were initiated. Members of the society had to maintain a 3.0 grade average in architecture and allied courses.

Organized for outstanding students in the field of architecture and allied arts, the honorary planned a series of noon-hour luncheons to hear guest speakers. Jim Jenkins, president, co-ordinated club activities with Faculty Adviser John Helm.

Eta Kappa Nu Booth Illustrates Advances

Changes in the K-State electrical engineering curriculum over the past years were shown in the Eta Kappa Nu display at the Engineers' Open House. Members of the honor society, led by President Glen Fountain, are selected on the basis of outstanding academic achievement in the field of electrical engineering. One of the largest pledge classes in the history of the K-State organization was initiated in fall ceremonies bringing the total active membership to 52.

Omicron Delta Epsilon—Top Row: Frederick C. Lamphear, Thomas E. Kelly, El-Dahab M. Abou, Kent L. Hutchins, Donald F. DeCou, Gee-Sum L. Lin. *Second Row:* John A. Nordin, Robert L. Economics Society Hears Guest Reports

Functions of the President's Consumers' Advisory Council were explained to the members of Omicron Delta Epsilon by Dr. Richard Morse, head of the family economics department. A Kansas State Teachers Association member discussed federal aid to education with the economics honorary. Six students were initiated into the organization in fall ceremonies. Juniors and seniors with a 3.0 average were eligible for membership.

Engineering Group Reviews For Exam

Sponsoring review sessions for the Engineer In Training examinations was Pi Tau Sigma, mechanical engineering honorary. The 45 members helped to conduct the casual reviews for the tests given each year to graduating seniors in engineering.

One of 74 national chapters, the honorary initiated new members in both fall and spring ceremonies. Members must be of at least junior standing and have a 2.7 grade average.

Pi Tau Sigma—Top Row: Chester L. Nachtigal, William E. Palmer, Phillip D. Enegren, Jim VanDoren, Ernest W. Griffith. *Bottom Row:* Marlin D. Breer, James R. Jaax, David E. Banks, Donald R. Dicken, John L. Atkisson.

Modeling winter fashions in their December fashion show are members of Angel Flight. The 50 members presented the show as a project to raise funds for their spring trip to the Mardi Gras parade.

Mardi Gras Parade Attracts Angel Flight

Marching in a 10-mile Mardi Gras parade was the highlight of a two-day trip to New Orleans for the 50 members of Angel Flight, an honorary drill team. To raise funds for the trip, the women staged a style show on campus and sold coffee and doughnuts in the Military Science Building's lounge.

Precision maneuvers mapped out by Jeanne Cloud, drill commander, Capt. Joel Hetland, sponsor, and a drill committee were performed at a basketball game half-time. The Flight also marched in the Homecoming parade and in the spring ROTC review. New members were selected at the Flight's fall tea.

Milling Students Discuss Career Futures

To encourage high school students to explore career opportunities in the milling industries, members of the Milling Association set up exhibits at the annual Ag Science Day. The men also talked with the students about their future possibilities for careers in the related fields of agriculture.

K-Staters majoring in feed and milling attended monthly seminars at which speakers from the flour and feed industries appeared. Seminar topics included problems of grain storage and the future of electronic computers in the feed industries. Among the social activities of the students and faculty sponsor, John Johnson, was a picnic held at Warner Park during the spring semester.

Dames Provide Food For Local Families

Distributing Christmas baskets of food to several needy families in Manhattan was a special service project of the Dames Club. A social organization, the membership of the Dames Club was composed of wives of students and married women attending the university. The K-State chapter, chartered in 1954, had a membership of approximately 250 in 1963. Sandy Parsley, president, directed the various projects of the club.

Among the activities of the club were a Christmas party for the members and their children and a spring dance and banquet. They also had a spring rummage sale. Talent shows and various speakers were presented at the monthly meetings. The women also participated in groups such as bowling teams, bridge clubs and knitting circles.

Dairy Club Displays New Plant Facilities

Conducting tours through new dairy plant facilities in Call Hall during Ag Science Day events were members of the Dairy Science Club. Larry Larson, 4-H IFYE to Austria, appeared as guest speaker at a club meeting. Directed by President Leland Anderson, the organization sponsored a spring dairy judging contest, co-sponsored the Little American Royal and provided meals for delegates to the February Formula Feed Conference.

Ag Econ Club Hosts Regional Conference

Plans for an April regional meeting of Agricultural Economics Clubs were made by the members of the K-State chapter. As host, the local group provided the speakers and planned meetings and a banquet.

Roy Freeland, secretary of the Kansas State Board of Agriculture, appeared as guest speaker at a monthly meeting of the club. With President Clarence Rippe, the group prepared an Ag Science Day Exhibit.

Conservation Club Teaches Boy Scouts

Representing the K-State chapter at the national Soil Conservation Society convention in Utah last summer was Robert Keen. Working with local Boy Scouts and introducing them to the fundamentals of conservation was a civic project of the 15-member conservation organization.

With Michael Falter, president, the group assembled a booth for display at the Manhattan Outdoor Show. Members and their wives also attended fall and spring picnics.

Future Medics Study Professional Areas

Exposing members to the difficulties, thrills and challenges of all phases of medicine, the Clinic Club functioned under the leadership of David Richardson, president, and E. J. Wimmer, adviser. Monthly meetings featured such speakers as a local surgeon, a medical sociologist and a dentist. The group also toured local hospitals and the KU Medical Center and selected a chapter representative to attend the Pre-Medicine Orientation Conference In Kansas City.

Professor Explains Operation of Reactor

Operation of Triga Mark II, K-State's nuclear reactor, was explained to the American Institute of Physics by Robert W. Clack of the Department of Nuclear Engineering. The physics organization, a federation of five principal professional societies in the field of physics, also heard a lecture by John F. Freeman. He discussed the comparative attitudes of laymen toward the laws of physics and the laws of social sciences.

Bell Telephone Company physics films were shown at meetings of the group. The 26 members sponsored fall and spring picnics for members of the physics department.

Political Club Writes Convention Platform

Planning and participating in the Mock Political Convention, the members of the Political Science Club served on the platform committee. Other places on the committee were held by convention delegates.

Jan Sramek, president, conducted the biweekly business meetings which featured guest speakers such as Robert Clarke of the Political Science Department. Susan Eckert discussed her trip to Europe. The club also sponsored a book sale and a booth at the spring Water Sports Carnival.

Nuclear Students Conduct Reactor Tours

Conducting tours through the Trigga Mark II Reactor and explaining the projects on display at the Engineers' Open House to campus visitors were members of the American Nuclear Society.

Programs featuring films and speakers were scheduled for the 145 members by President James Royer. One guest lecturer discussed reactors and associated problems at Hanover, Wash., where atomic fuel is produced. Richard Rogers, chairman of the Republican State Central Committee, emphasized the engineer's place in politics. Social activities included a fall picnic as well as a spring banquet at which seniors were honored as guests by the chapter.

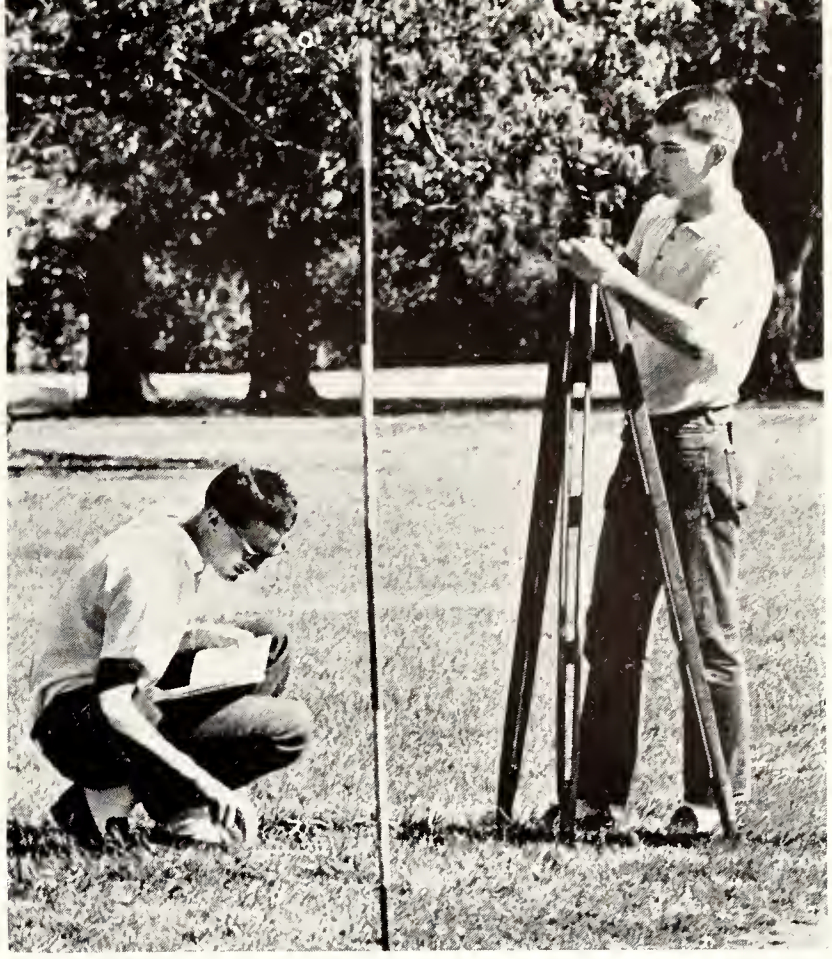
Engineering Society Wins National Award

Recognition as one of the outstanding student chapters in the nation was received by the American Society of Civil Engineers. This marked the sixth consecutive year that the K-State chapter has been awarded the Certificate of Commendation.

Semi-monthly meetings planned by president Richard Cunningham provided informative lectures for the engineers. Activities included a fall dinner dance and an exhibit for the Engineers' Open House. They also placed third in the independent intramurals.



Surveying and plotting areas on the campus provide practice for students in civil engineering.

Professional Men Speak at Student Forum

Acquainting members with professional engineers through a Student Industrial Forum was one of several projects supervised by the American Society of Mechanical Engineers. Students also traveled to Kansas City to meet and talk with engineers working with various industrial firms. The industries also provided campus speakers.

Activities planned for the club by President Dawson Ward included the annual banquet with the KU chapter. The society sponsored the annual spring picnic for all mechanical engineering students and faculty members. J. C. Lindholm, faculty adviser, directed the activities of the organization affiliated with the professional society.

Military Corps Aids Engineering Society

Sponsoring KSU's Society of American Military Engineers was the Kansas City branch of the Army Corps of Engineers. Capt. J. W. Bryant, sponsor, and Ed Gonzales, president, directed the activities of the 30-member group. Providing an introduction to military engineering, the organization toured projects of the Kansas City Corps.

Landscape Students Await Accreditation

Accreditation procedures for the K-State Landscape Architecture curriculum were initiated by the 55-member Student Society of Landscape Architecture. Under the leadership of President Ralph Sherman, the group sponsored frequent inspection trips. They also redecorated the Quinlan Library and Thesis Room to provide a better study area.

Chem Institute Hears Industrial Speakers

Speaking at a meeting of the American Institute of Chemical Engineers was Robert H. Madison of a national plate glass company. Other representatives from the fields of education and industry also presented programs at the monthly meetings. Members attended a regional meeting of campus chapters at Washington University in St. Louis.

Electrical Engineers Tell Company Needs

Industrial speakers representing firms which employ electrical engineers appeared at the monthly meetings of the Institute of Electrical and Electronics Engineers. In its second year of organization, the club was led by President Don Jelinek and sponsor M. C. Cottom. Social activities of the group included a fall smoker and a banquet.

In kneeling position, Varsity Rifle Team members take careful aim as they compete in the KSU Turkey Shoot. The team annually sponsors the event which is the largest indoor collegiate rifle competition.

Rifle Team Member Named All-American

Winner of four Big Eight championships in the last five years, the K-State Varsity Rifle Team ranked among the top collegiate squads in the nation. Margaret Thompson, repeatedly a medalist contender, was named to the All-American college rifle team.

Competing in many of the outstanding meets in the country, K-State frequently contested for top honors. The squad snared third in the KSU Turkey Shoot, the largest indoor rifle meet for college teams. Over 40 squads fired during the two-day event. Michael Wentz was chosen team captain and Charles Nelson served as faculty manager.

YWCA Plans Study Of Religion, Society

Studying a program relating religion to education, the 40 members of the Young Women's Christian Association conducted discussions about various religious factors which affect society. Meeting at the Baptist Student Center, the group was headed by President Johnette Scott.

International gift items were sold at the November Y-Mart which is sponsored each year by the organization. Using proceeds from the sale, delegates attended a YWCA regional conference in Estes Park, Colo. The club also initiated such projects as contributing to the United Fund campaign and doing social service work at Wharton Manor.

Ag Ed Wives Hear Southern Rhodesian

Acquainting the Agicultural Education Wives Club with her native country, Mrs. Robert Madziya, a student from Southern Rhodesia, appeared as guest speaker at a club meeting. A fall Idea Night featured members' hobbies and interests. At the annual convention of Vocational Agriculture Teachers, the 18 K-State chapter members entertained visiting wives with a tea.

Pilots Emphasize Air Safety Procedures

Discussions and films emphasizing air safety were features of the monthly meetings of the K-State Flying Club. Led by President E. M. Pyle, the club cooperated with the Civil Air Patrol by following safety procedures. The organization also sponsored an instruction program through which members who were not qualified pilots worked to log the 40 hours necessary to earn a license. Two members gained instructor status.

Based at Manhattan Airport, the club's three planes were available for the members' personal uses and enabled the group to fly at rates as low as $4.50 per hour. Because membership is based on the purchasing of shares, club membership was limited to 37.

FFA Gives Lectures At Chapter Meetings

Serving as guest speakers at high school Future Farmers of America chapter meetings, members of the Collegiate FFA assisted the chapters with their work. The club also supervised housing and a banquet for the state FFA convention. The K-State organization was represented at the national convention in Kansas City by Ross Crane.

Soccer Team Plays Eight Game Schedule

Playing an eight game schedule were members of the Soccer Club. Independent of the athletic department, the 30-member team was organized last year and is currently sponsored by the modern language department. Captain Assa Desire directs Saturday practices. Team members include students from Europe, Africa and South America.

Casting their votes on an issue at the club's business meeting are the members of the Pre-Vet Club. The group participated in campus activities and in the Veterinary Medicine Open House.

Pre-Vet Club Grants Yearly Scholarship

For the first time members of the Pre-Veterinary Medical Club awarded a scholarship to a freshman entering Veterinary School. Funds for this new annual program were raised through money-making projects.

Under the leadership of President Bill Bryant, members participated in the Vet Open House by sponsoring a booth in which cartoon characters depicted the requirements necessary for admittance into Veterinary School. The club, guided by advisers L. T. Railsback and A. L. Goodrich, was also represented at the Wildcat Carnival. A steak fry completed the spring schedule.

Veterinary Men Win Intramural Football

Participating in intramural sports, members of the Student Chapter of the American Veterinary Medical Association placed first in the independent division of football. For the second consecutive year, the organization functioned with 100 per cent membership of students in the Veterinary School.

Under the guidance of advisers J. D. Rhoades and G. T. Hartke, members combined their efforts to prepare for the seventh annual Vet Medicine Open House. Exhibits in surgery, pathology, physiology, anatomy, bacteriology, and public health were displayed by appointed committees.

President Martin Robl conducted the biweekly business meetings which often featured guest speakers. Fall and spring dances were held at the Armory. The 274-member K-State AVMA hosted a spring picnic for Oklahoma State Veterinary students. Dean Elden E. Leasure announced awards to outstanding students at a spring banquet.

Auxiliary Entertains New Vet-Med Wives

Introduction of brides and freshmen wives at a fall tea was one activity scheduled by the Student American Veterinary Medical Association Auxiliary. The 126 members and their husbands planned a spring picnic for veterinary students and their wives from Oklahoma State University. The annual junior-senior banquet climaxed spring events.

Under the direction of President Janet Danielson, the Auxiliary undertook a drive to raise funds for a grants-in-aid program for veterinary students. To achieve their goal, members of the group sold candy to living groups and operated concession stands at the Veterinary Medicine Open House and the Manhattan Kennel Club Dog Show. Faculty sponsors for the organization were Mrs. E. H. Coles and Mrs. Lee Railsback.

Arab Students View Holy Land Pictures

Pictures of the Holy Land were the highlight at the Arabic Dinner for the 40 Arab-American Club members. Organized in 1958 in New York for Arab students in the United States, the K-State chapter was guided by Walid Kattan. Queen Scheherazade was crowned at the Arabic Party. The students also exhibited at the fall activities carnivial.

Islamic Organization Celebrates Christmas

To celebrate the Moslem Christmas season, the Islamic Association planned a banquet at which Moslem dignitaries appeared as guest speakers. The national organization was established at K-State in 1961. With President A. Asif Ali Hashmy, the 30-member group participated in the annual Convention of Moslem Students.

Travel Plan Creates American Good Will

Participating in the Summer Abroad program last summer were 23 members of the K-State People-to-People organization. The students traveled through Europe as people-to-people ambassadors. The Presbyterian Campus Center facilities were used for the Friday night meetings and activities which included forum discussions, parties and entertainment provided by students.

India's Ambassador Speaks At Assembly

Indian Ambassador to the United States B. K. Nehru was the featured speaker at the India Association's India Day program in February. Guests, which included Dr. Sherman Johnson, deputy administrator for foreign economics, participated in seminars on India's economic development and food problems. Also presented were documentary films, exhibits and a banquet.

Entertaining guests at the World Community Day International Festival in November is the Indian chorus. Sponsored by the United Church Women of Manhattan, the event was an inter-cultural exchange.

A wider acquaintance among Collegiate 4-H members is gained at an informal fall party. The club was organized in 1927 through the regional 4-H Club Department with the support of President Farrell.

Collegiate 4-H Promotes Service Projects

Integrating work and pleasure, members of the Collegiate 4-H Club joined together for the annual clean-up at Rock Springs Ranch near Manhattan. The 242 members kept active throughout the year to fulfill the club's role as a service and social group.

President Larry Frazee, accompanied by several club members, journeyed across the state to assist county 4-H clubs in various projects. The group also aided in setting up a food stand at the State Fair.

Construction of a float for the Homecoming parade captured the time and attention of many members, as did the planning of a mixer for the benefit of freshmen. A Christmas party, spring semi-formal and other social activities were chaperoned by Cecil Eyestone, faculty sponsor.

Perfecting a water ballet routine, Frog Club swimmers rehearse for their annual spring water show.

Frog Club Members Visit Pittsburg Clinic

Investigating new ideas in synchronized swimming, the Frog Club traveled to Pittsburg to attend a clinic. Present to demonstrate her winning solo routine was the Iowa State A. A. U. Synchronized Swimming Champion, Theresa Anderson.

Devoting a large share of practice to the spring water show, the Frog Club worked on dance compositions, synchronized swimming routines, and water stunts. With Orchesis, the club performed duet routines in costume and explained water stunts for high school visitors attending K-State's Sports Day.

Water Sports Club Finishes First Year

Completing its first full year on campus, the Water Sports Club sponsored the Wildcat Carnival as a fund-raising project. A racing shell donated by Purdue University prompted the scheduling of a spring race with the University of Michigan. Organized to promote safety in water sports, the club required that its members be able to swim.

Circle K Members Host District Confab

Members of the local Circle K Club were hosts for the Kansas District Circle K Convention. Established at K-State last year, the 21-member group sponsored a pancake eating contest and a safety campaign. A campus beautification program was also undertaken by Circle K, a service group for college men affiliated with Kiwanis International.

Providing worship centers on campus are the Danforth and All-Faith chapels. Music recitals and guest speakers as well as religious services are a part of the scheduled activities at the center.

Religious Council Presents "The Dialogue"

Presenting a documentary program, "The Dialogue," to organized houses and church fellowships were the members of the Religious Council. Composed of representatives from each religious organization on campus, the 25-member group was led by President Charles Straus. In preparation for a conference on church-state relations, the members participated in a program concerning the factors of religion and government.

Gamma Delta Learns Role of Christianity

"Baptism" and "The Christian in Today's World" were among topics discussed by the members of Gamma Delta, Lutheran student association. The 20 members assisted in leading the discussions at the weekly meetings. Under the direction of President Merle Soeken and Adviser Arland Pauli, the group planned a chili feed and a pancake fry.

Lutheran Fellowship Celebrates Founding

Celebrating their organization's 25th anniversary at K-State were members of the Lutheran Student Association. The group was chartered in 1938. The religious organization, which held weekly discussion sessions, was represented by Linda Niedenthal at a Quadrennial Student Christian Federation Conference in Athens, Ohio.

Baptist Organization Receives Top Honor

Receiving the First Magnitude Award, the highest award bestowed upon Baptist Student Unions by the Southern Baptist Convention's Student Department, was the K-State chapter of BSU. President Dale Schwartz and Sponsor Mrs. L. L. Dunn guided the 35-member group in planning the social activities of the year and in hosting the 1963 State BSU Convention.

Christian Fellowship Travels to Colorado

Combining with four other chapters of Inter-Varsity Christian Fellowship, the K-State Christian Fellowship chapter helped to sponsor an international student house-party in Colorado during Christmas vacation. The students, with sponsors Herb Moser and Vernon Larson, skied, hiked, skated and attended lectures on basic Christianity. The group also planned a picnic for Freshmen.

New UCCF Council Creates Leadership

Designed to give freshmen leadership experience, a freshman council was initiated by the United Campus Christian Fellowship. Rev. Emilio Puerto from the Philippines was guest minister for the group during the spring semester. The organization, composed of 2,000 members from five denominations, participated in five religious conferences.

Religious services and social activities of UCCF are conducted at the Presbyterian Campus Center.

Newman Club Hosts Regional Conference

Members of K-State's Newman Club were hosts to approximately 100 officers of the seven Newman Clubs in Kansas during Leadership Day. Promotion of Newman Clubs on campuses was the key subject.

The 375 members, under the guidance of Adviser Joseph Hajda, met bi-weekly for communion breakfasts featuring guest speakers from this campus, Marymount and St. Mary's. Father Patrick McAnanny discussed the church and state and Father Robert Vering spoke about Papal volunteers. Father E. J. Weisenberg, former chaplain for the school, also addressed the group. In addition, buffets followed by student-led discussions were planned every Sunday evening. Judy Jaax conducted weekly meetings.

During Orientation Day, freshmen and their parents were guided through the new Newman Club Student Center which was dedicated last April. Several dances, a fall picnic complete with hootenanny and two retreats were among the social activities.

Chapel, library, classrooms and kitchen are among facilities offered students by the Newman Center.

Williams Fellowship Hosts State Meeting

"Christ and Color" was the theme of the tenth annual Kansas Baptist Student Movement Conference hosted by the K-State chapter of Roger Williams Fellowship. The organization, sponsored by the American Baptist church, met in a newly completed annex at the Baptist Campus Center. Don Warren, president, and Rev. Dale Turner planned programs that centered around the nature of responsible Christian behavior.

B'nai B'rith Students Attend Social Study

Representing Kansas State at the Convention on Inter-Racial and Inter-Religious Problems in Washington D. C. last fall were two members of B'nai B'rith Hillel.

Lee Leichtling, president, conducted the bi-weekly business meetings which often featured guest speakers. William Koch explained Kansas folklore to the group and George Mann described the architecture in Israel. Adviser for the 23-member organization was Dr. Yeshajahu Pomeranz.

Campus and Nation Mourn for President

The greatest shock ever to spread across the K-State campus was the news of the assassination of the President of the United States, John Fitzgerald Kennedy. No single line can express the feelings of a nation for the loss of its President. No single term can record the sorrow felt by a campus for the loss of the man—John F. Kennedy.

Grief and sorrow mold the faces of students as they gather to hear confirmation of the shocking report.

Symbolizing the grief of the campus and the nation, the flag atop Anderson Hall flys at half-mast.

In a moment of solitude there is time to think and time to find one's place in the pattern of things.

In the Union lounge, internationals join with American students to view the unbelievable events. Expressions of sorrow from throughout the world reflected the respect held for the late President.

Visiting Berlin, Germany, students get a glimpse of the past war and a feeling of present cold war.

Maze of Impressions Constitute Existence

From the beginning of freshman orientation to the last senior final, a student's life is filled with an endless maze of experiences and an incalculable number of single impressions. Within the classroom, knowledge and learning are the important elements. Activities and events, whether basketball or the Artist Series, serve to broaden the student's perspective. But the silent base of experience stems from contact with others.

Sports Events, Campus Activities Speed Pace

Victory for the Wildcats secures another Big Eight crown and marks the beginning of a trip to NCCA semi-finals.

Reflected in a student clutching his tally sheet is suspense hovering over the crowd.

Spirit and enthusiasm vividly exhibited by K-State basketball fans as they support Wildcats in victory and defeat.

During School Year

Methods vary in keeping track of the passage of time during the K-State school year. But no matter what manner is used, the time span from registration to Thanksgiving is the longest, with mid-semester exams and football the only milestones.

To most, basketball is the favorite calendar device. The sport's pre-seasonal play fills the gap between Thanksgiving and Christmas. Conference play carries the school year through fall semester finals to spring vacation. From there, woodsies, formals and spring finals finish the year.

Apparently challenging the heights of the team members, a Wildcat cheerleader soars in pregame cheer.

The scoreboard tells the tale and victory comes no sweeter than a home win over arch-rival KU.

Under the influence of posters and banners in every nook and cranny, students choose their leaders.

Switch from the multi-kibitzer bridge games, students play chess in an unusually empty State Room.

Water Sports Add To Spring Outings

Newest attraction for K-Staters is Tuttle Creek Dam which added swimming, boating and picnicking to spring agendas. Events such as the K-State rodeo, Y-Orpheum and spring sports completed the schedule.

Mild weather, good winds and the water in Tuttle Creek are prerequisites for student sailboating.

The recently completed Tuttle Creek Dam has created an ideal recreational area for outdoor enthusiasts.

For K-Staters, Tuttle Creek has provided an important diversion from the routines of campus life.

Interfraternity Councils Promote University

Projecting the University image, 30 Interfraternity Pledge Council members visited their home town schools to give informal speeches and distribute campus publications. To finance two scholarships, IPC sponsored a booth at the Water Sports Carnival. With junior and senior representatives from 22 fraternities and two colonies, Interfraternity Council directed Greek Week and cleaned Tuttle Puddle as a service project.

606 Students Pledge Greek Organizations

After five days of rush parties, 277 of the 343 freshman and upperclass women registered for fall rush were pledged by K-State's 11 sororities. Delta Zeta took part in formal rush week for the first time since recolonizing at K-State in 1963.

Under Panhellenic Council's new invitation policy, rushees were permitted to choose two parties they would attend the last night of rush after being entertained at three afternoon parties. In past years rushees were required to accept invitations to all five parties at one time.

The 21 fraternities participating in rush pledged 329 men. Farm House, Alpha Epsilon Pi, Delta Chi and Triangle did not rush for new members during fall rush week.

Hours of practice during Work Week culminate with execution of one of five skits given by each sorority.

Alpha Xis Renovate, Add Rooms to House

New Georgian decor of gold, turquoise and white greeted Alpha Xi Deltas returning from Christmas vacation. The redecorated house featured sleeping dorms, 11 study rooms and trophy, recreation and living areas in its new addition. Awaiting completion of the addition and redecoration, 12 Alpha Xis had lived in Rice Hall, an independent dormitory, during first semester.

Alpha Xis were active in Student Senate, Mortar Board and Angel Flight, and were represented on all A.W.S. committees. Members were elected to eight honoraries.

Washing cars netted Alpha Xi Delta money to support scholarships financed through its national sorority philanthropy.

Four Phi Kappa Phi, three Mortar Board and two Chimes members were Chi Omegas. The singles champion for women's tennis intramurals was a member of the sorority.

Winner of a $25 Chi Omega award was announced at the Social Science Award dinner. Members and dates attended the Christmas Stocking Party and the White Carnation Ball. Entertaining four children of an adopted family at Christmas, Chi Omegas gave them toys, food and clothing. The women caroled at the Fort Riley hospital.

Delta Zetas Colonize, Celebrate State Day

One hundred fifty-six chapters • Founded Miami University 1902 • Lambda chapter established 1963 • President: Mary Beth Hibler

Celebrating its first anniversary since recolonizing at K-State with 45 pledges in 1963, Delta Zeta hosted members of its seven-state province during Delta Zeta State Day. Now one of the newest Delta Zeta chapters in the nation, the sorority first organized at K-State in 1915 but was disbanded during the Depression. Delta Zeta's national pledge trainer was entertained at the new chapter's first Founder's Day celebration.

A holder of a Ford Foundation Scholarship, the president of Chimes and the vice-presidents of AWS, YWCA and the K-State Players were Delta Zeta members.

Formerly the Chi Omega house, 1803 Laramie became home to 45 new DZ initiates during fall Work Week. New members had been initiated by Delta Zetas from the sorority's Nebraska Wesleyan chapter.

At a tea given by Manhattan alumnae for collegiate Delta Zetas, coeds sing their sorority songs and Christmas carols for their hostesses. The alums were later taken on tours of the new chapter house.

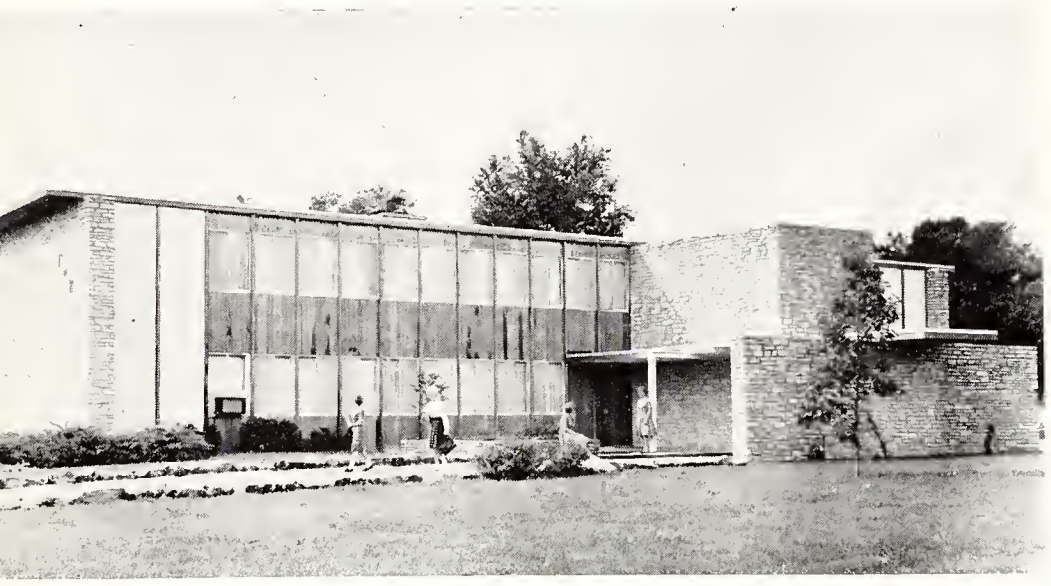
The contemporary Gamma Phi Beta house at 1807 Todd Road, is home of K-State's Homecoming Queen.



K-State's Homecoming Queen, the Flush Bowl and Cannon Ball Queens and attendants to the Barnwarmer and Circle K Queens were Gamma Phi Betas. Scholastic and professional interests boosted Gamma Phis to membership in 11 campus honoraries. Two cheerleaders, two K-Steppers, six Angel Flight members and the Omicron Nu president belonged to the sorority.

First place plaque in the first annual football pep rally noise making contest was won by Gamma Phi Beta. Members also took third place among sororities entered in the fall Interfraternity Sing.

"A Trip Overseas" for a legacy weekend featured five Gamma Phis showing slides of foreign countries they had visited. Members invited dates to a Christmas dinner and entertained the children of Manhattan alumnae at the house during the holiday season.

Thetas Garner First In Grade Rankings

Earning first place in scholarship rankings among sororities for spring 1963 brought a scholarship trophy to Kappa Alpha Theta for the second consecutive semester. Four fraternity sweethearts, four Phi Kappa Phi members, president of Phi Alpha Mu and members of Mortar Board, Student Senate and Chimes belonged to Kappa Alpha Theta.

At the Twin Star Formal, Thetas crowned King Kite. Celebrating the chartering of the first Kappa Alpha Theta chapter, members invited dates to a spring kite flying party.

Pi Phi Singers Top IF Sing Competition

One hundred nine chapters • Founded Monmouth College 1867 • Beta chapter established 1915 • President: Penny Heyl

Top ranking among sororities entered in Interfraternity Sing was won by Pi Beta Phi. "In the Daze of Knights" earned Pi Phis third place in 1963 Y-Orpheum competition.

Conducting a cultural series, Pi Beta Phi invited Manhattan ministers to present study programs on the world's religions.

The 1963 title holders of Miss K-State Manhattan, St. Patricia, Rodeo Queen and first runner-up to Miss Kansas were Pi Phis. Members served as Angel Flight and S.E.A. presidents and Chimes officers. Attendants to the Homecoming Queen and the Barnwarmer Queen and members of Kappa Delta Pi and Phi Omicron Nu honoraries belonged to the University's oldest sorority.

AEPi Colony Plans New Chapter House

Plans for a permanent house were investigated by the men of Alpha Epsilon Pi Colony. They must occupy a house before being awarded a national AEPi charter. Dances at their temporary living quarters and at a private club entertained the men and their dates. Other social functions included a Christmas party and a spring buffet and dance. The colony hosted fraternity brothers from Oklahoma University during Homecoming weekend. Pledges took a fall sneak to the University of Missouri in Kansas City.

Selected as one of two K-State delegates, an Alpha Epsilon Pi attended a student conference on race and religion in Washington, D.C. Four officers of B'nai B'rith Hillel and members of the K-State rifle team, Alpha Epsilon Rho and Radio Club were AEPis. Another member served as manager of KSDB-FM, K-State's student radio station.

Delta Chi Colonizes, Qualifies for Charter

Receiving colonization rights in the fall and completing two semesters as a colony, Delta Chi became qualified to re-apply for a national charter. Traveling to Lawrence, members celebrated their Founders' Day with the KU chapter. Delta Chis were special guests at a formal hosted by the fraternity's KU, MU and KCU chapters.

Distinguished Air Graduate Award was granted to a Delta Chi. Other men claimed membership in Arnold Air Society and Pershing Rifles. Among social events were a Christmas dinner for underpriviledged children, a spring formal and house parties.

During a weekly business meeting, President Bob Hamlett discusses plans for future Triangle occupancy of the Beta Sigma Psi house on Delaware. The men will receive ownership of the house in July.

Triangle Men Complete First Campus Year

Nearly doubling its membership since its 1963 founding on campus, Triangle Colony completed its first full year with 30 men. Membership was limited to students with a minimum 2.2 grade average in engineering, architecture or physical science curriculums.

Presidents of Sigma Tau and ASME, a student senator and two Putnam scholars represented the house. Members made plans to occupy the Beta Sig house in fall 1964.

Acacia Men Record Fiftieth Anniversary

As part of the fraternity's 50th anniversary celebration, Acacia alumni were invited to a commemoration banquet and double-header basketball game by the local chapter.

Combining forces with Alpha Tau Omega, Acacias helped plan the first fall A-A Duo. A picnic in the afternoon, complete with tug-of-war, egg toss and novelty games, was followed by a formal dance in the evening. Night on the Nile, an Egyptian party featuring a theme used by all 47 Acacia chapters, was scheduled in the spring.

The Senior Class president and member of the varsity basketball team were Acacias. An interest in sports was apparent as the men participated in intramurals and took second place in the swimming meet.

Pushing their song leader onto stage, Betas shout jubilantly after winning the fraternity division of the 30th annual Interfraternity Sing. The men sang against five fraternities in the competition.

Betas Score Victory In IF Sing Contest

Scoring their 25th Interfraternity Sing victory, Beta Theta Pis sang "Sons of the Dragon" and "Porch Chairs." At the end of the fall semester, Betas were first in intramural standings. The 96 members ranked second in fraternity scholarship and won the Lambda Chi Alpha Chariot Relays for the sixth consecutive time during spring 1963.

Presidents of Scabbard and Blade, Pi Tau Sigma, American Society of Mechanical Engineers and American Nuclear Society were chosen from Beta Theta Pi. The fraternity boasted Blue Key members, Putnam Scholars and sixteen varsity athletes.

University Activities Enlist Delta Sig Men

Gathering on the porch of their home at 1100 Fremont, Delta Sigma Phis pause for a study break.

One hundred one chapters • Founded City College of New York 1889 • Alpha Upsilon chapter established 1925 • President: Ralph Parker

Exhibiting interest in campus activities, Delta Sigma Phis were members of the Varsity Men's Glee Club, the Society of American Military Engineers, Alpha Phi Omega, K-State Players and Phi Eta Sigma. The winner of the 1963 Larry Woods Memorial Speech Contest, the associate editor of Touchstone and holders of Ford Foundation and Helen Moore scholarships were among the men of Delta Sigma Phi.

A traditional exchange function has been a football game with the KU chapter. Preceding the game this year, 10 pledges took 11 hours to run a football in quarter-mile relays to Lawrence. Delta Sigs placed second in bowling and basketball intramurals.

Spring and fall formals, the Apache Party and Sailors' Party highlighted the Delta Sig social year. A special boast of the men was their housemother, Mrs. Paul Smith. She has been with the group for 16 years, longer than any other housemother on campus.

Leading 25 fraternities with a fall pledge class of 30 men is Sigma Alpha Epsilon, 1015 Denison.

Matched against Smith Scholarship House, a four-man Sig Alph team placed second in K-State Quiz Bowl competition. Sig Alph Buster Elting traveled to New York with the K-State Quiz Bowl team to compete against a Bard College team on a nationally televised quiz program.

Individual honors for campus leadership were earned by Sigma Alpha Epsilon members as Tribunal justices and the treasurers of Blue Key and Sigma Tau.

Championships in basketball, swimming and horseshoes rewarded an active intramural program. Sig Alphs were represented in varsity athletics with members on football, basketball, baseball and track teams. The Flush Bowl team emerged victorious in the pigskin duel with Phi Delta Theta.

Joining Alpha Delta Pi, Sig Alphs hosted a Christmas party for underprivileged children of Manhattan. Special dates on the fraternity's social register were the Bowery Party, Belle Ball, spring formal, Island Party and a founder's day celebration.

Braving a chilly November night, Sigma Alpha Epsilons serenade sorority women as they introduce their FMOC candidate. The SAE candidate for Favorite Man on Campus was elected first runner-up.

Sigma Nu Introduces Housemother at Tea

A tea introducing their new housemother, Mrs. Bertha Scott, to faculty and alumni was a spring event of the 39 Sigma Nu members. Other social functions included a winter Snake Pit Formal and the spring White Rose Formal. Food was prepared in the men's new $10,000 kitchen which featured new equipment and custom-made built-ins.

Participating in campus activities, Sigma Nus were members of Phi Eta Sigma, Sigma Tau and varsity swimming and baseball.

Service Work Wins Sig Eps Top Rating

Judged by a national Sig Ep officer, K-State's chapter received the fraternity's top class "A" rating for its campus and community work. Decorating the lobby of Memorial Hospital at Christmas was a Sig Ep pledge project. The fraternity assisted in a Heart Fund drive and conducted an area-wide leadership school for Sig Ep chapters.

Team members of five varsity sports, including wrestling and swimming were Sig Eps. Fraternity men held offices in People-to-People, K-State Players, Traffic Appeals Board and American Institute of Industrial Engineers. A fall pheasant feed featured birds which Sigma Phi Epsilons had shot.

University Operates Seven Housing Units

Operating Putnam, Van Zile, Boyd and West Halls, Smurthwaite, Sunset Apartments and Jardine Y, the University provided housing for 1200 freshman and upperclass women. Plans made for fall 1964 included opening additional Jardine Y apartments for coeds if necessary.

Construction plans for a nine-story dormitory to house 600 women were finished. The new limestone building, designed like West Hall, will be the second of a four-dormitory complex to be constructed near West. Plans were drawn for a two-story food service building to feed the 2100 women who will live in the four dormitories in the complex.

The University housing, represented by Inter-dorm Council, provided food service, laundry, postal and recreational facilities.

Arriving early at the door, a couple has a few minutes for a serious talk before the evening's end.

Taking enough clothes for a week's stay, a coed helps her ride load his car for the weekend trip.

Residence hall women practice classical or popular music on one of the pianos provided in each dormitory. The University operated housing units each furnish stereo and television sets for residents.

Boyd Residents Help Crippled Youngsters

Aid to crippled children through contributions to the Handicap Clinic headed service projects undertaken by residents of Boyd Hall. During the Christmas season, groups caroled at the Fort Riley Hospital.

In conjunction with other women's dormitories, Boyd residents sponsored a street dance which replaced a traditional fall open house. Many former occupants returned for Alumnae Night to greet old friends and meet new coeds. The Tacky Party, Holly Daze Christmas Formal and a spring dance were also scheduled on the social calendar.

Boyd residents were selected President of the Inter-Dorm Council and Barnwarmer Queen. Two of the five finalists for Royal Purple Queen lived in Boyd Hall. Dorm administration was headed by Miss Rosemary Thompson, director, and a staff of eleven upperclass resident assistants.

Coeds Demonstrate Household Abilities

Cooking, shopping, cleaning house, laundering and studying occupied a major portion of time for Sunset Apartment residents. The two University-leased apartment complexes housed more than 80 upperclass women in three and four-women apartments. A married couple living in each of the two main units directed group activities.

In its second year of existence, the housing unit had representatives in such campus activities as AWS, Collegiate Young Democrats, Collegiate Young Republicans and the Independent Student Association.

Combining for a Christmas celebration, residents of the two apartment units dined together at the Student Union. Other group social functions included a Halloween party and a spring picnic at Tuttle Creek.

Waltheim Residents Engage in Activities

Experiencing the advantages of dormitory living in an apartment atmosphere, the 69 women of Waltheim Hall were active in campus activities. The coeds boasted memberships in Angel Flight, Delta Phi Delta, Mu Phi Epsilon and Theta Sigma Phi. The women also participated in all intramural sports. One coed was a finalist in the 1963 Miss K-State-Manhattan Contest.

Social activities for the upperclass women included Christmas caroling, an informal Christmas dance, a spring formal and an annual faculty tea. Social exchanges with independent men's houses and fraternities completed the group's social calendar.

Returning to begin a new semester, a Waltheim Hall coed is greeted and assisted by her dorm friends.

West Hall's information desk, a hub of activity, handles mail and phone calls for coed residents.

Women received and often entertained dates in the spacious and comfortable lounge, now one year old.

West Women Contend for Queen Positions

Two IPC Queen finalists, AGR Sister Sweetheart and a Royal Purple finalist were among the 304 women living in West Hall. Other residents included Home-Ec Teaching Club president and several Putnam scholars. Second place in women's intramural volleyball was captured by West women who participated in several intramural sports.

During the Thanksgiving and Christmas seasons, the women adopted a family of eight. A Valentine's Day Sweethearts and Roses Formal climaxed the social year.

Lacking cafeteria facilities, West Hall residents dine at Boyd and Putnam. Converted this year to a predominately freshman dorm, West housed only 60 upperclass students among its 304 occupants.

Petticoat Penthouse—Rebecca L. Belt, Constance H. Blass, Leah L. Chaffee, Kay L. Lewis, Carol L. Smith, Susan Stevenson, Julia P. Stonebarger, Cheryl A. Wood.

Penthouse Provides Independent Dorm

Officially named Petticoat Penthouse in the fall, the new residence housed ten upperclass women. Located at 615 Fairchild Terrace, Petticoat Penthouse was a privately owned independent residence hall.

Residents held a get-acquainted buffet luncheon early in the year and celebrated birthdays of the women each month. The living group's social activities included a Halloween party and a Christmas party at which the group prepared their dinner and exchanged gifts. The women also held a picnic in early spring at Sunset Park and an engagement party for one of the residents.

Residents were active in Student Education Association, Young Republicans, Young Democrats, Orchesis and Newman Club. Political science, elementary and secondary education, business and journalism were majors in which the women enrolled.

Alpha Xi's Use Rice For Fall Residence

During the fall semester, 12 Alpha Xi Deltas awaiting completion of an addition to their sorority house lived in Rice Hall. Sixteen other women resided at Rice throughout the year. Highlighting the social activities of the group were bridal showers for several of the Rice Hall residents.

Internationality was once more in evidence at Rice Hall. Women students from China, Thailand and India made their home in the two-story frame residence hall which faces the city park. Privately owned, Rice Hall was opened as women's housing in 1961. Kitchen facilities were provided for women who wished to prepare their own meals.

Serving as president of the house was Marian Keegan. Housemother was Mrs. Julia Schimmels. The women of Rice Hall were enrolled in a variety of curriculums including art, architecture, math and English.

West Stadium and Goodnow men enter the Goodnow cafeteria which serves a capacity of 700 men at meals.

New Dorm Utilizes Goodnow Floor Plan

Utilizing the Goodnow Hall floor plan, a dormitory for 600 men will be completed adjacent to Goodnow in fall, 1964. Finished in 1960. Goodnow itself housed 600 students.

Favorite Man on Campus, Engineering Council president and members of Sigma Tau, Chi Epsilon, Phi Eta Sigma, Eta Kappa Nu, Scabbard and Blade and Arnold Air Society were residents of Goodnow Hall.

Each of the six floors of the hall functioned as an independent governing body under the Goodnow Hall Executive Council. Robert Avery served as Goodnow Hall president; Harrison Brookover was dormitory director.

Residents planned exchange functions with women's living groups. Men and dates attended a fall formal at a Manhattan night club. Tonkawa, Comanche, Arapaho, Pawnee, Shoshoni and Seneca, the six floors planned social functions separately.

Housing 600 male students during the fall and spring semesters, Goodnow doubles as a co-educational residence hall during the summer school session. Goodnow is located at Claflin and Dension.

Before an evening of studying, Goodnow men stop by their mailboxes to check for messages. Carpeted lounge areas, complete with TV, sofas, reference books and periodicals are on each of the six floors.

In preparation for hunting season, a Parsons Hall resident finishes a new gun stock for his rifle.

Parsons Tallies High In Fall Intramurals

The highest total number of points earned by any independent living group in fall intramural competition was tallied by the men of Parsons Hall. The group's participants reached semifinals in handball and took second place honors in football, tennis, basketball and golf. Living adjacent to the city park, the men found additional opportunities for athletic activities.

Established in 1962 for independent men, Parsons Hall is located south of the campus at 1334 Fremont. Residents of the living group totaled 26 students.

Organizing a hay rack ride for residents and coeds from West Hall and planning a wiener roast at State Lake with Waltheim Hall residents were social activities of Parsons men. Other functions of the independent living group included a hamburger fry and several informal dances at the house.

OK House Residents Function as Officials

United Christian Campus Fellowship president, Political Science Club vice president and a member of Alpha Kappa Psi were residents of OK House. In operation since its purchase in 1953, the house was the former home of Farm House. A picnic highlighted spring social activities for the men.

Kasbah Joins Coeds For Holiday Caroling

Christmas caroling with Off-Campus Women and a Valentine's Dance rounded out Kasbah's social activities. Residents were on the Dean's Honor Roll and in the Honors Program. They belonged to Alpha Phi Omega, Sigma Tau, and the American Institute of Chemical Engineers.

Acropolis Men Help In Book Collection

As a service project, the eight residents of Acropolis gave used textbooks to the Wesley Foundation program for foreign students. The men were active in the American Institute of Architects, A Capella Choir and Newman Club. Acropolis teams also competed in intramural basketball and softball. The men held a special Christmas dinner.

La Citadel Presents Gifts to Local Family

Adopting a needy family at Christmas and entertaining at a Christmas party were activities of La Citadel. At one of the dress dinners for the living group, La Citadel men hosted Dr. Irene Putnam. The 11 men were also active in independent intramural basketball competition. Located south of the campus, the house was established in 1954.

East Stadium Houses International Student

Internationality was a prominent factor in East Stadium. Seven of the 14 residents were from foreign countries including the Philippines, Holland, Peru and India. Because East Stadium housed only graduate students, officers were not elected as was done in undergraduate dormitories.

East Stadium was opened in the fall of 1962 by the University to accommodate graduate students. Sultan Zia acted as manager for the group. Residents ate their meals in the Goodnow Cafeteria. The graduate students were enrolled in curriculums including chemistry, feed technology and chemical and agricultural engineering.

Tabard House Opens For Freshman Men

In its first year as an organized house for freshman men, Tabard housed thirteen students. Among the residents were a Union Pacific Scholarship holder, two members of K-State's Honors Program and a student listed on the Dean's Honor Roll. Two Tabard men active in K-State Players were cast in leading roles for the Children's Theater production, "The Pied Piper of Hamlin." One resident was a KSDB-FM disc jockey, and other men were members of Collegiate Young Republicans and Judo Club.

A restaurant management major, responsible for food planning and buying, cooked breakfast meals for Tabard residents.

Confirmation of weekend dates by West Stadium men often leads to a switchboard flooded with telephone calls. Residents are employed by the University to operate the switchboard in the dormitory office.

West Stadium Wins Homecoming Trophy

Winning first place in the independent division of Homecoming float competition, West Hall built "The Best Years Are Yet to Come." The float portrayed the importance of study in a student's college routine.

Residents represented West Stadium in Judo Club, All Men's Marching Band and Pershing Rifles. American Institute of Architects secretary lived in West Stadium.

Stressing intramural participation, the men of West Stadium reached semi-final rounds in both football and basketball playoffs. Squad members of freshman football and basketball teams were residents.

Smurthwaite Scores Academic Recognition

Assuming leadership positions and earning scholastic recognition for Smurthwaite Scholarship House, 18 residents participated in the honors program and 21 women were tapped for departmental honories. Members were elected to Phi Upsilon Omicron, Alpha Delta Theta, Phi Alpha Mu, Kappa Delta Pi, Theta Sigma Phi and Omicron Nu.

Associated Women Students president and members of Chimes, Mortar Board, Angel Flight, Phi Kappa Phi, Student Senate and K-Steppers lived in K-State's only scholarship house for women.

Highlighting social activities for the 64 women was a faculty tea, the first held since Smurthwaite was founded in spring, 1961.

Honoraries Reward Straube Scholarship

Recognizing scholastic achievement of Straube men, Scabbard and Blade, Phi Eta Sigma, Pi Tau Sigma, Alpha Mu, Phi Kappa Phi, Alpha Zeta and Eta Kappa Nu tapped members of Oscar E. Straube Scholarship House. President of Milling Association and members of Engineering and Agricultural Councils were also residents of Straube.

Entering sports competition, Straube claimed the independent intramural title for spring 1963. Their social calendar included a Halloween party, the Straube Lodge Party, a spring formal and informal gatherings.

Twenty-four buildings each containing 24 living units evaluated at $8,500 comprise Jardine Terrace.

An estimated 2,000 residents live in the 576-unit, University apartment complex north of the campus.

922 Families Occupy Jardine Apartments

Five living units were completed under the latest Jardine Terrace building contract. By second semester, 84 of the apartments were occupied by married students. The other 36 apartments were reserved for a new upper-class women's living group in Jardine Y.

Couples from Jordan, Japan, Egypt and Korea added a cosmopolitan flavor to the Jardine social life. Families totaled 522 in the spring and 450 in the summer.

In an evening of family recreation, youngsters eye the Union bowling alley as if they might try a game themselves. Recreational facilities at Jardine Terrace include volleyball and basketball courts.

Playing cards is a popular Jardine pastime for hours of relaxation. Many such get-togethers are the result of commonly-shared educational goals among the more than 500 Jardine families.

In a two-to-one ratio, men assist with family laundry. Six laundry houses are provided for residents at Jardine.

Using Jardine Terrace parking facilities, a Jardine man washes a layer of dust from the family car.

Many Jardine women earn money baby-sitting while mothers of the children attend classes or work.

Standing on a second floor apartment balcony, a father reminds his child to exercise more caution.

Meal preparation is simplified for busy Jardine wives by University equipped kitchen facilities.

Jardine Terrace apartments house married international students in addition to American couples.

Jardine Tenants Use Recreation Facilities

Spring cookouts and barbecues were entertainment favorites of Jardine Terrace residents. Families used basketball goals, volleyball and badminton courts and a softball diamond located on the Jardine grounds. Playground equipment erected behind each apartment housing unit provided a safe play area for the children of students.

Attending classes, homemaking and holding jobs to support families occupied the days of Jardine residents. However, couples socialized at evening bridge games and formed weekly card clubs. Many Jardine wives and mothers belonged to Dames Club.

Student government, a link between the 2,000 residents and the University, was based on block division of buildings. Each of the five sections elected a mayor and council members to represent it in discussing parking and noise control problems.

In the evening shadows, a young couple casts aside worries of a day to share each other's thoughts.

Unexpectedly heavy assignments force a Jardine man to prepare homework for the next day long after midnight. Not to be outdone, many Jardine wives are classified as part-time or full-time students.

AROUND THE hub of everyday study and the business of going to school radiates the pulsing beam of extra-curricular activities. Caught in its glow are the queens, the athletic heroes, the musicians, the leaders—every individual and every pastime that lends vigor and variety to the K-State campus community.

From serenades to smorgasbords, from bonfire building to butter judging, the extra-curricular activities at K-State are characterized by expansion of such scope that it defies categorization.

A touring glee club, a visiting ambassador, a mock political convention—all part of the diverse activities that mirror the ambitions and energies of a bustling campus.

Council Adopts Plan To Improve Sports

Guidance of K-State athletic programs was a dual responsibility of the Department of Intercollegiate Athletics and the Athletics Council. M. A. Durland presided as chairman of the 12-member board.

Council policies were carried out by Athletic Director H. B. Lee, an eight-year veteran of the post. Fritz Knorr served as assistant Athletic Director and business manager. Ernie Barrett, also an assistant Athletic Director, directed fund raising. Bill Guthridge was ticket manager and Paul DeWeese handled sports publicity.

A five-point program designed to boost K-State's football fortunes resulted from Council recommendations. Additionally, the board formulated policies leading to expansion of the pressbox in Ahearn Fieldhouse.

Wildcats Win Opener, Halt Losing Streak

Shouting encouragement, K-State Coach Doug Weaver watches gridiron action unfold during BYU game.

Two lengthy losing streaks were snapped when the K-State football squad began and ended the 1963 grid season with victories. However, Coach Doug Weaver's Wildcats sandwiched seven losses between the two wins to close with a 2-7 record. K-State ended a three-year reign in the league cellar by taking seventh in the Big Eight conference.

Kicking off the season in Memorial Stadium, the 'Cats rode a power running attack and a strong defense to a 24-7 win over Brigham Young. The convincing conquest of the Cougars cut short an 18-game loss skien for the 'Cat gridders.

With high spirits, K-State flew to California to meet San Jose State. The Spartans pro-type offense punched out a 16-0 win as the 'Cats tasted their first defeat.

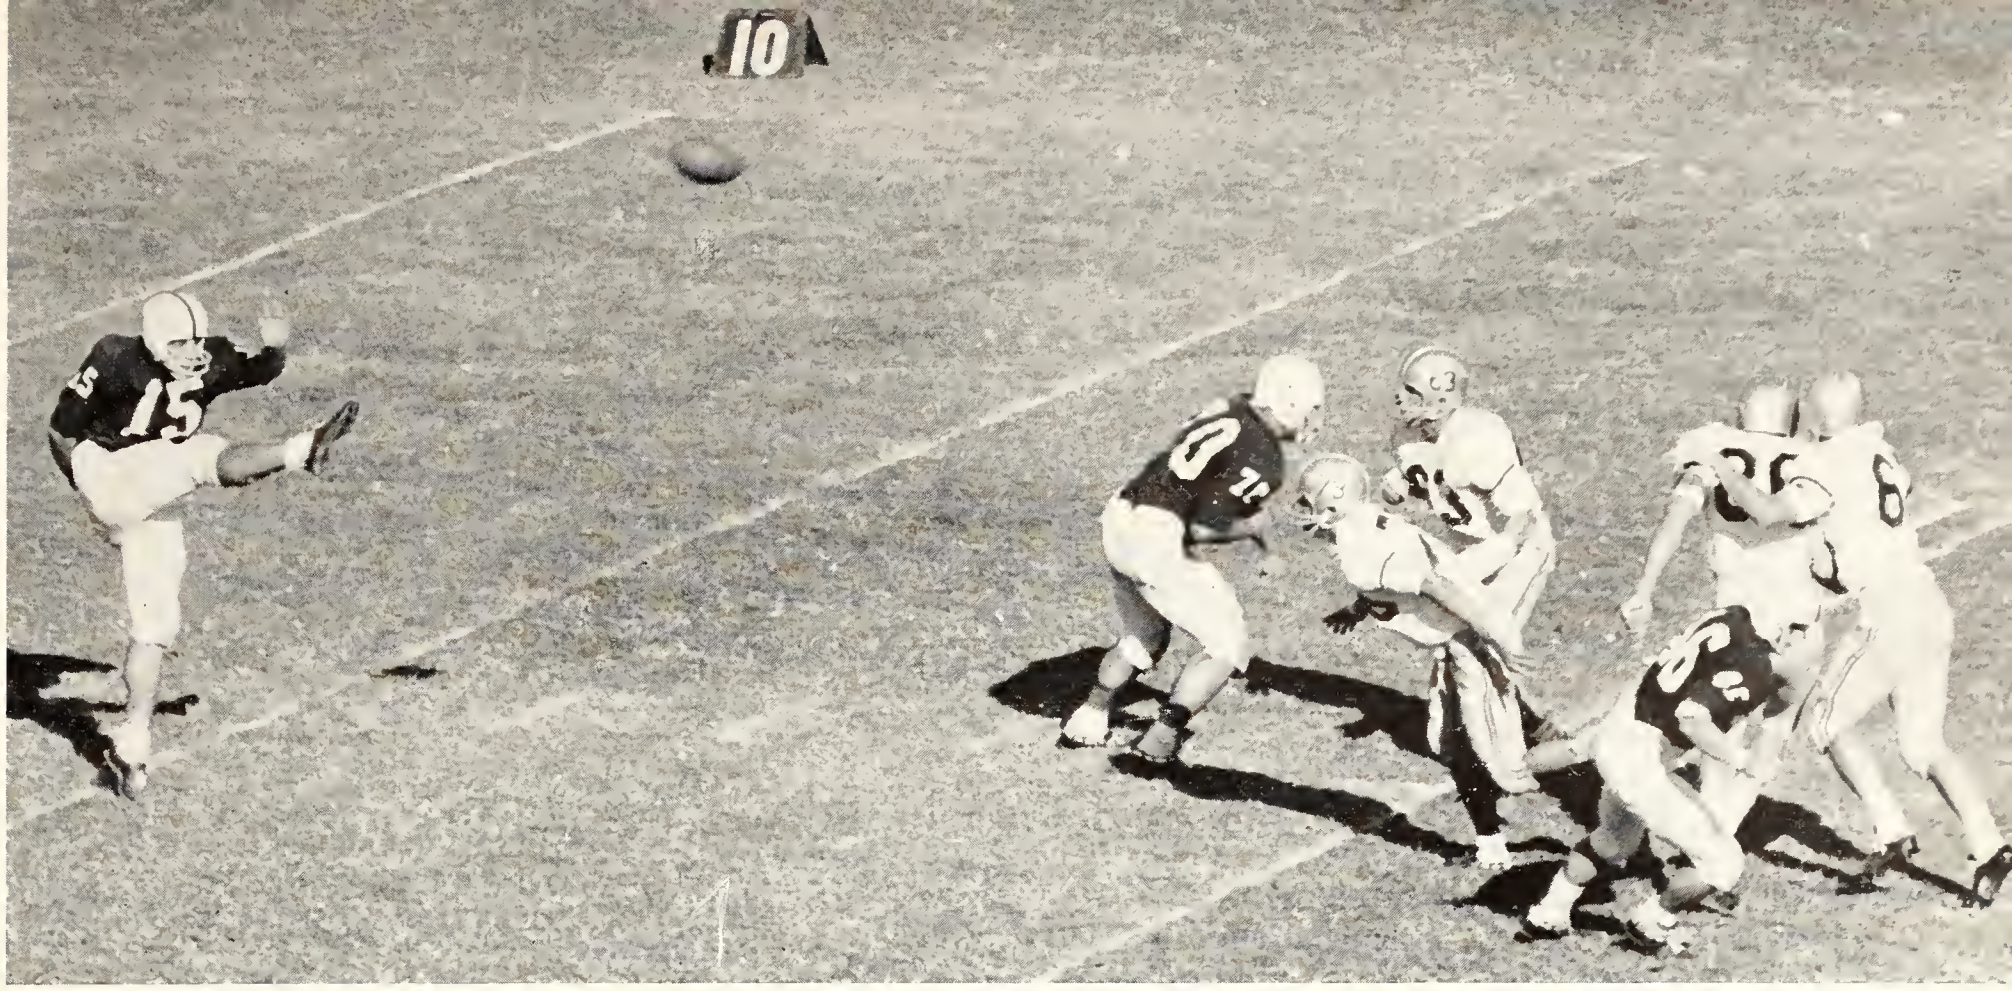
Willis Crenshaw fires through Brigham Young line for a first down before being tripped up by the secondary. The rushing of Crenshaw and Ron Barlow was an important factor in K-State's 24-7 victory.

Starting his first game, quarterback Ed Danieley tries to evade a bevy of Colorado tacklers. Applying a block behind Danieley is Joe Provenzano, one of two Wildcats to play in the Senior Bowl.

A well-executed pass play provided some exciting moments for Wildcat fans in the action of the Nebraska game.



Doug Dusenbury, K-State and Big Eight's leading punter, gets off a high spiral against Colorado.

Joe Provenzano and Jerry Condit block on-rushing Buffaloes, who stung Wildcats with a 21-7 defeat.

'Cats Contend Early; Defeated by CU, MU

Colorado University spoiled the Purple's conference opener as the Buffaloes scored late for a 21-7 victory. K-State led 7-0 at the half, but lacked depth and Willis Crenshaw, who missed the game with injuries. Against Missouri, the 'Cats contended all the way before absorbing a 21-11 defeat.

Hemmed in by a quartet of Wildcat defenders, Nebraska halfback Willie Ross heads for Denby Blackwell (25). Blackwell won national lineman of the week honors for his play in the Iowa State game.

'Cats Win at Ames Ends Big-8 Drought

Parents' Day crowd of 16,500 watched K-State drop a 28-6 decision to Nebraska's Big Eight and Orange Bowl champions. Larry Corrigan passed for 189 total yards to Ralph McFillen for the touchdown.

Oklahoma's Sooners fell behind 3-0 before racing to a 34-9 victory in the Purple's home finale. Bill Matan electrified the Homecoming crowd when he scooped up a blocked Sooner field goal attempt and raced 72 yards for a Wildcat touchdown.

K-State suffered its second shutout of the campaign at Lawrence as Kansas prevailed by a 34-0 score. The 'Cats crossed midfield only three times against the rugged Hawk defense. K-State mustered a more potent offense against Texas Tech, but were whipped 51-13 by the Red Raiders.

Four years of conference frustration were erased at Ames when the Purple staged a 21-10 upset over Iowa State. The triumph, Weaver's first in league action, broke a 26-game string of losses to Big Eight opponents. K-State's scheduled encounter with Oklahoma State was cancelled in respect to the late President John F. Kennedy.

Assistant Coach John Kadlec explains the technique of shoulder blocking during practice. Backfield mentor Cecil Taylor, a 'Cat coach for five years, resigned after the grid season to enter business.

Wildcat Frosh Lose To NU, KU Squads

Playing two intercollegiate games as allowed by Big Eight rules, the freshman Wildcats displayed scoring ability while dropping both encounters. Hosting Nebraska, Coach Ed Dissinger's yearlings notched 22 points, but yielded a total of 43 to the potent young Huskers.

At Lawrence, the Wildcats tangled with the University of Kansas freshman gridders. Both teams traded early touchdowns before the Hawklets nabbed a 23-13 win. Speedsters Bob Henry and Henry Howard tallied for K-State on a pair of long touchdown sprints.

Post-season changes moved Dissinger to a newly-created administrative post while Ken LaRue was named new frosh mentor.

Wildcats Finish 22-7, Reach NCAA Finals

Unrated, but underrated, K-State's 1963-64 basketball team swept to the Big Eight Conference title, Midwest Regional crown and finished fourth in the NCAA playoffs. Coach Tex Winter capped his 11th winning season with his 200th victory at the 'Cat helm. He has lost just 77 in the same span.

'Cats Split Openers; Win Big-8 Tourney

Minnesota invaded Ahearn Fieldhouse to tipoff the Wildcat season. A capacity crowd sat stunned as the Gophers took a 76-66 win. K-State notched its initial victory three nights later with an 87-59 thrashing of outclassed South Dakota State.

Opening on the road against St. Louis, the 'Cats overcame a hacking defense to eke out a 68-67 win. At Bloomington, big Roger Suttner dunked 28 points to lead the team to a 93-84 triumph over Indiana's Hoosiers.

Two talented west coast teams confronted K-State in the Sunflower Doubleheader. At Lawrence, all-American Walt Hazzard awed the 'Cats with his passes, giving UCLA a 78-75 win. K-State came back strong at home to down USC 82-58. In two pre-tournament tilts, the Wildcats fell 72-70 to Cincinnati, but rebounded to nip Denver 72-65.

In the pre-season tournament at Kansas City, the 'Cats rolled over Nebraska and Missouri. Facing Oklahoma State for the title, K-State stung the Cowpokes, 58-55.

Title Hopes Dim As Wildcats Lose Twice

With one championship secured, the 'Cats opened their quest for the conference crown against Colorado. The Buffaloes, however, shaking off a 35-point outburst by Willie Murrell, tripped up the host team 60-59.

K-State bounced back to dump Iowa State 73-52 in Ahearn. Traveling to Stillwater, the Wildcat's title hopes flickered as Oklahoma State rode red-hot shooting to a 77-58 win. Max Moss tallied 19 counters to head the 'Cats, but Murrell was held to six points, 16 below his season's average.

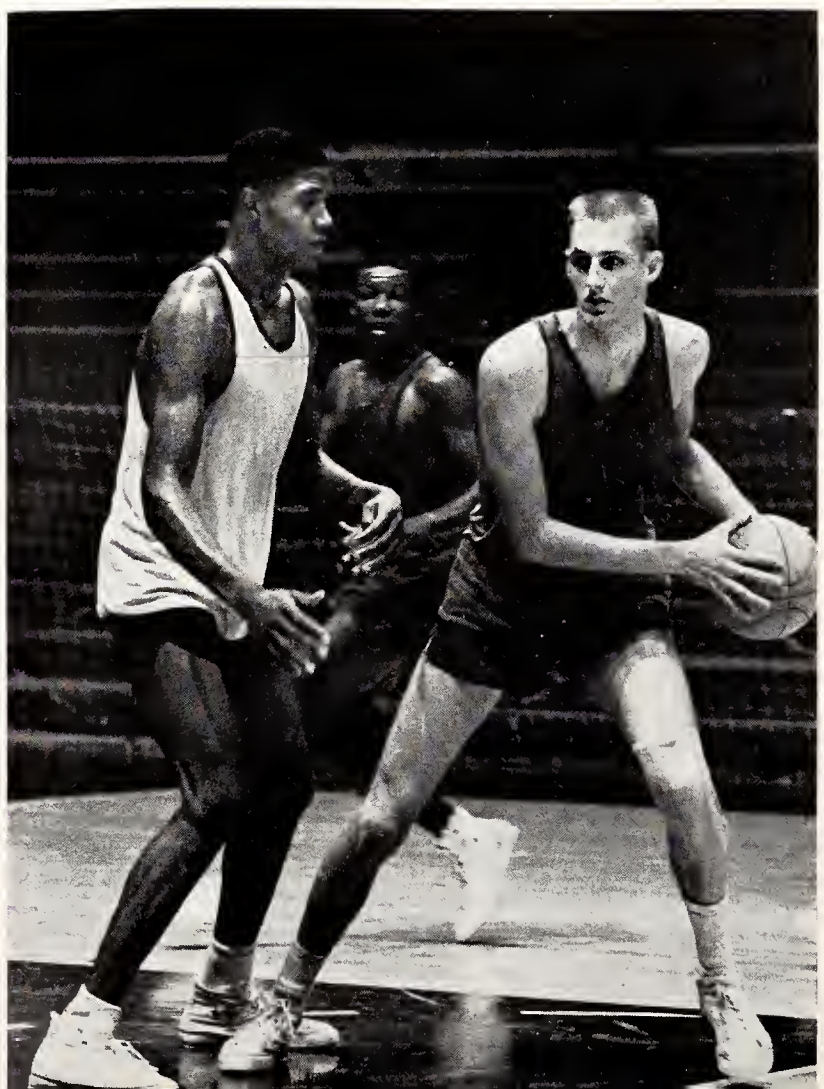
Overtime Scrambles Boost Victory String

Bearing a 1-2 league record after three tilts, K-State took time out for finals and an exhibition against Peru's Olympic team. K-State then began an 11-game winning skein by disposing of Oklahoma 97-91 in conference play at Norman.

Back home, the 'Cats outshot arch-rival Kansas 58-55, offsetting 32 points by the Hawks' Walt Wesley. In the first of three consecutive overtime encounters, K-State outlasted Nebraska 73-66 at Lincoln. Just as close was the Colorado game at Boulder, where the Purple picked up its first win since 1960. In overtime, K-State scrambled to a 60-59 decision and a second-place tie with the Buffaloes in the league race.

The Wildcats extended their mastery over Missouri to 21 straight with an 89-79 win at Columbia. Hosting Nebraska, the 'Cats averted an extra period by nipping the Cornhuskers 50-48 in the last minute of play. The victory, combined with Colorado's loss to Iowa State the same night, boosted K-State into sole possession of first place.

Spotting the open man, Gary Williams sets to pass as Willie Murrell defends in a practice session.



Shaping-up around the basket, Roger Suttner goes over Nebraskan Jim Yates for a two point tip-in.

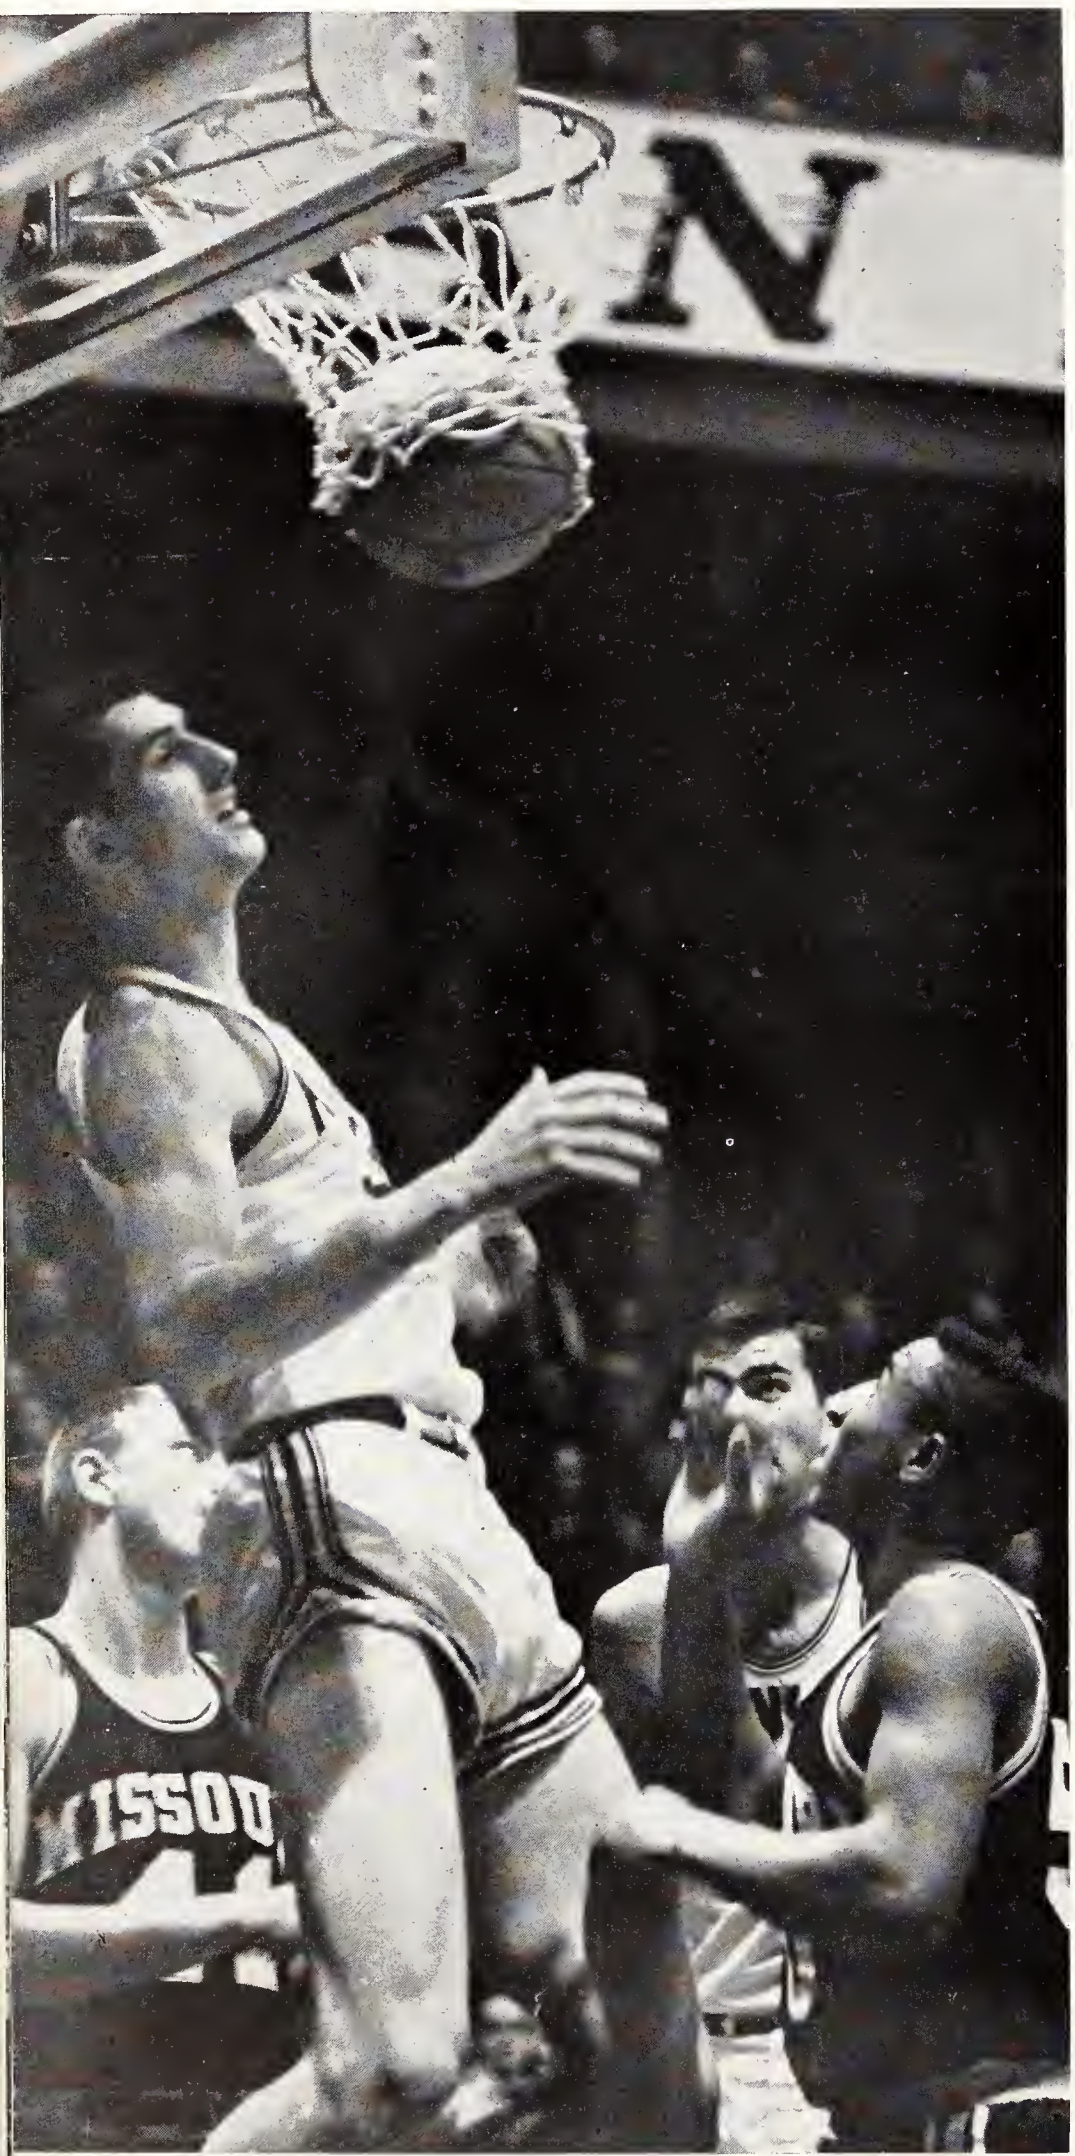
'Cats Net Big Eight Crown, NCAA Berth



Joe Gottfrid goes high to dunk a bucket against Missouri in the final home game, won 88-68 by 'Cats.

More than 16,000 fans filed into Allen Fieldhouse to see K-State down KU. Held to a 25-20 halftime lead, the 'Cats spurted to a 70-46 rout of the Jayhawks. Returning home, K-State carried a 10-2 league record into two contests with Oklahoma teams.

Meeting the go-go Sooners, K-State unleashed a potent running game for an easy 99-70 win. Facing Oklahoma State in the "rubber" match between the two schools, the Wildcats clinched the conference title with a thrilling 63-59 overtime victory.

With the pressure off, K-State was able to play relaxed ball. The Wildcat's final home opponent, Missouri, got the "Willies" as Murrell pumped in 39 points for a career high. His performance insured the Wildcats of the victory, 88-68. K-State closed out the season at Ames by defeating Iowa State 74-69. Jeff Simons tallied 22 for the 'Cats. Murrell made the all-conference first team.

Cagers Beat Wichita; Uclan's Prove Tough

After winning the Big Eight title by two lengths, K-State set out for the Midwest Regionals at Wichita. In the first round, the 'Cats eliminated Texas Western, 64-60. Fifth-ranked Wichita stood next in K-State's path. Before 10,000 clamorous WU rooters, "silo tech" humbled the proud Shockers, 94-86. The win was Tex Winter's 200th as head coach of Kansas State basketball teams.

Holding a 13-game winning streak, the Wildcats advanced to Kansas City to meet first round foe UCLA. K-State led 75-70 with five minutes left, but wilted as the unbeaten national champions triumphed again, 90-84. In the battle for third, bruising Michigan jolted the 'Cats 100-90 for the win.

Murrell was selected by the press and radio to both all-tournament teams. In the post-season East-West game, Murrell was named star of stars as he led the Western squad to victory with a total of 20 points.

Roger Suttner hooks over Texas Western all-American Jim Barnes. The 'Cats held Barnes to four points.

Cheerleaders draw 250 names to allot the Wichita regional tickets. For the finals, 500 were drawn.

Frosh Expand Slate; End with 3-4 Record

Playing an enlarged seven-game schedule, the freshmen basketball team compiled a 3-4 record in '64. Nick Pino, 7-1 center with 23 points per outing, packed the scoring punch for Coach Howard Shannon's squad.

A two game series with Kansas provided plenty of excitement. At Lawrence, the KU yearlings made up a nine point deficit to claim a 53-47 win. The reverse occurred in Ahearn Fieldhouse, as the Wildcat frosh closed fast for a 40-38 decision. A highly vocal crowd watched the tight struggle.

Swim Team Places Sixth in Big Eight

Boosted by fine individual performances, K-State's swimmers captured five meets and rose to sixth place in Big Eight standings. Against Oklahoma State, the crew coached by Ed Fedosky won their first conference dual since 1959. Swimming in the Nichols gym pool against Nebraska, Tom Hanlon set a loop record in the 60-yard freestyle.

Stepping off at the crack of the pistol, K-State and Nebraska cross country runners strive for an early advantage. The harriers face three miles of rolling terrain before arriving at the finish line.

Cross Country Squad Captures 2-2 Record

Competing under first-year Coach DeLoss Dodds, the cross country team raced to a 2-2 record in autumn activity. At the Big Eight meet in Lawrence, the 'Cat harriers stumbled before tough competition to place seventh. A strong freshman squad outpaced the opposition to wrap up the conference title in the postal two-mile run.

W. Haylett Retires; 'Cats Post Records

After a 35-year tenure as track coach at K-State, Ward Haylett retired at the close of the 1963 season. The highly-respected mentor took great pride in developing athletes into championship performers, including present Coach DeLoss Dodds.

Despite setting four varsity records, the 1963 thinclads dropped their dual with Air Force and placed last in the Big Eight Conference meet. The Wildcats highlighted their season with appearances in the Arkansas, Texas, Kansas and Drake Relays.

Pat McNeal ran a 4:05.7 mile at Texas to secure fourth place and a K-State record. At Lawrence, Bill Floerke uncorked a 237-4 javelin toss, snaring second place along with a Wildcat mark. Dave Walker vaulted 14-6 at Drake to tie a 'Cat standard.

Sprinters burst from the blocks, keying the start of a 100-yard dash preliminary in the Big Eight Conference meet at Manhattan. Kansas University won the 35th annual track and field championship.

Thinclads Pace AF; Host Big Eight Meet

After a scheduled dual with Missouri was rained out, K-State met the Air Force Academy. The visiting Falcons used their depth to good advantage, compiling an 86-54 victory over the Wildcats.

Hosting the Big Eight meet for the first time since 1956, K-State counted up 18½ points after the cinders had settled. Floerke was the star performer for the 'Cat cause as he cast the javelin a distance of 232-2½ for a Memorial Stadium record.

McNeal and Floerke carried the Wildcat colors to Missouri and New Mexico in post-season activity. McNeal competed in the national AAU at St. Louis, and was joined by Floerke in NCAA meet at Albuquerque.

Soaring high, Steve Rogers eases over the crossbar at 6-2 for a second place finish against Air Force.

K-State Ends Season In Conference Cellar

Hit by early roster losses and a lack of adequate hitting, the Wildcat baseball squad was shoved to the bottom of the Big Eight Conference standings, recording 6 wins and 20 defeats. Good pitching spurred the team throughout the season, but the 'Cats, unable to muster the necessary offensive output to overcome their opponents, were outscored 146-110. The squad took only two of the six non-conference games.

Leading stickman for the Wildcats was outfielder Ernie Recob, finishing the season with a .340 average. Recob was selected for the all-Big Eight outfield, and was also placed on the district NCAA outfield. On the road, K-State opened the season at Memphis State where they split a two game series.

Pouncing on the plate, John Orendorff arrives safely home, registering another run for the Wildcats.

'Cats Chalk Up Four In Big Eight Action

K-State opened conference action with a three game road series against Nebraska. After dropping a pair to the Cornhuskers, the Wildcats came back for a 9-2 victory in the final game. Returning home, the Wildcats were trounced 6-2, 12-2, and 11-5 by hard hitting KU. Missouri's top-ranked Tigers rolled over K-State, taking both games on the 'Cat diamond. Rain canceled the third contest.

After losing three games by four runs to Oklahoma State, the team bounded back against Iowa State. Combining good pitching and timely hitting, the Cats swept the series from the Cyclones 6-4, 2-1 and 11-2. With a chance to escape the cellar in their final series, K-State was turned back in three straight games by the Colorado Buffaloes.

Fred Cottrell rounds third and heads for home while the Iowa outfielder waits for the peg from the field.

Backed up by Umpire Jack Fette, Bradley Steele snags the ball for a close-call put-out at first base.

Wildcat third-baseman, John Drew, slides into third in an attempt to beat out the throw. K-State hit a team batting average of .214 while their opponents outslugged the 'Cats, accumulating a .263 average.

Gary Thomas, William Bouchey, Edward Ranz, James Colbert, Larry Lewman and Jerry Shaw reflect a recent victory on the links. All home matches were played on the Manhattan Country Club course.

Teeing off, James Colbert displays the form that captured numerous medalist honors for the 'Cats.

Football Crowns Go To Betas, Jr. Vets

Capping an undefeated season in touch football, Beta Theta Pi defeated Beta Sigma Psi 26-6 in Greek gridiron finals in the 1963 fall action. Ross Ballard quarterbacked the Betas to seven straight wins in league action. An intercepted pass provided Jr. AVMA with a 6-0 margin of victory over Parsons Hall and the independent pigskin title.

Sigma Alpha Epsilon annexed its second straight fall intramural swimming title by turning back a strong challenge from Delta Upsilon. The SAE's compiled 69 points to nose out the DU's with 63. In independent league swimming, the No-Names won six meet races for a total of 78 points to secure the championship.

Carding a 292-stroke total, Beta Theta Pi's linksters bagged the Greek division golf crown. Ross Ballard, a Beta, and Leo Hadley of Alpha Tau Omega fired 68's to share medalist honors. The Tigers, led by medalist Dave Rhoads with a 69, captured independent honors with a 330 total.

In tennis singles, Dan Millis netted the fraternity title for Phi Delta Theta. The independent badminton doubles went to Carl Dahling and Doug Leigh of Jr. AVMA.

French Play Opens Fall Drama Season

"A Shot in the Dark," a restaging of an earlier summer school production, was the K-State Player's first play of the season. The original French version of the play was a mockery of pompous French society. In its translation to English, the play became a gentle comedy about a young magistrate who prevented the murder trial of a maid.

"Pied Piper of Hamlin," the production of the annual Children's Theatre, played to nearly 4,000 persons in tours of Manhattan grade schools. The play featured original music composed by a faculty member for the recorder, an ancient instrument.

Satirizing the Russian court system, a one-act play was included on the 1963 spring drama schedule.

Making an appeal for understanding, the defense attorney in "Shot in the Dark" pleads with his wife.

Standing enthralled with the Pied Piper, the children of Hamlin shock and amaze their parents. The cast of the Children's Theatre production included University students and Manhattan school children.

"Shot in the Dark" was first presented in Williams Auditorium as a summer school production. Featuring the same cast, the show was again presented in the Player's new experimental theater in the fall.

October Fest Depicts German Moral Decay

Written by Wallace Dace, faculty member, "October Festival" dramatized the general collapse of character which led the German people into the holocaust of World War II. Winner of three national prizes, the play has been produced nationally 25 times.

"The American Dream" and "The Zoo Story" brought playwright Edward Albee's theater of the absurd to the Purple Masque experimental theatre stage. The two plays were part of the playwright's avant-garde theatrical movement of absurdist humor.

Action in "The American Dream" centered around a family searching for a replacement for the baby which died due to their maltreatment. The "American Dream" appeared as a handsome but hollow young man who satisfied their wishes. Lack of understanding through apathy rather than inability dramatized "The Zoo Story."

To become more comfortable, Mrs. Baker, the visitor of "The American Dream" family, removes her dress.

Completing a final make-up check in the Purple Masque Theater, cast members prepare for performance of "October Festival." The dressing rooms are part of backstage facilities of the experimental theater.

A young man seeking an understanding of himself and others converses with an acquaintance in the park scene from "The Zoo Story." The play presents the problem of human communication in society.

"October Festival" depicts the moral deterioration of an upper-middle class pre-war German family.

Actors Stage Medea In Chapel Auditorium

Euripides' drama "Medea" opened as the only play to be performed in the Chapel Auditorium. Chosen because of its effective acoustics, the All-Faith Chapel featured 10 levels of stage setting to focus additional emphasis on individual actors in the Greek tragedy. After completing a four-night performance slate, the 25-member cast moved to El Dorado for a one-night stand.

Directed by Dennis Denning, "Medea" represented the universal story of a woman scorned by her lover and bent on revenge. After being deserted by her husband Jason, the mythological Greek character Medea killed her children and her rival. As the play progressed, deepest love became frenzied hatred and cruelty bred cruelty in Medea.

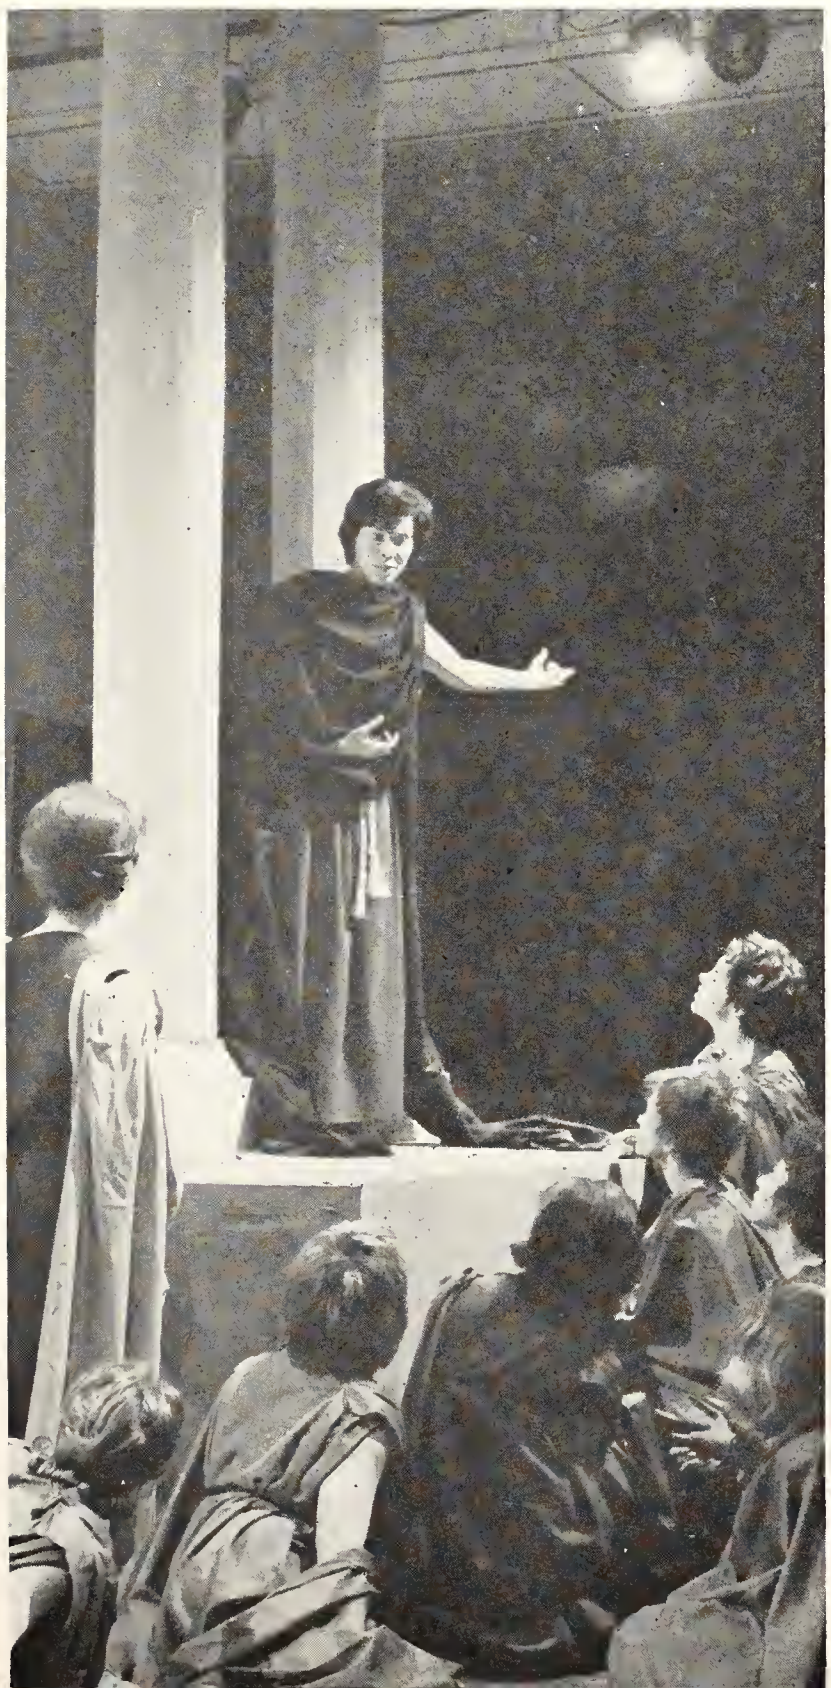
Unique highlight of the production was employment of a chanting chorus of 15 women who represented emotional feelings of an observing public. Draped in gray costumes, the women executed configurations to project interpretations of the play.

Transfixed in the emotional world of the stage, Karen Sunde as Medea pleads for understanding.

Pi Epsilon Delta, honorary fraternity of National Collegiate Players, discusses plans for "A Night of Absurd Theater." The organization was admitted to the Association of College Honor Societies in 1963.

Adjusting the lights, technical director Jack Rast prepares the chapel for the production of "Medea."

Draped in dark gray himations, the chorus mirrors the feelings and emotions of the observing public.



Corinthian pillars used in the "Medea" set were furnished by Manhattan High School drama department.

Whirl of Events Fill Orientation Program

With upper-class students serving as leaders, 92 groups of freshmen met in Memorial Stadium to begin Orientation Week. Campus tours, instructions in registration procedures, and discussion sessions introduced them to the academic aspects of college life. The total enrollment of the new freshman class numbered 2,125 students.

At the Activities Carnival, freshmen obtain memberships and information from campus organizations.

Song and dance routines reveal the latest talents of 34 freshmen in the annual Freshman Talent Show.

Slices of watermelon in hand, Tex Winter and basketball prospectives discuss the coming season.

After the President's Convocation, Vice President Weber welcomes freshmen, transfer students and parents. President and Mrs. James A. McCain and other administrators attended the annual affair.

Forgetting academic life awhile, students shuffle their feet to the live sounds of electric guitars at an outdoor mixer. The Union planned the dance as the finale to orientation week activities.

Questions, Ag Skills Enliven Chore Night

Selected as finalists by a panel of faculty and students, five Barnwarmer Queen hopefuls participated in the chore night events. After a question and answer session, the finalists exhibited their agricultural skills as they saddled horses, built hog troughs, fed calves and showed pigs. Janet Janssen was selected queen at the Barnwarmer Dance.

Coeds Pick Murrell For FMOC Honors

Selected by an all-campus coed vote, Goodnow Hall representative Willie Murrell was crowned Favorite Man on Campus. Nine hundred women voted in the contest sponsored by the Home Economics Council.

First and second runners up for the FMOC honor were Jody Galichia of Sigma Alpha Epsilon and Francis Tyson of Sigma Chi. Trophies were presented to each of the three top candidates in the contest.

Murrell was crowned during ceremonies at the FMOC dance. A castle covering one wall added to the over-all British atmosphere. Rutherford, a British cartoon figure, was the central theme of the table decorations.

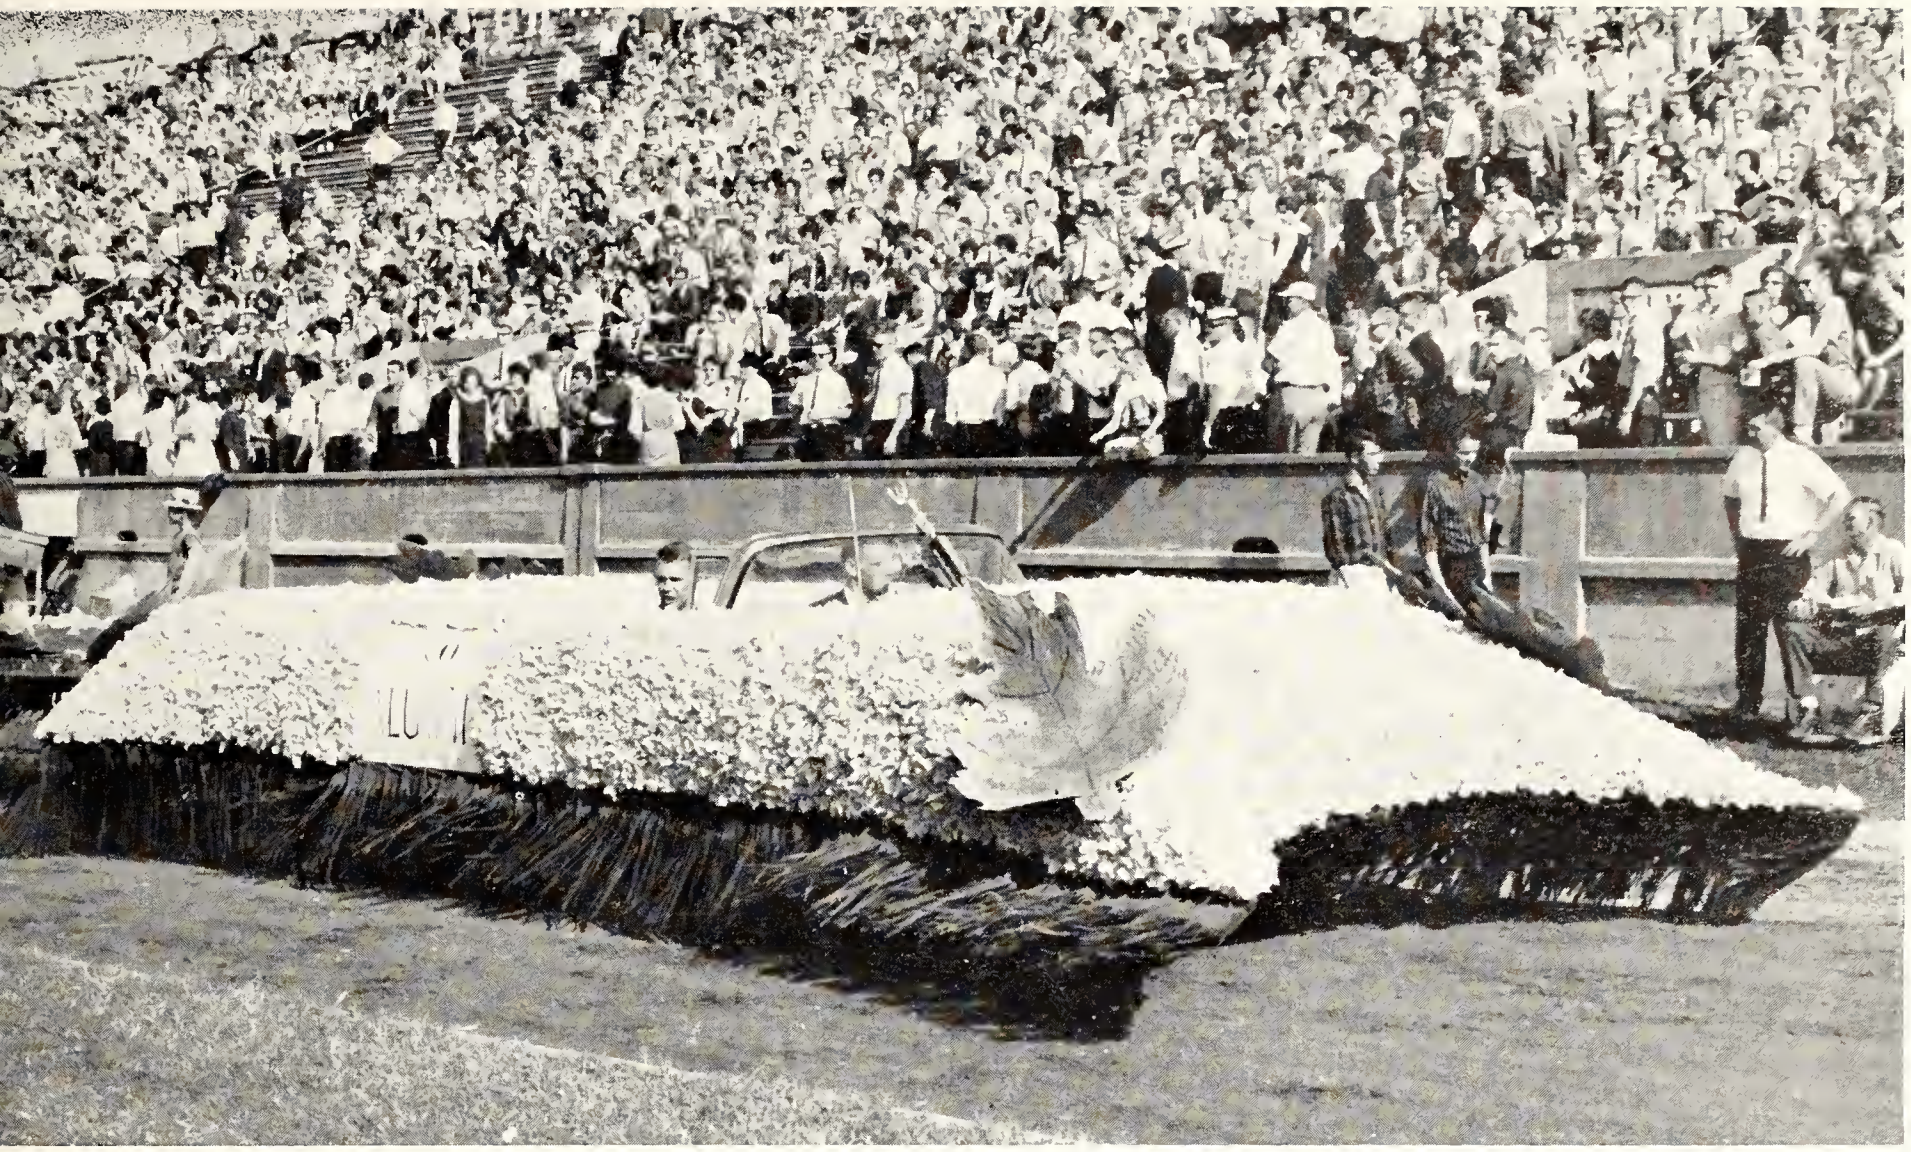
A three-foot Ugly Man on Campus trophy was presented to Murray Miller, Phi Kappa Tau, at the annual semi-formal UMOC Dance in the Union ballroom. Miller was selected from six candidates in the spring 1963 contest sponsored by Alpha Phi Omega.

Personality and activities earn Willie Murrell the FMOC crown bestowed during the annual fall dance.

Struggling under the weight of his trophy, UMOC winner receives a helping hand from John Baldwin, Alpha Phi Omega president. Murray Miller, Phi Kappa Tau, was chosen by votes of those attending dance.

Showing the development from youth through college to business, West Stadium wins the independent cup.

To open the annual Homecoming festivities, Queen Louanne Theilmann lights the bonfire at the Homecoming pep rally. Before the rally, a snake dance winding from campus brought students to the site.



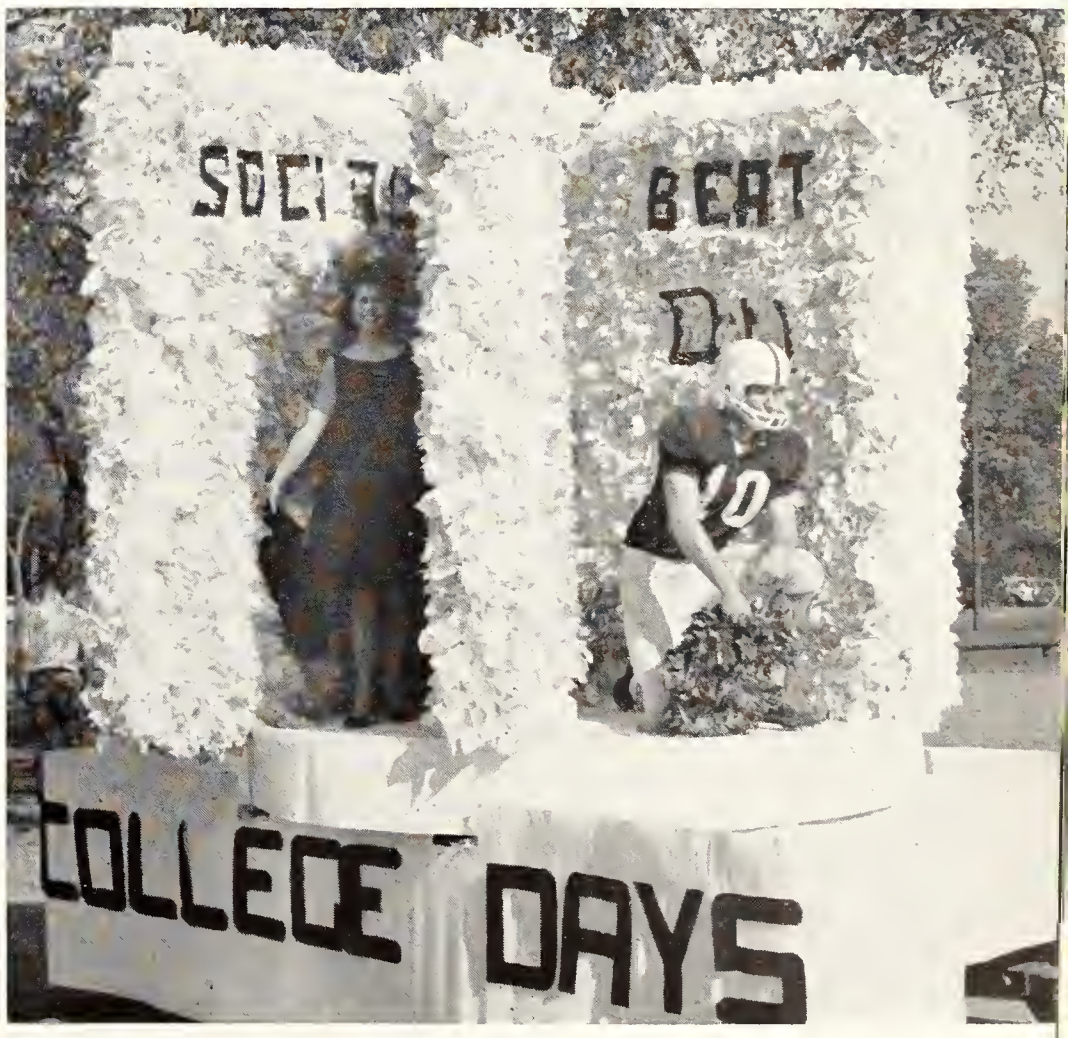
With colors representing different years of a student's life, Pi Kappa Alpha's artist's palate float is titled "A College Portrait." It took top prize in the fraternity division of the Homecoming event.

Homecoming Floats Replace Decorations

Floats, a pep rally, snake dance and bonfire, the Oklahoma University-K-State gridiron battle and a semi-formal dance spelled Homecoming 1963 to K-Staters. Crowning of Homecoming Queen Louanne Theilmann by U. S. Senator James Pearson climaxed two weeks of campaigning and skit preparation by living groups sponsoring the five finalists.

Replacing Homecoming decorations which traditionally tower in front of each living group, 23 University floats in a 56-vehicle parade wound through the streets of downtown Manhattan and Aggieville. Prize winning floats paraded before 14,000 spectators attending the Oklahoma football game. The Warren Durrett Orchestra and the K-State Singers performed at the dance.

"College Days," Alpha Delta Pi's prize winning sorority division float, depicts college activities.



From an envelope, the name of the queen is revealed and Louanne exchanges her cape for the Queen's white.

Judging an array of 23 campus beauties, Kurt Jafay, a member of the panel of Judges for the 1961 and 1962 Miss America Pageant, selected the 1964 Royal Purple Queen and her four attendants. Selection was made on the basis of the candidates' photogenic beauty. Jafay holds a Master of Photography degree from the Contempora School of Photography and Fine Arts in Berlin, Germany. His studio is located in Denver, Colo.

The annual Royal Purple Dance, previously the scene of the queen's crowning, was cancelled because a band suitable for the occasion was not contracted by the Union Governing Board. The queen was presented in color in the 1964 Royal Purple.

After competing against 15 finalists, Suzy Beck, representing Pi Beta Phi, reigns as Miss K-State-Manhattan. Chosen for beauty, talent and poise, she was later named first runner-up to Miss Kansas.

Committee Approves Contestant Selections

Headed by Sue Hemphill, the AWS Queens Committee approved the eligibility of contestants for the major queen titles on campus. Major titles included Homecoming Queen, Royal Purple Queen, Miss K-State-Manhattan and Military Ball Queen. The main specification was a 2.2 grade average.

Beauty was not the only prerequisite for a queen. Roping and riding helped earn a Rodeo title and farm knowledge paved the way for Barnwarmer Queen. A pin or ring was required for most fraternity sweethearts.

After being chosen as Sigma Chi's Derby Darling, Connie Stewart is unmasked by one of the judges.

Linda Turney, representing Gamma Phi Beta, reigns over the 16th annual Phi Delt-Sig Alph Flush Bowl.

Elected by ballots of couples at the dance, Marilee Carr is named Military Ball Queen. A member of Gamma Phi Beta, she and her attendants were chosen as finalists by the members of Scabbard and Blade.

K-State Singers End Tenth Show Season

Celebrating their 10th anniversary, the K-State Singers made over 60 appearances in the Midwestern area. With Director William Fischer, the group gave performances for the American Royal, the Homecoming dance and their annual spring concert on campus. Proceeds from the shows were used to finance seven music scholarships. The singing troupe also applied to the National Music Council and the USO to be sent on an overseas armed forces entertainment tour.

The 14 Singers were selected for their ability to dance and play instruments as well as their singing talent. Specialty numbers incorporating the various talents included "Steam Heat," "McNamara's Band" and "Once-a-Year Day." The programs were composed of songs from Broadway musicals and standards from the pop field. Judith Brandt, choreographer, staged the dance routines, and Russ Berlin, trumpeter, was featured as "The Man with the Horn."

Perfecting their duet, K-State Singers Sonja Hooker and Steve Smith rehearse for a new performance.

Traditional carols, the nativity scene and the ancient boar's head procession are recreated by music students. They observed the Old English musical Christmas customs at the Feast of Carols.

Feasts Utilize, Share European Traditions

Whether it was a feast of food or a feast of music, students and faculty found time to learn foreign customs and honor achievement. Chips and dips, cold food, hot food and dessert comprised the four courses at the Swedish-American Smorgasbord in December. Approximately 1,000 people attended the dinner which was served three nights.

Old English musical traditions, including the boar's head procession, were observed at the Christmas Feast of Carols sponsored by the music department. Maryland chicken and shrimp creole headed the menu for the "Regional U.S.A." dinner which was planned and prepared by food production and management students. Recognition dinners included those sponsored by Mortar Board, Theta Sigma Phi and S.E.A.

Food and format provide variety at the special dinners attended by students and faculty members.

Folksingers Occupy Entertainment Spots

In the craze of folksinging popularity sweeping the nation, K-State hosted two soloists and five folksinging groups in three concerts. Before sell-out crowds in two performances, the Brothers Four sang "Greenfields," "Five Hundred Miles," "This Land is Mine" and "If I Had a Hammer."

On a 52-stop tour of major U. S. cities, "Hootenanny USA" brought a five-act show for a one-night stand to the University Auditorium stage. Traveling with Hootenanny were Jo Mapes, the Halifax III, the Journeymen, the Geezinslaw Brothers and Glen Yarbrough, a former member of the Limeliters.

Presenting "Ragtime Revisited," Max Morath pounded out ragtime standards on the piano as he retold the history of ragtime. In his second engagement, Morath had previously entertained during the 1963 summer school session. Rock-'n-roll singer Jerry Lee Lewis and the New Christy Minstrels, a folksinging group, also presented performances.

Performing with the five-act, traveling "Hootenany USA," the Journeymen interpret folksong favorites.

With the instrument of her trade, Jo Mapes, a folksinger of ten years, appears in "Hootenany USA." Miss Mapes worked in San Francisco as a commercial artist while beginning her professional career.

Pianist Max Morath recounts the nostalgic era of ragtime popularity from the 1890's to World War I.

Before a sell-out audience, the Brothers Four sing selections including "I'm Being Eaten by a Boa Constrictor."

'In the Bee-ginning' Wins Top Y-O Rating

A chic Satan, two puny milquetoast kings, and 70 glowing bees pooled their efforts to present "In the Bee-ginning," Y-Orpheum 1963 in the University Auditorium.

"In the Bee-ginning," a satire on American society, won Y-O for Chi Omega and Phi Delta Theta. Delta Delta Delta and Acacia captured second place trophy with their modern dance skit, "Adam's Apple." A medieval battle of the sexes, "In the Daze of Knights," earned third for the members of Pi Beta Phi and Sigma Phi Epsilon.

Chi Omegas smudge bee markings onto Phi Delta Theta bees-to-be for "In the Bee-ginning." Seventy strong, the cast was largest of the six combined entries producing skits in Y-Orpheum competition.

Reeking with deviltry, bumpy-legged groadkins stomp around before the devil in "Adam's Apple," a modern dance accompanied by jazz.

Reprimanding knights for showing no respect to women, the hen-pecked king of "In the Daze of Knights" forces his men to accept chivalry.

KS Marching Band Travels to MU, KU

In addition to appearing at all K-State home football games, the Marching Band made two out-of-town appearances. The all-male band traveled to Columbia for the Missouri game and performed at the KU Homecoming game in Lawrence. About 100 band members and twirlers participated.

Starting the veteran system of training members in marching fundamentals, the band employed upperclassmen to aid the new players. The southeast campus practice field was utilized for the group practices. Game routines included formations with songs such as "Hey, Look Me Over" and performances by the eight K-Steppers and John Boyd, drum major. The band members also co-ordinated Band Day events.

Prior to a three-day tour, the Concert Band presented its winter concert. The tour included seven Kansas cities.

John Boyd, Drum Major of the Marching Band, leads the formations of the group for his second season.

Band Day Features Parade, Ceremonies

Approximately 3,800 Kansas high school students joined forces to present the 29th annual Band Day performance. The 61 marching units, along with 350 twirlers, participated in a morning parade through downtown Manhattan before gathering on the football field for halftime ceremonies during the Colorado game. The combined performance included the "Stars and Stripes Forever" and the Finale to the "1812 Overture."

Accompaniment for the newly formed Oratorio Chorus's performance of the Messiah was provided by the Civic Orchestra. Directed by Luther Leavengood, the 40 members also presented two concerts. Although Manhattan residents were eligible for orchestra membership, only students and faculty members participated.

Music from the Appalachian dulcimer, a stringed instrument played with two leather covered hammers, was featured at the February Evening of Folk Singing.

Varsity Glee Takes Eastern Tour Swing

Performing in the Rotunda of the Senate Office Building, the Varsity Glee Club presented a Washington concert as part of its Eastern tour. While in the capital, the men also lunched with Kansas congressmen.

On another leg of the tour, the singers performed at the Columbia University homecoming festivities. The club also made appearances at Northwestern University and the Detroit Fine Arts Center.

Campus programs of the 70-member organization included a concert to finance the Eastern tour. The Varsity Club, in a joint appearance with the Apollo Glee Club, presented a memorial concert for Don Douglas, club president who was killed in November. The group was directed by Morris Hayes.

Stimulating additional team support and enthusiasm from the Wildcat fans, the pep band performs at all home games. The troupe also followed the team to the game at Lawrence and the NCAA roundball action.

Student recitals display the talent and progress of musicians in both vocal and instrumental areas.

Pep Band Performs At NCAA Games

Journeying to Wichita and Kansas City for the NCAA regional and national basketball action, the pep band provided support for the roundballers. The music group also played for the home games and rallies.

Scheduled for the same night as the NCAA regional finals, the Spring Jazz Festival was delayed so that the audience could view the game before the concert. The Jazz Workshop Ensemble, directed by Don Meredith, worked with a Ft. Riley jazz group.

A special quartet written in honor of Shakespeare's 400th anniversary was added to the A Cappella Choir spring tour music. The Choir also appeared in the Christmas Vespers and the "Messiah." Folk songs by Brahms were included in the concert presented by the Women's Glee Club.

Musical Series Host International Artists

With a combined budget of $13,300, the Artist Series and Chamber Music Series invited eight musical groups to Manhattan. Tickets were sold to Manhattan citizens although events were University sponsored.

Manhattan's Artist Series billed Ruggiero Ricci, a violinist with more than 2,000 concerts in his 33-year career, to appear in the first concert of its 21st season. Returning for their fourth Manhattan appearance was the Robert Shaw Chorale and Orchestra. English tenor Richard Lewis and the 80-musician Philharmonia Hungarica performed in other Artist Series concerts.

Two string quartets, the New Danish Quartet and the Vlach Quartet, opened the first Chamber Music Series programs. Die Wiener Solisten Chamber Orchestra and the New York Baroque Ensemble also were booked for the Chamber Music Series.

Greek conductor Miltiades Caridis directs Philharmonia Hungarica on its second North American tour.

Czechoslovakian members of the Vlach Quartet prepare for an appearance in the Chamber Music Series. The group made their first concert appearance outside Czechoslovakia in 1955 at Liege, Belgium.

Having played in more than 2,000 concerts, violinist Ruggiero Ricci performs a sonata by Beethoven.

Popularizing chorale art and show songs, the Robert Shaw Chorale includes soloists and an orchestra.

Die Wiener Solisten and the Philharmonia Hungarica were among orchestras in concert during the Series.

Open House Boasts Research Laboratory

Inspected for the first time by a large public audience, the Environmental Research Laboratory was part of the mechanical engineers' winning exhibit for Engineers' Open House. A ribbon-cutting ceremony, preceded by a banquet, the annual torch marathon and the crowning of St. Pat and St. Patricia, initiated the 40th annual Open House. Approximately 10,000 visitors viewed the displays of the engineering departments and the College of Architecture and Design.

The Steel Ring traveling trophy for the best display was awarded to the mechanical engineering department. H. W. Welch spoke at an assembly where graduates W. Mitchell and H. Wege received awards.

Queen Kay Ingersoll and retired Dean of Agriculture Clyde Mullen present ribbon to champion Pat Koons.

Little Royal Affairs Honor Retired Dean

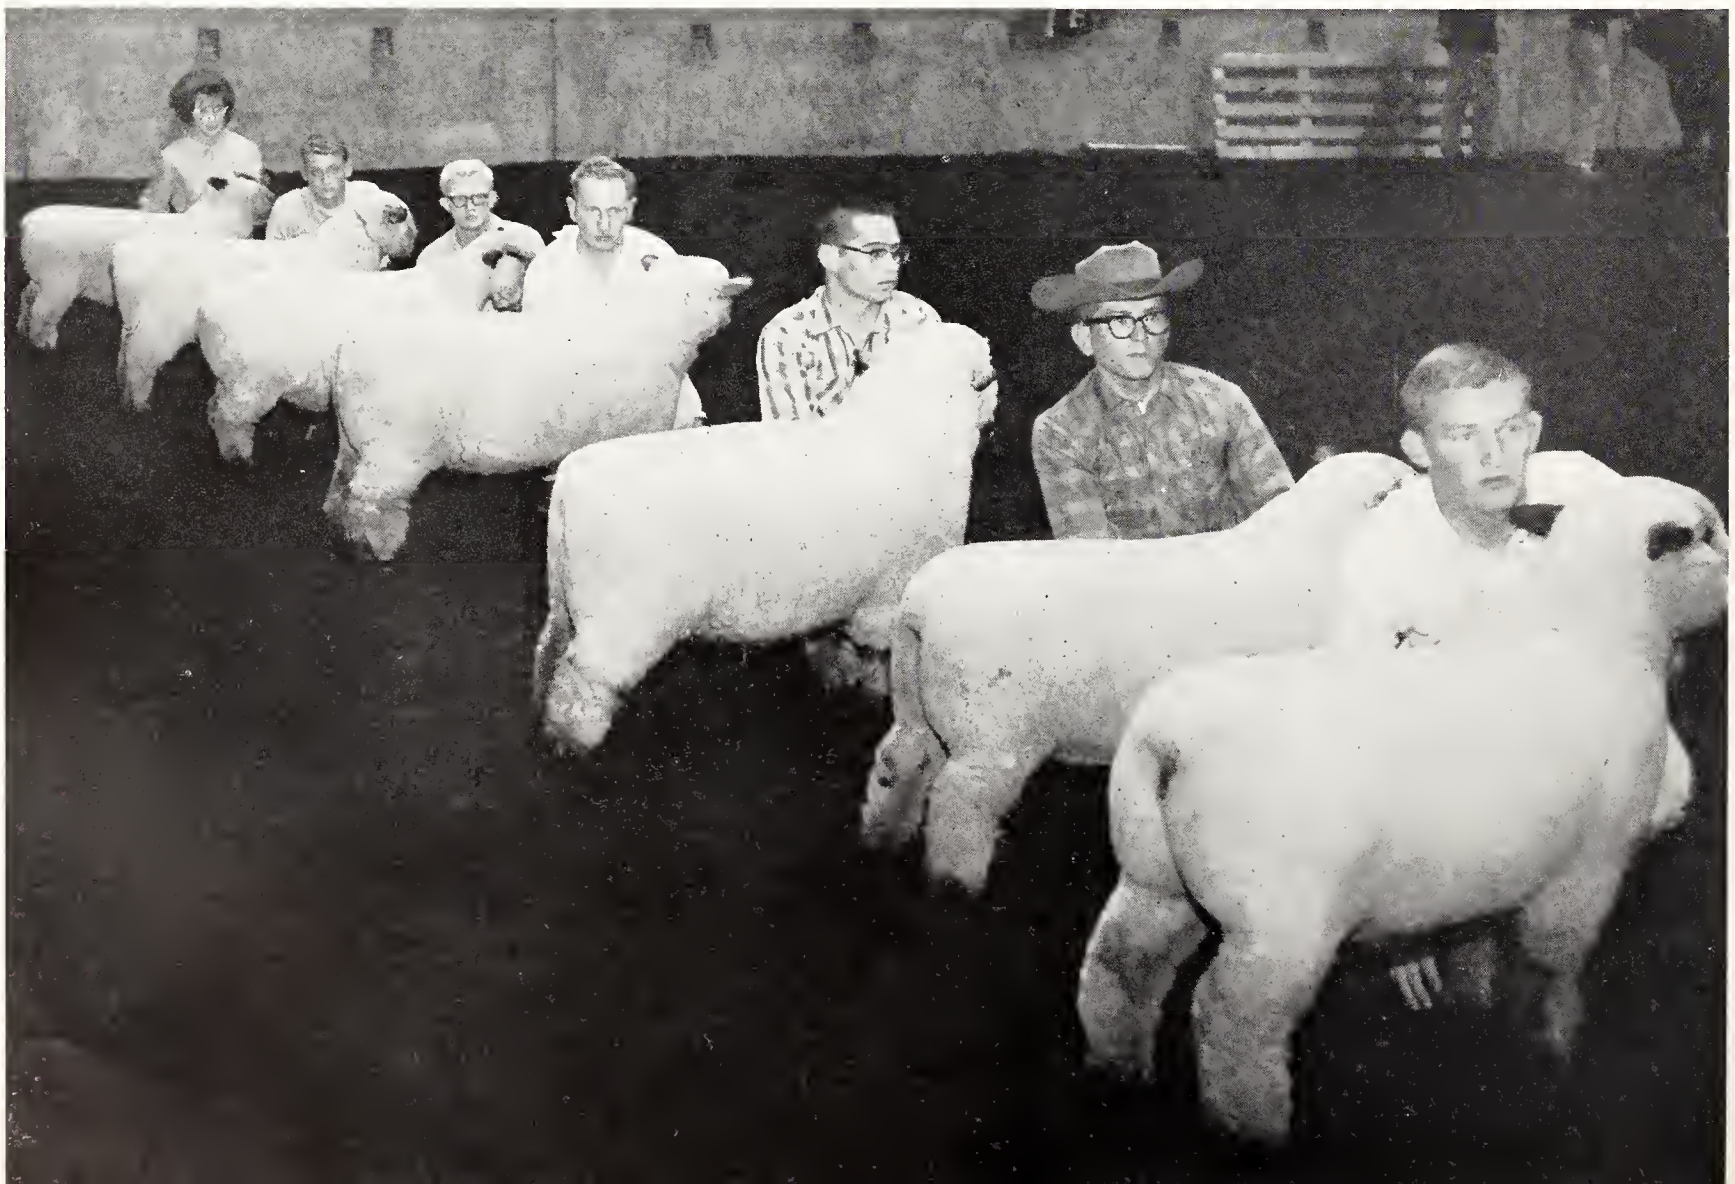
In recognition of his years of service in agriculture, the 1963 Little American Royal was dedicated to Clyde Mullen. He had served as acting dean of agriculture since 1937. He retired from his position as the assistant dean of agriculture in 1961.

Showing livestock in the 35th annual contest were 106 students exhibiting 11 classes of University-owned animals. Grand Champion showman was Pat Koons, who also took top honors in beef showmanship. Reserve Champion was a tie between John Nagel and Gary Fleischer, Nagel winning in the swine division and Fleischer in the horses division.

Features of the show were clowns, rope stunts, and a performance by a collie who led lambs around an arena at the command of her master. One rope stunt involved a green fluorescent lariat in a lights-out scene. Steve Robb acted as Master of Ceremonies, presenting ribbons to the runner-up winners.

Keeping an eye on the judge, students entered in the lamb division anxiously wait for his decision.

A capacity crowd watched the show sponsored by the Block and Bridle Club and the Dairy Science Club.

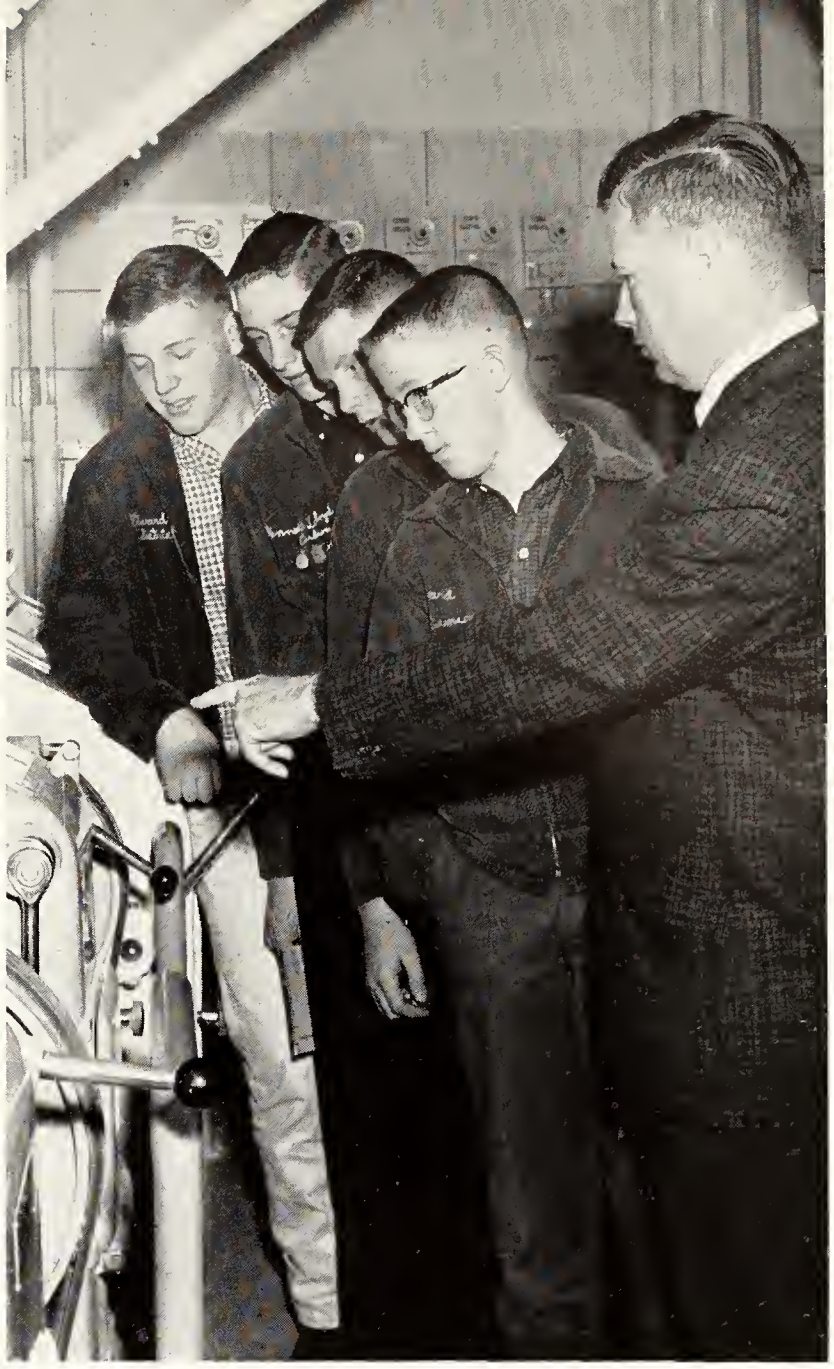


Ag Science Depicts Century's Progress

"A Century of Professional Agriculture" was the theme depicted by exhibits at the 1963 Ag Science Day. The agronomy department won first place in display competition. Under the title "Harvest of a Century" their exhibit illustrated progress in the development of new seeds and plants.

Exhibitions included the latest methods of hog production, advances made in the cuts of steak and the evolution of beef animals. Some clubs employed slides, posters and tape recorders in their displays. Members of the Entomology Club presented a full-sized productive beehive for their exhibit.

Visitors, including 3,000 high school students, took guided tours of agriculture buildings throughout the day. Duane Acker, dean of resident instruction for agriculture, and the Ag Barnwarmer Queen spoke at assemblies in Williams Auditorium.



Tours, complete with explanations of new agricultural equipment, were featured at Ag Science Day.

State Dairy Princess, Janet Patton, offers samples of fresh dairy cheese. Visitors toured the technology and animal husbandry buildings to view the dairy products display and other agriculture exhibits.

Open House Closes Vet Medicine Week

As a fitting climax to Kansas Veterinary Medicine Week, veterinary students presented their annual open house. Congressman William Avery officially began the event, which was sponsored by the Junior American Veterinary Medicine Association.

Interesting demonstrations with live animals composed the bulk of the student projects. In an effort to show the effect of tranquilizers on small animals, the physiology department staged a cat and mouse game to hold audience attention. At the ROTC drill field, a dog herded sheep.

Parrots and other non-domestic birds peered at spectators in the exotic animal section. Visitors also witnessed the performances by English saddle jumping horses. Fetal stages of a calf as well as various types of bone fractures of horses were on display. Animal wards, hospital treatment wards, and other veterinary buildings were open for inspection by the Open House crowds.

Viewing the numerous microscopic exhibits presented by the pathology department is a group of the more than 8,500 visitors attending Open House. Seeking attention, a horse peers from his stall.

Modeling a latest fashion, a coed displays a wool garment she made in one of her classes. Beside her is a rocket of fashion magazines, following the open house theme of "Home Economics Countdown."

Home Ec Exhibits, Activities Attract 2000

Over 2,000 high school girls, teachers, and 4-H members attended "Home Economics Countdown," the 1963 College of Home Economics Hospitality Day program. Activities stressed work in progress at K-State and job opportunities available in home economics.

Exhibits featured a model of K-State's nursery school. Teas and tours of women's dormitories closed the activities planned by Marilyn Hensley and her committee.

Capturing the interest of onlookers, a weaver demonstrates a method of making cloth. Departments within the Home Ec College exhibited products made by students and showed visitors procedures used.

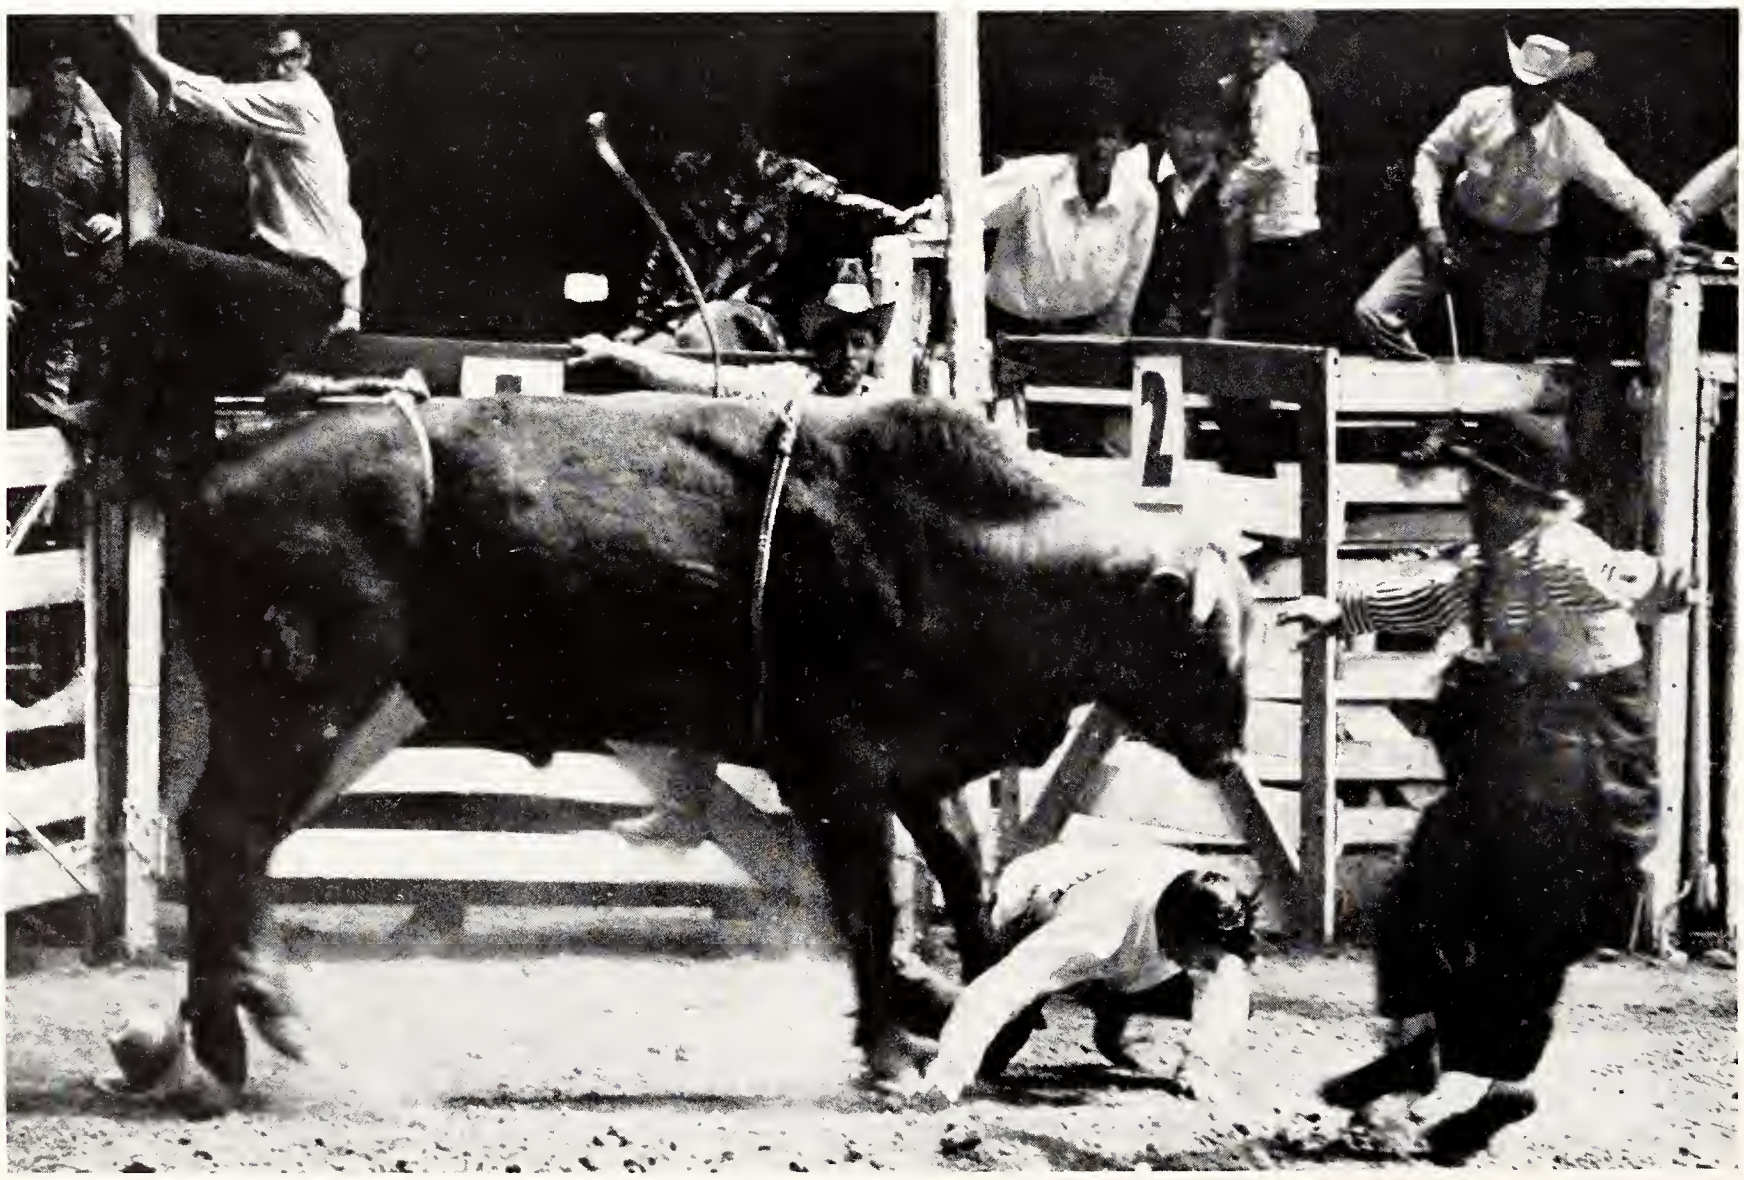
In full command of her horse, a coed races to post a winning time in the women's barrel racing event.

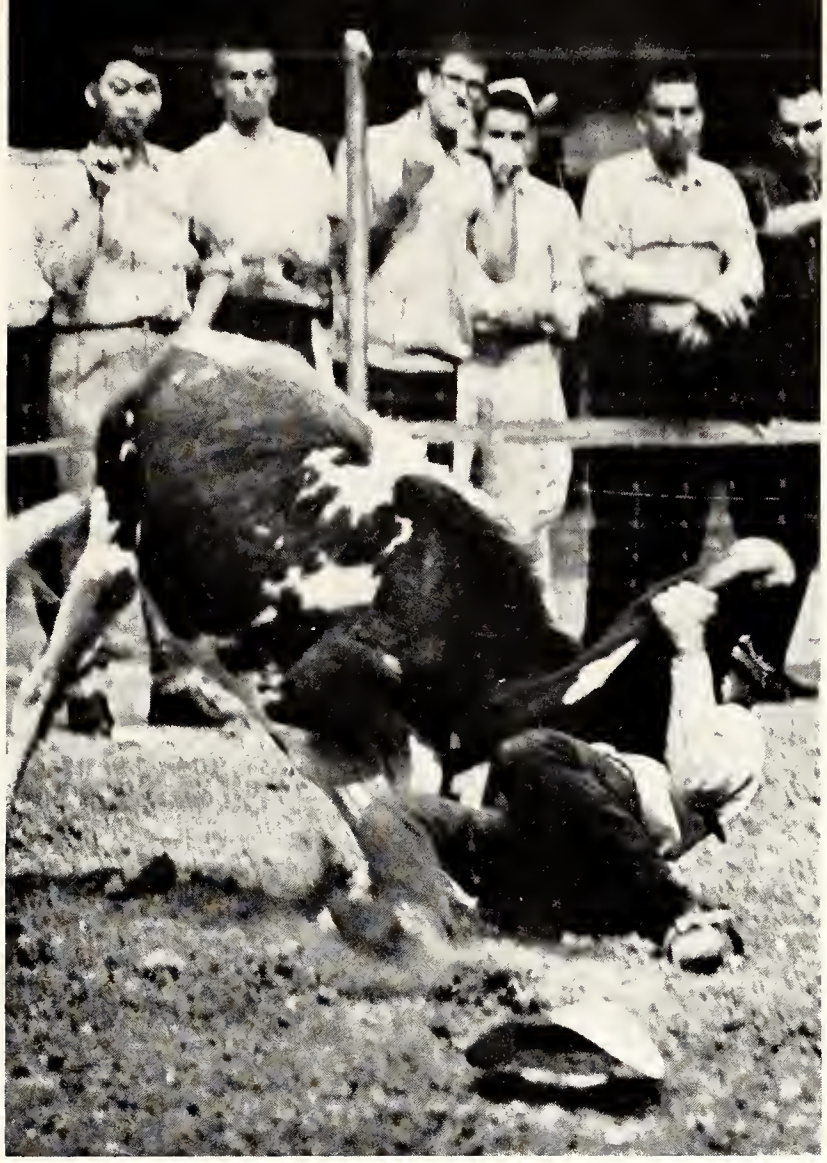
K-State Rodeo Team Claims Top Honors

Capturing first place in the 1963 Intercollegiate Rodeo, the K-State team was eligible to ride in the National Intercollegiate Rodeo Association Finals at Littleton, Colo. Approximately 85 contestants representing seven colleges rode in the contest. Selected as the first Rodeo Queen by the Chaparajos, Ann Hoy reigned at the three performances.

All-around cowboy honors went to Dave Slyter who received a trophy saddle. Franchone DeArmond was chosen all-around cowgirl and was given a trophy and a pair of chaps. Special feature of the rodeo was Doyne Lenhart, K-State sheep herdsman, and Nell, his collie. Nell, under Lenhart's command, took sheep through maneuvers.

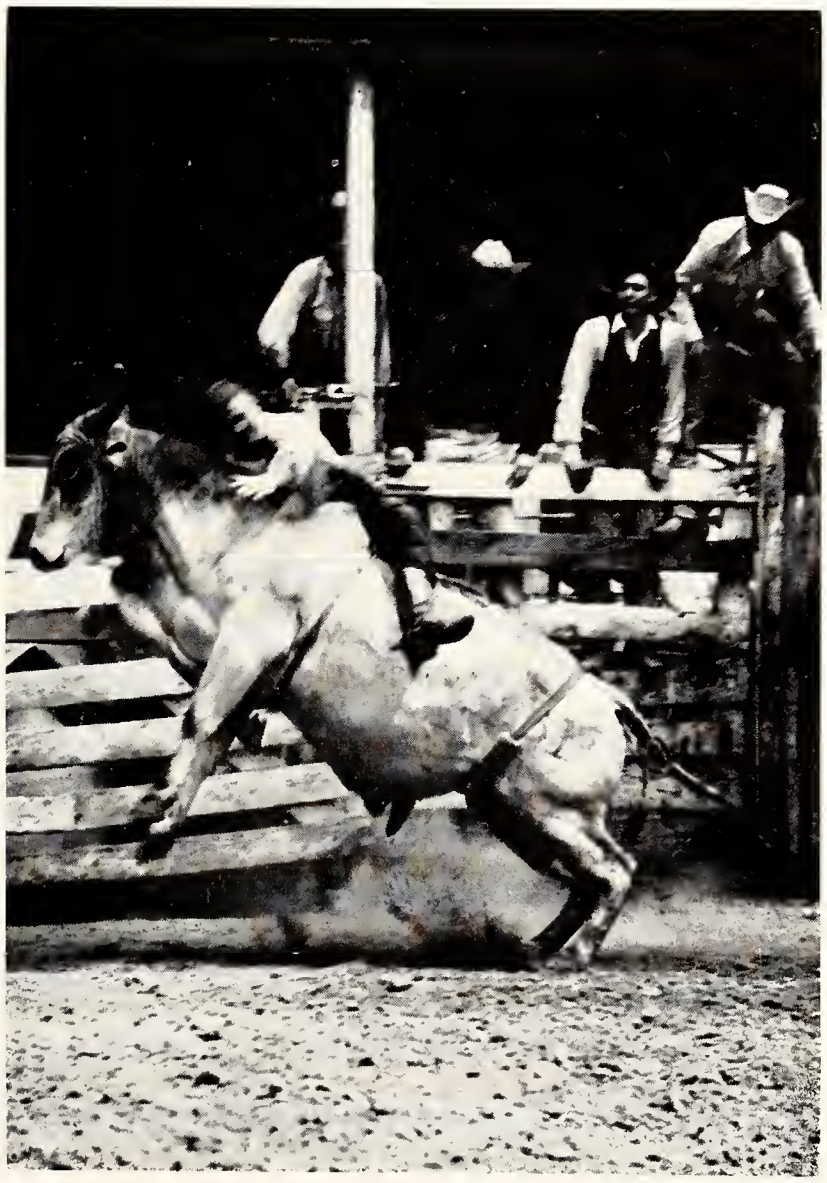
Dodging horns and hoofs, a contestant scrambles to safety as a clown distracts the bull. Other rodeo events included bareback bronc riding, calf roping, saddle bronc riding, steer wrestling, ribbon roping.





Spectators wonder who is grounding whom as they watch the tumbling action in the bulldogging event.

Losing his hold, a cowboy struggles to outlast the clock as he trys to keep his position on a Brahma.



Pursued by horse, rider and lasso, a calf attempts to out-maneuver all three in the calf roping contest.

Satirizing the cliches of Grand Opera, Sonja Hooker, playing the "Primadonna," sings her death aria in the comic presentation of "Opera, Opera." Her lover, the "Gorilla-like Boy," is played by William Fischer.

Easing through a slow passage, the Bluemont Singers perform for summer students in local Hootenanny.

Summer Enrollment Opens New Sections

Setting another enrollment record, nearly 3,000 students attended the summer session. The large influx of high school graduates on campus pushed the total enrollment to a new high and forced the opening of several new sections of freshmen classes.

Local folksingers took part in a "Hootenanny" which was held in the Union Ballroom. The Summer Theater presented "A Shot in the Dark," and the Summer Opera Program included three short operas. Max Morath, noted ragtime authority, presented a concert of turn-of-the-century music in a nightclub atmosphere in the Union Ballroom.

President James McCain prepares to award degrees to the '63 graduating class. It took K-State 45 years, from 1863-1909, to confer as many degrees as were conferred at the Centennial commencement exercises.

Centennial Graduates Face New Challenges

Students participating in the June, 1963, commencement exercises faced a world radically changed from the one in 1863 when KSU was founded. More than 1,600 degrees were granted during the centennial year, making a total of over 42,000 diplomas awarded by the University in 100 years.

Several alumni classes watched as President McCain conferred degrees to the candidates in Ahearn Field House. Dr. Milton Eisenhower delivered the commencement address. Eisenhower, a former president of KSU, was one of nine distinguished persons to receive honorary degrees.

The 269 students who graduated in August and the 419 students who graduated in January were invited to attend the June exercises. The School of Agriculture bestowed 131 degrees; Arts and Sciences, 568; Engineering and Architecture, 255; Home Economics, 108; Commerce, 123; Veterinary Medicine, 63; Graduate School, 326.

One final adjustment is made as students gather on Anderson lawn for the walk to Ahearn Field House.

1963 ALL-AMERICAN YEARBOOK CRITICAL SERVICE

The Royal Purple

In recognition of its merit is awarded

All-American Honor Rating

in the Forty-third National Yearbook Critical Service of the Associated Collegiate Press at the University of Minnesota, School of Journalism, this Second day of October, 1963.

Approved by

Director

Received for outstanding work, the All-American rating is the 28th consecutive Royal Purple award.

Publications Compile Unparalleled Record

Winning the All-American Honor Rating, the 1963 centennial yearbook was the 28th All-American Royal Purple. The book was published on an annual basis since 1910 with C. J. (Chief) Medlin as graduate manager of student publications since 1934. In continuous publication since 1896, the K-State Collegian published a total of 150 daily issues during the 1963-64 sessions.

Containing current university news, the collegian rolls off the press ready for student delivery.

Adding the 28th All-American Royal Purple to the stack of award winning K-State yearbooks, Frances Towner, 1963 editor, receives the approval of C. J. Medlin, adviser and known yearbook authority.

Collegian Scoops State With Kennedy Story

Fall and Spring Editors Jerry Kohler and Chuck Powers critically review one of Chuck's issues.

"Scooping" all other papers in the state, the Collegian was the first paper to hit the streets with the news of President Kennedy's assassination. 3,000 copies of the regular edition had been printed when the staff received news on the UPI teletype that the President had been shot. The staff then pulled a theatrical "stop-the-presses" scene, and remade the front page to carry the news. Five minutes later the presses were rolling again and in an hour the papers were on the street. Over 9,000 new copies were printed.

Implemented by Fall Editor, Jerry Kohler, and continued by Chuck Powers, spring editor, was a reorganization of the Collegian staff to enable the student editors to function more as a metropolitan daily. A night editor, who was responsible for laying out the front page, was added to the staff, and the former daily editors were replaced with more specialized jobs. Jack Backer, adviser, supervised the operation of the new staff setup.

A special larger Homecoming issue of the Collegian was published. The 32-page special contained added coverage of homecoming events, and special feature and fall fashion sections. In a later paper, the Collegian introduced the Royal Purple Queen finalists.

Ad Space Increased By Newspaper Staff

A special Christmas promotion and an enlargement of local advertising helped to increase Collegian revenue and enable the production of a larger paper.

Joe Reppert and Larry Dallen served as co-business managers during the summer with Reppert continuing in the fall. Ken Kingsley managed the spring staff.

Co-business managers Larry Dallen and Joe Reppert confer with Summer Session Editor, Cathi Dickey.

Working as assistant business managers for both semesters are Gwen Connet and Judith Cowdrey.

Fast action by the Collegian staff brings the campus immediate coverage of President Kennedy's assassination. The staff stopped a regular noon press run to revamp page one with a banner headline.

Braving the maze of machines and equipment, a Collegian editor checks copy with the backshop foreman. The KSU press, located in Kedzie Hall, prints most of the publications of the University.

Beginning work in the spring of '63, Editor Gretchen Nilson planned the theme of the book. Hints of the future were enlisted in the second century theme with emphasis on campus research and changes.

Royal Purple Editor Shifts Editorial Staff

Revamping the organizational structure of the Royal Purple staff, Gretchen Nilson, 1964 editor, increased the number of editorial positions. The former positions of co-assistant editors were eliminated in favor of one assistant and seven under-editors.

In addition, the editor selected all pictures for the book, laid out the pages, selected the cover and approved all copy before it was sent to the printer. Assistant Editor Becky Fitzgerald was responsible for assigning and editing copy for the printer.

Doug Groesbeck covered the athletic endeavors, while Sally Green supervised production of the senior section. Diane Lee kept tabs on underclassmen and Mary Bingle kept the dummy book. John Krider worked on the feature section, Carole Fry handled the Greek pages and Sharon Smith compiled the activities of campus organizations.

IBM Method Speeds Printing of Directory

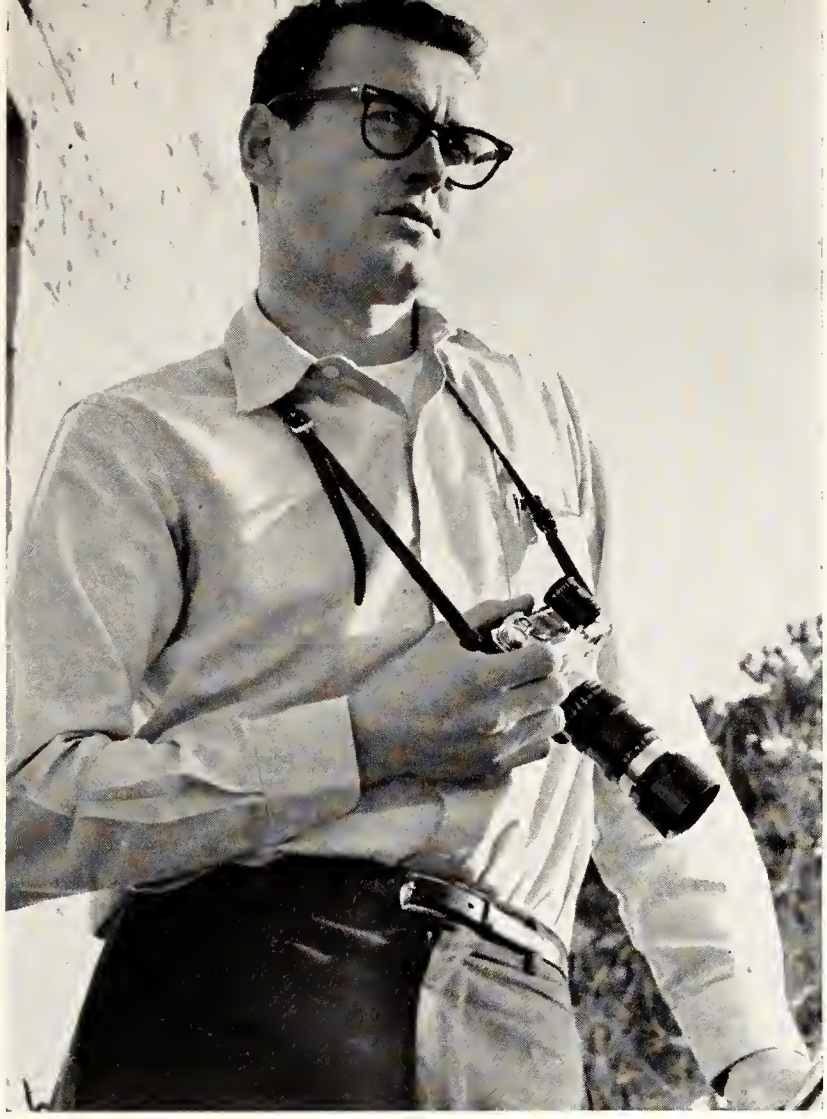
Editing the Student Directory for the second year, Clare Cameron supervised the production of the 63-page publication. Compiled by using the IBM processing units, the directory was completed and distributed several weeks earlier than past directories. In addition to student and faculty listings, the book contained administrative and student officers and the Student Governing Association constitution and by-laws.

Business details of the Royal Purple were handled by Mark Miller, business manager. Selling advertising for the annual, his business staff had headquarters in Kedzie Hall.

Recording the campus events on film was a joint effort. Bob Hankins and Dave von Riesen shot campus activities and Floyd Hanna photographed organizations. Owen Brewer and Rick Solberg covered sports while von Riesen and Don Richards did the color photography for the book.

Editing the information for the University Directory for the second year was Editor Clare Cameron.

Mark Miller, yearbook business manager, was responsible for establishing advertising policy and laying out the advertising section. His staff sold advertising space for the 20-page yearbook section.



Shooting most of the activity and action pictures, Bob Hankins covered campus events for the annual.

Taking over the position vacated by Rae Ellen Smith, Dorothy McDonald supervises the RP office staff.

Meeting printing deadlines, Thayne Cozart edited four fall issues of K-State's Ag Student Magazine.

Ag Student Secures Excellence Honors

Winner of the Best in the Nation for Over-all Excellence Award, the Ag Student Magazine also placed in three other divisions of the competition sponsored by the Agricultural College Magazines Associated. In the contest with 12 entrants from agricultural schools, the Ag Student took second for best cover and second for design and layout. It also placed third for the best popular presentation of technical material.

Giving coverage to the areas of the 28 departments of the agricultural experiment stations, the Ag Student included material about Veterinary Medicine, Home Economics and Psychology. It was edited in the fall by Thayne Cozart. Co-editors Lois Ann Hudgins and Darrell Garner took over in the spring. Lowell Brandner, in his 11th year as faculty adviser, supervised the laboratory class which wrote, edited and managed the Ag Student. They also sold the advertising.

Engineers' Magazine Receives Awards

Receiving first place awards for Best Editorials in All Issues and Best Single Cover, the K-State Engineer followed up last year's award of Best Single Editorial. Editor for the first semester, John Thorngren, was a delegate to the Engineering College Magazine Association Convention where the awards were announced. Max Williams edited the magazine for the second semester.

Published monthly with a circulation of 3,000, the K-State Engineer included current interest and controversial articles as well as technical information. Regular features were Engineering Ingenuity, a discussion of national scientific developments, and profiles of faculty members and students.

Distributed to engineering students and alumni, the K-State Engineer publicizes events such as the Engineers' Open House. Also published are articles about current trends in the various areas of engineering.

Touchstone Staff—Editor James B. Angle, John M. Hayden, Mary C. Meehan, Nancy R. Sanders, Don R. Kunz.

Touchstone Revises Format, Art Styling

In an effort to improve Touchstone's artistic styling, the 11-member staff widened page margins and eliminated everything but text from article pages. Following a style of many literary magazines, the shape of the magazine was changed to nearly square. Containing original student work, Touchstone was published with the help of James Angle, editor, and Richard Adamany, adviser. Copies were sold to 800 readers.

KSDB-FM Initiates Discussion Programs

With the permission of Newsweek magazine, KSDB-FM discussed articles in depth during a new show, "Newsweek on the Air." Expanding its services, the radio station initiated Saturday programming with a seven hour broadcasting schedule. The broadcasting unit enabled radio students to apply classroom training in actual experience. The radio group also helped to modernize the record library and continuity department.

Campus News Media Publicize University

Headquarters in Calvin Hall, the Office of University News gathered information from campus sources and transmitted the news to hometown papers and all interested media. Directed by Carl Rochat, the office also published a monthly faculty newsletter which was distributed to the president of each organized house as well as to faculty and administration members. Rochat was assisted by an information specialist, a graduate assistant, two student news-feature writers and two clerk-typists. University News was the main part of the public relations headed by Kenneth E. Thomas.

For her work in writing and teaching, Helen Hostetter, editor of the K-Stater, was honored at the Theta Sigma Phi Matrix Table as the Kansas Woman Journalist of the Year. Retiring in June, she was the director of one of four accredited home economics and journalism programs in the country. She was editor of the K-Stater for 11 years. The quarterly, founded in 1951 is the official magazine for alumni.

Helen Hostetter and H. Dean Hess, alumni association secretary, prepare a K-Stater for publication.

Assisted by Virginia Mansfield and graduate student Barry Robinson, Carl Rochat relays campus information to hometown papers and University departments. University News also publishes a faculty newsletter.

Poultry Team Enters Chicago Competition

Judging at the International Livestock Exposition in Chicago, Ill., the poultry judging team placed tenth among ten teams. The men participated in the general poultry judging competition. While in Chicago, the men were given a tour of the Poultry and Egg National Board, the poultry facilities at the University of Illinois, and the Prudential Building. Practices to improve skills were directed by team coach, Amos Kahrs.

Wool Judgers Place In American Royal

Placing third in American Royal competition in Kansas City, Mo., K-State senior wool judging team graded 15 fleeces, placing them in classes of commercial or breeding fleeces. Eldon Clawson, a member of the three-man team, ranked second high individual in the competition. A second team ranked fifth in a Denver contest where Jim Riemann was third high scorer. Carl Menzies was the coach of both teams.

Wool Judging Team—Larry E. Scott, Eldon L. Clawson, Richard L. Janssen, Coach Carl S. Menzies.

Meats Judging Team—James E. Zwonitzer, Duane P. Schneider, Charles R. Rayl, Lloyd A. Davidson, Melvin C. Hunt, Coach Donald H. Kropf.

Livestock Judging Team—George E. Raymond, Leon L. Dunn, A. Lowell Slyter, Edward F. Baker, Bruce L. Tomlinson, Leonard L. Austin, Coach Don L. Good.

Men Take Top Spot In Meats Contests

Top honors for pork judging were awarded to the senior meats judging team in the American Royal contest in Kansas City, Mo. Competing in the spring of 1963 as a junior team, the men won the top position for pork judging in the Southwestern Contest in Ft. Worth, Tex. They placed second in over-all judging at Kansas City and Ft. Worth.

Senior Team Wins Second Place Award

One of the senior livestock judging teams was awarded second place in American Royal competition in Kansas City, Mo. At the International Livestock Judging Contest in Chicago, another senior team ranked 12th among 39 teams. Gene Raymond was high individual on the team. Dod Good, team coach, also coached the junior judging teams.

Crops Judging Team—H. Keith Goering, Oren R. Voth, Herbert E. Huffman, Milan T. Jones, Coach Ernest L. Mader.

Entrant Shares First For Crops Judging

Milam Jones, a member of the crops judging team, shared first place in one phase of the National Collegiate Crops Contest in Kansas City with a judger from a competing team. Coached by E. L. Mader, the four-man team placed fifth among eight teams in the Kansas City contest. In competition at the International Livestock Exposition, as well as in the Kansas City contest, Oren Voth was eighth high individual scorer.

Dairy Cattle Judging Team—Coach Charles L. Norton, Richard A. Nixon, David W. Koch, Ronald L. Ibbetson, Charles R. Rayl, Coach, G. B. Marion.

Dairy Cattle Judgers Journey to Contests

Judging competition at the National Dairy Cattle Congress in Waterloo, Iowa, and the International Livestock Exposition in Chicago, Ill., attracted the dairy cattle judging team. The team placed seventh out of 29 teams at Waterloo, where it was coached by G. B. Marion. In Chicago, the men ranked fifth among 17 teams, with top scorings in two breeds. Charles Rayl was third high individual in over-all competition.

Dairy Products Judging Team—Ronald S. Robb, Donald F. Darling, Lawrence E. Carter, Coach Ross Mickelsen.

Team Places Fourth At Chicago Regional

Cottage cheese, ice cream, cheeses and milk were among the foods judged by the dairy products judging team. At the Regional Dairy Products Judging Contest in Chicago, Ill., the team placed fourth and was coached by Ross Mickelson. At a Dallas, Tex., contest, the men were 17th among 24 teams. Steve Robb won in cottage cheese.

CLASSES

THE BACKBONE of the university, now perhaps the most complex single aggregation of interests in the world, is the quality of resident instruction it offers the individual. The student's thirst for knowledge and the fruits of its application have been the unifying factor in university communities since their beginning.

At K-State, this wide-ranging thirst has evolved a variety of curricula and major fields which, through their constantly changing nature, offer both professional specialization and social diversification.

Classwork, the guilding principle of university life, along with new facilities and techniques, holds the promise of an increasingly stimulating intellectual environment.

The test tube and the blackboard are now supplemented by the nuclear reactor and the electronic language lab. The atmosphere has changed, but the purpose is the same—and the role of the student will be charged with new responsibility in K-State's second century.

Another record enrollment of 9175 keeps campus intersections and walks filled with hurried students.

Senior Officers Sell New Activity Cards

Elected in a full sweep of the polls by the University party, senior class officers initiated Senior Activity Cards. The cards covered the cost of buttons and derbies which were formerly sold individually to seniors. The class reserved a special section for the Homecoming game. The five finalists for queen were members of the senior class.

Back in the stacks a student hopes to find the solitude and information to finish a research paper.

Dancing after K-State's basketball victory over Missouri, couples fill the Union ballroom floor to celebrate. The Union sponsored local ensembles or dime dances after most home games on weekends.

Underclassmen Number 5,500 at University

Each of 5,500 underclassmen faced a unique experience as he entered college and worked toward the goal foremost in each student's mind, graduation. However, all of the students were not scheduled to realize that goal, for out of 2,000 entering freshmen, the junior class dwindled to 1,500 students. Regardless of differences inherent in each student, underclassmen shared another bond. In time, they would leave the sheltered confines and meet a demanding world.

On the second floor, the Farrell Library reference room is a favorite spot for quiet concentration.

Shouting the familiar "hold that line", cheerleaders Louanne Theilmann, Patty Templer, Debbie Dick, Gwen Woodard, Penny Heyl, Sally Smith and Linda Fritz watch a tense moment during football season.

Throughout the years twin lionesses have stood as symbols of strength and protection before the columned building that is the Home Office of Kansas City Life Insurance Company.

Their bearing is strong and proud as though they knew how the funds entrusted to us are held to provide a *security assured* for our policyowners and their families.

In Retrospect . . .

The completion of a book such as the Royal Purple is possible only because of the cooperation and assistance of many individuals. The 1964 Royal Purple is dedicated to each of the students at Kansas State University, for it is the record of the happenings during their school year. Although it is impossible to mention all who have contributed to the production of this annual, I would like to express a sincere THANK YOU to Royal Purple Adviser C. J. (Chief) Medlin for his support and patience; to the members of my editorial staff for their efforts and cooperation; to Mark Miller, business manager, and his staff for their assistance; to photographers Bob Hankins and Rick Solberg for their coverage of the campus; to David von Riesen and Don Richards for their color pictures; to Lawrence Blaker for his time and cooperation and his Royal Purple Queen pictures; to the Studio Royal for class pictures; to Floyd Hanna for organization pictures; to Richard M. Ong and the people of Grimes-Joyce Printing Company, Kansas City, for their assistance and advice; to Ralph Kolb and the staff at Burger-Baird Engraving Company, Kansas City, for their advice and cooperation; to the S. K. Smith Company, Chicago, for the covers; to Rae Ellen Smith and Dorothy McDonald, student publication secretaries, and to the Royal Purple office staff. I would also like to express my sincere gratitude to Ralph Nilson for his neverending patience and understanding.
